17          whether any other aspect of the defendant’s background,

13          commission of the offense the defendant knowingly  
14          created a grave risk of death to another person.

15 The jury, or if there is no jury, the court, may consider  
16 whether any other aggravating factor exists.

17          “(c) AGGRAVATING FACTORS FOR HOMICIDE AND  
18          FOR ATTEMPTED MURDER OF THE PRESIDENT.—In de-  
19          termining whether a sentence of death is justified for an  
20          offense described in section 3519 (2) or (6), the jury, or  
21          if there is no jury, the court, shall consider each of the  
22          following aggravating factors and determine which, if any,

20          fense, or in furtherance of a continuing criminal en-  
21          terprise of which the offense was a part, the defend-  
22          ant used a firearm or knowingly directed, advised,  
23          authorized, or assisted another to use a firearm, as  
24          defined in section 921 of this title, to threaten, in-  
25          timidate, assault, or injure a person.

1           “(5) DISTRIBUTION TO PERSONS UNDER TWEN-  
2           TY-ONE.—The offense, or a continuing criminal en-  
3           terprise of which the offense was a part, involved  
4           conduct proscribed by section 418 of the Controlled  
5           Substances Act which was committed directly by the  
6           defendant or for which the defendant would be liable  
7           under section 2 of this title.

8           “(6) DISTRIBUTION NEAR SCHOOLS.—The of-  
9           fense, or a continuing criminal enterprise of which  
10          the offense was a part, involved conduct proscribed  
11          by section 419 of the Controlled Substances Act  
12          which was committed directly by the defendant or  
13          for which the defendant would be liable under sec-  
14          tion 2 of this title.

15          “(7) USING MINORS IN TRAFFICKING.—The of-  
16          fense, or a continuing criminal enterprise of which  
17          the offense was a part, involved conduct proscribed  
18          by section 420 of the Controlled Substances Act  
19          which was committed directly by the defendant or  
20          for which the defendant would be liable under sec-  
21          tion 2 of this title.

22          “(8) LETHAL ADULTERANT.—The offense in-  
23          volved the importation, manufacture, or distribution  
24          of a controlled substance (as defined in section 102  
25          of the Controlled Substances Act (21 U.S.C. 802)),

1 mixed with a potentially lethal adulterant, and the  
2 defendant was aware of the presence of the  
3 adulterant. The jury, or if there is no jury, the  
4 court, may consider whether any other aggravating  
5 factor exists.

6 **“§ 3593. Special hearing to determine whether a sen-**  
7 **tence of death is justified**

8 “(a) NOTICE BY THE GOVERNMENT.—Whenever the  
9 Government intends to seek the death penalty for an of-  
10 fense described in section 3591, the attorney for the Gov-  
11 ernment, a reasonable time before the trial, or before ac-  
12 ceptance by the court of a plea of guilty, or at such time  
13 thereafter as the court may permit upon a showing of good  
14 cause, shall sign and file with the court, and serve on the  
15 defendant, a notice that the Government in the event of  
16 conviction will seek the sentence of death. The notice shall  
17 set forth the aggravating factor or factors enumerated in  
18 section 3592, and any other aggravating factor not specifi-  
19 cally enumerated in section 3592, that the Government,  
20 if the defendant is convicted, will seek to prove as the basis  
21 for the death penalty. The factors for which notice is pro-  
22 vided under this subsection may include factors concerning  
23 the effect of the offense on the victim and the victim’s  
24 family. The court may permit the attorney for the Govern-  
25 ment to amend the notice upon a showing of good cause.

1       “(b) HEARING BEFORE A COURT OR JURY.—When  
2 the attorney for the Government has filed a notice as re-  
3 quired under subsection (a) and the defendant is found  
4 guilty of an offense described in section 3591, the judge  
5 who presided at the trial or before whom the guilty plea  
6 was entered, or another judge if that judge is unavailable,  
7 shall conduct a separate sentencing hearing to determine  
8 the punishment to be imposed. Prior to such a hearing,  
9 no presentence report shall be prepared by the United  
10 States Probation Service, notwithstanding the provisions  
11 of the Federal Rules of Criminal Procedure. The hearing  
12 shall be conducted—

13               “(1) before the jury that determined the de-  
14 fendant’s guilt;

15               “(2) before a jury impaneled for the purpose of  
16 the hearing if—

17                       “(A) the defendant was convicted upon a  
18 plea of guilty;

19                       “(B) the defendant was convicted after a  
20 trial before the court sitting without a jury;

21                       “(C) the jury that determined the defend-  
22 ant’s guilt was discharged for good cause; or

23                       “(D) after initial imposition of a sentence  
24 under this section, reconsideration of the sen-  
25 tence under the section is necessary; or

1           “(3) before the court alone, upon motion of the  
2           defendant and with the approval of the attorney for  
3           the Government.

4 A jury impaneled pursuant to paragraph (2) shall consist  
5 of twelve members, unless, at any time before the conclu-  
6 sion of the hearing, the parties stipulate, with the approval  
7 of the court, that it shall consist of a lesser number.

8           “(c) PROOF OF MITIGATING AND AGGRAVATING FAC-  
9 TORS.—At the hearing, information may be presented as  
10 to—

11           “(1) any matter relating to any mitigating fac-  
12 tor listed in section 3592 and any other mitigating  
13 factor; and

14           “(2) any matter relating to any aggravating  
15 factor listed in section 3592 for which notice has  
16 been provided under subsection (a) and (if informa-  
17 tion is presented relating to such a listed factor) any  
18 other aggravating factor for which notice has been  
19 so provided.

20 The information presented may include the trial transcript  
21 and exhibits. Any other information relevant to such miti-  
22 gating or aggravating factors may be presented by either  
23 the Government or the defendant, regardless of its admis-  
24 sibility under the rules governing admission of evidence  
25 at criminal trials, except that information may be excluded

1 if its probative value is outweighed by the danger of creat-  
2 ing unfair prejudice, confusing the issues, or misleading  
3 the jury. The attorney for the Government and for the  
4 defendant shall be permitted to rebut any information re-  
5 ceived at the hearing, and shall be given fair opportunity  
6 to present argument as to the adequacy of the information  
7 to establish the existence of any aggravating or mitigating  
8 factor, and as to the appropriateness in that case of im-  
9 posing a sentence of death. The attorney for the Govern-  
10 ment shall open the argument. The defendant shall be per-  
11 mitted to reply. The Government shall then be permitted  
12 to reply in rebuttal. The burden of establishing the exist-  
13 ence of an aggravating factor is on the Government, and  
14 is not satisfied unless the existence of such a factor is es-  
15 tablished beyond a reasonable doubt. The burden of estab-  
16 lishing the existence of any mitigating factor is on the de-  
17 fendant, and is not satisfied unless the existence of such  
18 a factor is established by a preponderance of the evidence.

19       “(d) RETURN OF SPECIAL FINDINGS.—The jury, or  
20 if there is no jury, the court, shall consider all the informa-  
21 tion received during the hearing. It shall return special  
22 findings identifying any aggravating factor or factors set  
23 forth in section 3592 found to exist and any other aggra-  
24 vating factor for which notice has been provided under  
25 subsection (a) found to exist. A finding with respect to

1 a mitigating factor may be made by one or more members  
2 of the jury, and any member of the jury who finds the  
3 existence of a mitigating factor may consider such factor  
4 established for purposes of this section regardless of the  
5 number of jurors who concur that the factor has been es-  
6 tablished. A finding with respect to any aggravating factor  
7 must be unanimous. If no aggravating factor set forth in  
8 section 3592 is found to exist, the court shall impose a  
9 sentence other than death authorized by law.

10 “(e) RETURN OF A FINDING CONCERNING A SEN-  
11 TENCE OF DEATH.—If, in the case of—

12 “(1) an offense described in section 3591(1), an  
13 aggravating factor required to be considered under  
14 section 3592(b) is found to exist;

15 “(2) an offense described in section 3591(2) or  
16 (6), an aggravating factor required to be considered  
17 under section 3592(c) is found to exist; or

18 “(3) an offense described in section 3591(3)–  
19 (5), an aggravating factor required to be considered  
20 under section 3592(d) is found to exist;

21 the jury, or if there is no jury, the court, shall then con-  
22 sider whether the aggravating factor or factors found to  
23 exist under subsection (d) outweigh any mitigating factor  
24 or factors. The jury, or if there is no jury, the court, shall  
25 recommend a sentence of death if it unanimously finds at

1 least one aggravating factor and no mitigating factor or  
2 if it finds one or more aggravating factors which outweigh  
3 any mitigating factors. In any other case, it shall not rec-  
4 ommend a sentence of death. The jury shall be instructed  
5 that it must avoid any influence of sympathy, sentiment,  
6 passion, prejudice, or other arbitrary factors in its deci-  
7 sion, and should make such a recommendation as the in-  
8 formation warrants.

9       “(f) SPECIAL PRECAUTION TO ASSURE AGAINST DIS-  
10 CRIMINATION.—In a hearing held before a jury, the court,  
11 prior to the return of a finding under subsection (e), shall  
12 instruct the jury that, in considering whether a sentence  
13 of death is justified, it shall not be influenced by prejudice  
14 or bias relating to the race, color, religion, national origin,  
15 or sex of the defendant or of any victim and that the jury  
16 is not to recommend a sentence of death unless it has con-  
17 cluded that it would recommend a sentence of death for  
18 the crime in question no matter what the race, color, reli-  
19 gion, national origin, or sex of the defendant or of any  
20 victim may be. The jury, upon return of a finding under  
21 subsection (e), shall also return to the court a certificate,  
22 signed by each juror, that prejudice or bias relating to the  
23 race, color, religion, national origin, or sex of the defend-  
24 ant or any victim was not involved in reaching his or her  
25 individual decision and that the individual juror would

1 have made the same recommendation regarding a sentence  
2 for the crime in question no matter what the race, color,  
3 religion, national origin, or sex of the defendant or any  
4 victim may be.

5 **“§ 3594. Imposition of a sentence of death**

6 “Upon the recommendation under section 3593(e)  
7 that a sentence of death be imposed, the court shall sen-  
8 tence the defendant to death. Otherwise the court shall  
9 impose a sentence, other than death, authorized by law.  
10 Notwithstanding any other provision of law, if the maxi-  
11 mum term of imprisonment for the offense is life imprison-  
12 ment, the court may impose a sentence of life imprison-  
13 ment without the possibility of release.

14 **“§ 3595. Review of a sentence of death**

15 “(a) APPEAL.—In a case in which a sentence of death  
16 is imposed, the sentence shall be subject to review by the  
17 court of appeals upon appeal by the defendant. Notice of  
18 appeal of the sentence must be filed within the time speci-  
19 fied for the filing of a notice of appeal of the judgment  
20 of conviction. An appeal of the sentence under this section  
21 may be consolidated with an appeal of the judgment of  
22 conviction and shall have priority over all other cases.

23 “(b) REVIEW.—The court of appeals shall review the  
24 entire record in the case, including—

25 “(1) the evidence submitted during the trial;

1           “(2) the information submitted during the sen-  
2           tencing hearing;

3           “(3) the procedures employed in the sentencing  
4           hearing; and

5           “(4) the special findings returned under section  
6           3593(d).

7           “(c) DECISION AND DISPOSITION.—

8           “(1) If the court of appeals determines that—

9                   “(A) the sentence of death was not im-  
10                  posed under the influence of passion, prejudice,  
11                  or any other arbitrary factor;

12                   “(B) the evidence and information support  
13                  the special findings of the existence of an ag-  
14                  gravating factor or factors; and

15                   “(C) the proceedings did not involve any  
16                  other prejudicial error requiring reversal of the  
17                  sentence that was properly preserved for and  
18                  raised on appeal;

19           it shall affirm the sentence.

20           “(2) In any other case, the court of appeals  
21           shall remand the case for reconsideration under sec-  
22           tion 3593 or for imposition of another authorized  
23           sentence as appropriate.

1           “(3) The court of appeals shall state in writing  
2           the reasons for its disposition of an appeal of a sen-  
3           tence of death under this section.

4   **“§ 3596. Implementation of a sentence of death**

5           “(a) IN GENERAL.—A person who has been sen-  
6           tenced to death pursuant to the provisions of this chapter  
7           shall be committed to the custody of the Attorney General  
8           until exhaustion of the procedures for appeal of the judg-  
9           ment of conviction and for review of the sentence. When  
10          the sentence is to be implemented, the Attorney General  
11          shall release the person sentenced to death to the custody  
12          of a United States Marshal, who shall supervise implemen-  
13          tation of the sentence in the manner prescribed by the law  
14          of the State in which the sentence is imposed. If the law  
15          of such State does not provide for implementation of a  
16          sentence of death, the court shall designate another State,  
17          the law of which does so provide, and the sentence shall  
18          be implemented in the manner prescribed by such law.

19          “(b) SPECIAL BARS TO EXECUTION.—A sentence of  
20          death shall not be carried out upon a person who lacks  
21          the mental capacity to understand the death penalty and  
22          why it was imposed on that person, or upon a woman while  
23          she is pregnant.

24          “(c) EMPLOYEES MAY DECLINE TO PARTICIPATE.—  
25          No employee of any State department of corrections, the

1 Federal Bureau of Prisons, or the United States Marshals  
2 Service, and no employee providing services to that depart-  
3 ment, bureau, or service under contract shall be required,  
4 as a condition of that employment or contractual obliga-  
5 tion, to be in attendance at or to participate in any execu-  
6 tion carried out under this section if such participation  
7 is contrary to the moral or religious convictions of the em-  
8 ployee. For purposes of this subsection, the term ‘partici-  
9 pate in any execution’ includes personal preparation of the  
10 condemned individual and the apparatus used for the exe-  
11 cution, and supervision of the activities of other personnel  
12 in carrying out such activities.

13 **“§ 3597. Use of State facilities**

14 “A United States Marshal charged with supervising  
15 the implementation of a sentence of death may use appro-  
16 priate State or local facilities for the purpose, may use  
17 the services of an appropriate State or local official or of  
18 a person such an official employs for the purpose, and  
19 shall pay the costs thereof in an amount approved by the  
20 Attorney General.

21 **“§ 3598. Appointment of counsel**

22 “(a) REPRESENTATION OF INDIGENT DEFEND-  
23 ANTS.—Notwithstanding any other provision of law, this  
24 section shall govern the appointment of counsel for any  
25 defendant against whom a sentence of death is sought,

1 or on whom a sentence of death has been imposed, for  
2 an offense against the United States, where the defendant  
3 is or becomes financially unable to obtain adequate rep-  
4 resentation. Such a defendant shall be entitled to appoint-  
5 ment of counsel from the commencement of trial proceed-  
6 ings until one of the conditions specified in section  
7 3599(b) of this title has occurred.

8       “(b) REPRESENTATION BEFORE FINALITY OF JUDG-  
9 MENT.—A defendant within the scope of this section shall  
10 have counsel appointed for trial representation as provided  
11 in section 3005 of this title. At least one counsel so ap-  
12 pointed shall continue to represent the defendant until the  
13 conclusion of direct review of the judgment, unless re-  
14 placed by the court with other qualified counsel.

15       “(c) REPRESENTATION AFTER FINALITY OF JUDG-  
16 MENT.—When a judgment imposing a sentence of death  
17 has become final through affirmance by the Supreme  
18 Court on direct review, denial of certiorari by the Supreme  
19 Court on direct review, or expiration of the time for seek-  
20 ing direct review in the court of appeals or the Supreme  
21 Court, the Government shall promptly notify the district  
22 court that imposed the sentence. Within ten days of re-  
23 ceipt of such notice, the district court shall proceed to  
24 make a determination whether the defendant is eligible  
25 under this section for appointment of counsel for subse-

1 quent proceedings. On the basis of the determination, the  
2 court shall issue an order—

3 “(1) appointing one or more counsel to rep-  
4 resent the defendant upon a finding that the defend-  
5 ant is financially unable to obtain adequate rep-  
6 resentation and wishes to have counsel appointed or  
7 is unable competently to decide whether to accept or  
8 reject appointment of counsel;

9 “(2) finding, after a hearing if necessary, that  
10 the defendant rejected appointment of counsel and  
11 made the decision with an understanding of its legal  
12 consequences; or

13 “(3) denying the appointment of counsel upon  
14 a finding that the defendant is financially able to ob-  
15 tain adequate representation.

16 Counsel appointed pursuant to this subsection shall be dif-  
17 ferent from the counsel who represented the defendant at  
18 trial and on direct review unless the defendant and counsel  
19 request a continuation or renewal of the earlier represen-  
20 tation.

21 “(d) STANDARDS FOR COMPETENCE OF COUNSEL.—  
22 In relation to a defendant who is entitled to appointment  
23 of counsel under this section, at least one counsel ap-  
24 pointed for trial representation must have been admitted  
25 to the bar for at least five years and have at least three

1 years of experience in the trial of felony cases in the fed-  
2 eral district courts. If new counsel is appointed after judg-  
3 ment, at least one counsel so appointed must have been  
4 admitted to the bar for at least five years and have at  
5 least three years of experience in the litigation of felony  
6 cases in the Federal courts of appeals or the Supreme  
7 Court. The court, for good cause, may appoint counsel  
8 who does not meet these standards, but whose back-  
9 ground, knowledge, or experience would otherwise enable  
10 him or her to properly represent the defendant, with due  
11 consideration of the seriousness of the penalty and the na-  
12 ture of the litigation.

13       “(e) APPLICABILITY OF CRIMINAL JUSTICE ACT.—  
14 Except as otherwise provided in this section, the provisions  
15 of section 3006A of this title shall apply to appointments  
16 under this section.

17       “(f) CLAIMS OF INEFFECTIVENESS OF COUNSEL.—  
18 The ineffectiveness or incompetence of counsel during pro-  
19 ceedings on a motion under section 2255 of title 28 in  
20 a capital case shall not be a ground for relief from the  
21 judgment or sentence in any proceeding. This limitation  
22 shall not preclude the appointment of different counsel at  
23 any stage of the proceedings.

1 **“§ 3599. Collateral Attack on Judgment Imposing Sen-**  
2 **tence of Death**

3 “(a) TIME FOR MAKING SECTION 2255 MOTION.—  
4 In a case in which sentence of death has been imposed,  
5 and the judgment has become final as described in section  
6 3598(c) of this title, a motion in the case under section  
7 2255 of title 28, United States Code, must be filed within  
8 ninety days of the issuance of the order relating to ap-  
9 pointment of counsel under section 3598(c) of this title.  
10 The court in which the motion is filed, for good cause  
11 shown, may extend the time for filing for a period not  
12 exceeding sixty days. A motion described in this section  
13 shall have priority over all noncapital matters in the dis-  
14 trict court, and in the court of appeals on review of the  
15 district court’s decision.

16 “(b) STAY OF EXECUTION.—The execution of a sen-  
17 tence of death shall be stayed in the course of direct review  
18 of the judgment and during the litigation of an initial mo-  
19 tion in the case under section 2255 of title 28, United  
20 States Code. The stay shall run continuously following im-  
21 position of the sentence, and shall expire if—

22 “(1) the defendant fails to file a motion under  
23 section 2255 of title 28, United States Code, within  
24 the time specified in subsection (a), or fails to make  
25 a timely application for court of appeals review fol-

1       lowing the denial of such motion by a district court;  
2       or

3               “(2) upon completion of district court and court  
4       of appeals review under section 2255 of title 28,  
5       United States Code, the motion under that section  
6       is denied and (A) the time for filing a petition for  
7       certiorari has expired and no petition has been filed;  
8       (B) a timely petition for certiorari was filed and the  
9       Supreme Court denied the petition; or (C) a timely  
10      petition for certiorari was filed and upon consider-  
11      ation of the case, the Supreme Court disposed of it  
12      in a manner that left the capital sentence undis-  
13      turbed; or

14              “(3) before a district court, in the presence of  
15      counsel and after having been advised of the con-  
16      sequences of his decision, the defendant waives the  
17      right to file a motion under section 2255 of title 28,  
18      United States Code.

19              “(c) FINALITY OF THE DECISION ON REVIEW.—If  
20      one of the conditions specified in subsection (b) has oc-  
21      curred, no court thereafter shall have the authority to  
22      enter a stay of execution or grant relief in the case un-  
23      less—

24              “(1) the basis for the stay and request for relief  
25      is a claim not presented in earlier proceedings;

1           “(2) the failure to raise the claim was (A) the  
 2 result of governmental action in violation of the Con-  
 3 stitution or laws of the United States; (B) the result  
 4 of the Supreme Court recognition of a new Federal  
 5 right that is retroactively applicable; or (C) based on  
 6 a factual predicate that could not have been discov-  
 7 ered through the exercise of reasonable diligence in  
 8 time to present the claim in earlier proceedings; and

9           “(3) the facts underlying the claim would be  
 10 sufficient, if proven, to undermine the court’s con-  
 11 fidence in the determination of guilt on the offense  
 12 or offenses for which the death penalty was im-  
 13 posed.”; and

14           (2) in the table of chapters at the beginning of  
 15 part II, by adding the following new item after the  
 16 item relating to chapter 227:

**“228. Death penalty procedures ..... 3591”.**

17 **SEC. 103. CONFORMING AMENDMENT RELATING TO DE-**

 21 amended by changing the comma after the words “impris-  
 22 onment for life” to a period and deleting the remainder  
 23 of the section.

1 **SEC. 104. CONFORMING AMENDMENT RELATING TO ESPIO-**

7 posed unless the jury or, if there is no jury, the court,  
8 further finds beyond a reasonable doubt at a hearing  
9 under section 3593 of this title that the offense directly  
10 concerned nuclear weaponry, military spacecraft and sat-  
11 ellites, early warning systems, or other means of defense  
12 or retaliation against large-scale attack; war plans; com-  
13 munications intelligence or cryptographic information;  
14 sources or methods of intelligence or counterintelligence  
15 operations; or any other major weapons system or major  
16 element of defense strategy.”.

7 is filed in the Federal district court that would have  
8 proper jurisdiction over the case upon the filing of  
9 a habeas corpus petition under section 2254; and  
10 (B) a showing of good cause is made for the failure  
11 to file the habeas corpus petition within the time  
12 period established by this section.

13 **“§ 2259. Evidentiary hearings; scope of Federal re-**  
14 **view; district court adjudication**

15 “(a) Whenever a State prisoner under a capital sen-  
16 tence files a petition for habeas corpus relief to which this  
17 chapter applies, the district court shall:

18 “(1) determine the sufficiency of the record for  
19 habeas corpus review based on the claims actually  
20 presented and litigated in the State courts except  
21 when the prisoner can show that the failure to raise  
22 or develop a claim in the State courts is (A) the re-  
23 sult of State action in violation of the Constitution  
24 or laws of the United States; (B) the result of the  
25 Supreme Court recognition of a new Federal right

1 that is retroactively applicable; or (C) based on a  
2 factual predicate that could not have been discovered  
3 through the exercise of reasonable diligence in time  
4 to present the claim for State postconviction review;  
5 and

6 “(2) conduct any requested evidentiary hearing  
7 necessary to complete the record for habeas corpus  
8 review.

9 “(b) Upon the development of a complete evidentiary  
10 record, the district court shall rule on the claims that are  
11 properly before it, but the court shall not grant relief from  
12 a judgment of conviction or sentence on the basis of any  
13 claim that was fully and fairly adjudicated in State  
14 proceedings.

15 **“§ 2260. Certificate of probable cause inapplicable**

16 “The requirement of a certificate of probable cause  
17 in order to appeal from the district court to the court of  
18 appeals does not apply to habeas corpus cases subject to  
19 the provisions of this chapter except when a second or suc-  
20 cessive petition is filed.

21 **“§ 2261. Application to state unitary review proce-  
22 dure**

23 “(a) For purposes of this section, a “unitary review”  
24 procedure means a State procedure that authorizes a per-  
25 son under sentence of death to raise, in the course of di-

1 rect review of the judgment, such claims as could be raised  
2 on collateral attack. The provisions of this chapter shall  
3 apply, as provided in this section, in relation to a State  
4 unitary review procedure if the State establishes by rule  
5 of its court of last resort or by statute a mechanism for  
6 the appointment, compensation and payment of reasonable  
7 litigation expenses of competent counsel in the unitary re-  
8 view proceedings, including expenses relating to the litiga-  
9 tion of collateral claims in the proceedings. The rule of  
10 court or statute must provide standards of competency for  
11 the appointment of such counsel.

12       “(b) A unitary review procedure, to qualify under this  
13 section, must include an offer of counsel following trial  
14 for the purpose of representation on unitary review, and  
15 the appointment of counsel under section 2256(c), or waiv-  
16 er or denial of appointment of counsel for that purpose.  
17 No counsel appointed to represent the prisoner in the uni-  
18 tary review proceedings shall have previously represented  
19 the prisoner at trial in the case for which the appointment  
20 is made unless the prisoner and counsel expressly request  
21 continued representation.

22       “(c) The provision of sections 2257, 2258, 2259,  
23 2260, and 2262 shall apply in relation to cases involving  
24 a sentence of death from any State having a unitary re-  
25 view procedure that qualifies under this section. Ref-

1 references to State ‘post-conviction review’ and ‘direct review’  
2 in those sections shall be understood as referring to uni-  
3 tary review under the State procedure. The references in  
4 sections 2257(a) and 2258 to ‘an order under section  
5 2256(c)’ shall be understood as referring to the post-trial  
6 order under subsection (b) concerning representation in  
7 the unitary review proceedings, but if a transcript of the  
8 trial proceedings is unavailable at the time of the filing  
9 of such an order in the appropriate State court, then the  
10 start of the one hundred and eighty day limitation period  
11 under section 2258 shall be deferred until a transcript is  
12 made available to the prisoner or his counsel.

13 **“§ 2262. Limitation periods for determining petitions**

14       “(a) The adjudication of any petition under section  
15 2254 of title 28, United States Code, that is subject to  
16 this chapter, and the adjudication of any motion under  
17 section 2255 of title 28, United States Code, by a person  
18 under sentence of death, shall be given priority by the dis-  
19 trict court and by the court of appeals over all noncapital  
20 matters. The adjudication of such a petition or motion  
21 shall be subject to the following time limitations:

22               “(1) The district court shall determine such a  
23 petition or motion within one hundred and eighty  
24 days of the filing of the petition or motion.

1           “(2) The court of appeals shall determine an  
2           appeal relating to such a petition or motion within  
3           one hundred and eighty days of the filing of the  
4           record in the court of appeals. If the court of ap-  
5           peals grants en banc consideration, the en banc  
6           court shall determine the appeal within one hundred  
7           and eighty days of the decision to grant such consid-  
8           eration.

9           “(b) The time limitations under subsection (a) shall  
10          apply to an initial petition or motion, and to any second  
11          or successive petition or motion. The same limitations  
12          shall also apply to the re-determination of a petition or  
13          motion or related appeal following a remand by the court  
14          of appeals or the Supreme Court for further proceedings,  
15          and in such a case the limitation period shall run from  
16          the date of the remand.

17          “(c) The time limitations under this section shall not  
18          be construed to entitle a petitioner or movant to a stay  
19          of execution, to which the petitioner or movant would oth-  
20          erwise not be entitled, for the purpose of litigating any  
21          petition, motion, or appeal.

22          “(d) the failure of a court to meet or comply with  
23          the time limitations under this section shall not be a  
24          ground for granting relief from a judgment of conviction  
25          or sentence. The State or Government may enforce the

1 time limitations under this section by applying to the court  
2 of appeals or the Supreme Court for a writ of mandamus.

3 **“§ 2263. Rule of construction**

6                               **INCLUDED IN SPECIAL MARITIME AND TER-**  
7                               **RITORIAL JURISDICTION.**

8       The Congress hereby declares that all the territorial  
9       sea of the United States, as defined by Presidential Proc-  
10      lamation 5928 of December 27, 1988, is part of the Unit-  
11      ed States, subject to its sovereignty, and, for purposes of

18      to the adoption of State laws for areas within Federal ju-

22 **Subtitle C—Terrorist Alien Removal**

23 **SEC. 721. SHORT TITLE FOR SUBTITLE C.**

24 This subtitle may be cited as the “Terrorist Alien Re-  
25 moval Act of 1993”.

1 **SEC. 722. FINDINGS.**

2 The Congress finds the following:

3 (1) Terrorist groups have been able to create  
4 significant infrastructures and cells in the United  
5 States among persons who are in the United States  
6 either temporarily, as students or in other capacities,  
7 or as permanent resident aliens.

8 (2) International terrorist groups that sponsor  
9 these infrastructures were responsible for—

10 (A) conspiring to bomb the Turkish Hon-  
11 orary Consulate in Philadelphia, Pennsylvania  
12 in 1982;

13 (B) bombing of a Pan Am airline flight  
14 enroute to Honolulu in 1982;

15 (C) hijacking of a Royal Jordanian airliner  
16 in Beirut, Lebanon with two United States na-  
17 tionals on board in 1985;

18 (D) hijacking TWA Flight 847 during  
19 which a United States Navy diver was mur-  
20 dered in 1985;

21 (E) hijacking Egypt Air Flight 648 during  
22 which three Americans were killed in 1985;

23 (F) murder of four members of the United  
24 States Marine Corps in El Salvador in 1985;

25 (G) murdering an American citizen aboard  
26 the Achille Lauro cruise liner in 1985;

1 (H) hijacking Pan Am Flight 73 in Kara-  
2 chi, Pakistan, in which 44 Americans were held  
3 hostage and two were killed in 1986;

4 (I) conspiring to bomb an Air India air-  
5 craft in New York City in 1986;

6 (J) attempting to bomb the Air Canada  
7 cargo facility at the Los Angeles International  
8 Airport in 1986;

9 (K) murder of the United States Naval  
10 attaché in Athens, Greece, in 1988;

11 (L) terrorist attack on the Greek cruise  
12 ship "City of Poros" in 1988;

13 (M) bombing of Pan Am flight 103 result-  
14 ing in 279 deaths in 1988;

15 (N) murder of United States Marine Corps  
16 officers assigned to the United Nations Truce  
17 Supervisory Organization in Lebanon, in 1989;

18 (O) murder of United States Army officer  
19 in Manila in 1984; and

20 (P) numerous bombings and murders in  
21 Northern Ireland over the past decade.

22 (3) Certain governments and organizations have  
23 directed their assets in the United States to take  
24 measures in preparation for the commission of ter-  
25 rorist acts in this country.

1           (4) Present immigration laws have not been  
2 used to any significant degree by law enforcement  
3 officials to deport alien terrorists because compliance  
4 with these laws with respect to such aliens would  
5 compromise classified intelligence sources and infor-  
6 mation. Moreover, appellate procedures routinely af-  
7 farded aliens following a deportation hearing fre-  
8 quently extend over several years resulting in an in-  
9 ability to effect the expeditious removal of aliens en-  
10 gaging in terrorist activity.

11           (5) Present immigration laws are inadequate to  
12 protect the national security of the United States  
13 from terrorist attacks by certain aliens. Therefore,  
14 new procedures are needed to remove alien terrorists  
15 from the United States and thus reduce the threat  
16 that such aliens pose to the national security and  
17 other vital interests of the United States.

18 **SEC. 723. TERRORIST ACTIVITIES DEFINED.**

19           For purposes of this Act, the terms, “terrorist activ-  
20 ity” and “engage in terrorist activity shall be defined as  
21 provided in section 601(a) of Public Law 101–649.

22 **SEC. 724. PROCEDURES FOR REMOVAL OF ALIEN TERROR-**  
23 **ISTS.**

24           The Immigration and Nationality Act is amended—

1 (1) by adding at the end of the table of con-  
2 tents the following:

“TITLE V—REMOVAL OF ALIEN TERRORISTS

“Sec. 501. Applicability

“Sec. 502. Special removal hearing

“Sec. 503. Designation of judges

“Sec. 504. Miscellaneous provisions”; and

3 (2) by adding at the end the following new title:

4 **“TITLE V—REMOVAL OF ALIEN**  
5 **TERRORISTS**

6 “APPLICABILITY

7 “SEC. 501. (a) The provisions of this title may be  
8 followed in the discretion of the Department of Justice  
9 whenever the Department of Justice has information that  
10 an alien described in paragraph 4(B) of section 241(a),  
11 as amended, is subject to deportation because of such  
12 section.

13 “(b) Whenever an official of the Department of Jus-  
14 tice files, under section 502, an application with the court  
15 established under section 503 for authorization to seek re-  
16 moval pursuant to the provision of this title, the alien’s  
17 rights regarding removal and expulsion shall be governed  
18 solely by the provisions of this title. Except as they are  
19 specifically referenced, no other provisions of the Immigra-  
20 tion and Nationality Act shall be applicable. An alien sub-  
21 ject to removal under these provisions shall have no right  
22 of discovery of information derived from electronic surveil-

1 lance authorized under the Foreign Intelligence Surveil-  
2 lance Act or otherwise for national security purposes, nor  
3 shall such alien have the right to seek suppression of evi-  
4 dence derived in this manner. Further, the government is  
5 authorized to use, in the removal proceedings, the fruits  
6 of electronic surveillance authorized under the Foreign In-  
7 telligence Surveillance Act without regard to subsections  
8 106 (c), (e), (f), (g), and (h) of the Act.

9 “(c) This title is enacted in response to findings of  
10 Congress that aliens described in paragraph 4(b) of sec-  
11 tion 241(a), as amended, represent a unique threat to the  
12 security of the United States. It is the intention of Con-  
13 gress that such aliens be promptly removed from the  
14 United States following—

15 “(1) a judicial determination of probable cause  
16 to believe that such person is such an alien; and

17 “(2) a judicial determination pursuant to the  
18 provisions of this title that an alien is removable on  
19 the grounds that he is an alien described in para-  
20 graph 4(B) of section 241(a), as amended;

21 and that such aliens not be given a deportation hearing  
22 and are ineligible for any discretionary relief from deporta-  
23 tion and for relief under section 243(h).

24 “SPECIAL REMOVAL HEARING

25 “SEC. 502. (a) Whenever removal of an alien is  
26 sought pursuant to the provisions of this title, a written

1 application upon oath or affirmation shall be submitted  
2 in camera and ex parte to the court established under sec-  
3 tion 503 for an order authorizing such a procedure. Each  
4 application shall require the approval of the Attorney Gen-  
5 eral or the Deputy Attorney General based upon his find-  
6 ing that it satisfies the criteria and requirement of such  
7 application as set forth in this title. Each application shall  
8 include—

9           “(1) the identity of the Department of Justice  
10 attorney making the application;

11           “(2) the approval of the Attorney General or  
12 the Deputy Attorney General for the making of the  
13 application;

14           “(3) the identity of the alien for whom author-  
15 ization for the special removal procedure is sought;  
16 and

17           “(4) a statement of the facts and circumstances  
18 relied on by the Department of Justice to establish  
19 that—

20                   “(A) an alien as described in paragraph  
21 4(B) of section 2411(a), as amended, is phys-  
22 ically present in the United States; and

23                   “(B) with respect to such alien, adherence  
24 to the provisions of title II regarding the depor-  
25 tation of aliens would pose a risk to the na-

1           tional security of the United States, adversely  
2           affect foreign relations, reveal an investigative  
3           technique important to efficient law enforce-  
4           ment, or disclose a confidential source of infor-  
5           mation.

6           “(b) The application shall be filed under seal with  
7           the court established under section 503. The Attorney  
8           General may take into custody any alien with respect to  
9           whom such an application has been filed and, notwith-  
10          standing any other provision of law, may retain such an  
11          alien in custody in accordance with the procedures author-  
12          ized by this title.

13          “(c) In accordance with the rules of the court estab-  
14          lished under section 503, the judge shall consider the ap-  
15          plication and may consider other information presented  
16          under oath or affirmation at an in camera and ex parte  
17          hearing on the application. A verbatim record shall be  
18          maintained of such a hearing. The application and any  
19          other evidence shall be considered by a single judge of that  
20          court who shall enter an ex parte order as required if he  
21          finds, on the basis of the facts submitted in the application  
22          and any other information provided by the Department  
23          of Justice at the in camera and ex parte hearing, there  
24          is probable cause to believe that—

1           “(1) the alien who is the subject of the applica-  
2           tion has been correctly identified and is an alien as  
3           described in paragraph 4(B) of section 241(a), as  
4           amended; and

5           “(2) adherence to the provisions of title II re-  
6           garding the deportation of the identified alien would  
7           pose a risk to the national security of the United  
8           States, adversely affect foreign relations, reveal an  
9           investigative technique important to efficient law en-  
10          forcement, or disclose a confidential source of infor-  
11          mation.

12          “(d)(1) In any case in which the application for the  
13          order is denied, the judge shall prepare a written state-  
14          ment of his reasons for the denial and the Department  
15          of Justice may seek a review of the denial by the court  
16          of appeals for the Federal Circuit by notice of appeal  
17          which must be filed within 20 days. In such a case the  
18          entire record of the proceeding shall be transmitted to the  
19          court of appeals under seal and the Court of Appeals shall  
20          hear the matter ex parte.

21          “(2) If the Department of Justice does not seek re-  
22          view, the alien shall be released from custody, unless such  
23          alien may be arrested and taken into custody pursuant  
24          to title II as an alien subject to deportation, in which case

1 such alien shall be treated in accordance with the provi-  
2 sions of this Act concerning the deportation of aliens.

3       “(3) If the application for the order is denied because  
4 the judge has not found probable cause to believe that the  
5 alien who is the subject of the application has been cor-  
6 rectly identified or is an alien as described in paragraph  
7 4(B) of section 241(a), as amended, and the Department  
8 of Justice seeks review, the alien shall be released from  
9 custody unless such alien may be arrested and taken into  
10 custody pursuant to title II as an alien subject to deporta-  
11 tion, in which case such alien shall be treated in accord-  
12 ance with the provisions of this Act concerning the depor-  
13 tation of aliens simultaneously with the application of this  
14 title.

15       “(4) If the application for the order is denied be-  
16 cause, although the judge found probable cause to believe  
17 that the alien who is the subject of the application has  
18 been correctly identified and is an alien as described in  
19 paragraph 4(B) of section 241(a), as amended, the judge  
20 has found that there is not probable cause to believe that  
21 adherence to the provisions of title II regarding the depor-  
22 tation of the identified alien would pose a risk to the na-  
23 tional security of the United States, adversely affect for-  
24 eign relations, reveal an investigative technique important  
25 to efficient law enforcement, or disclose a confidential

1 source of information, the judge shall release the alien  
2 from custody subject to the least restrictive condition or  
3 combination of conditions of release described in section  
4 3142(b) and (c)(1)(B)(i) through (xiv) of title 18, United  
5 States Code, that will reasonably assure the appearance  
6 of the alien at any future proceeding pursuant to this title  
7 and will not endanger the safety of any other person or  
8 the community; but if the judge finds no such condition  
9 or combination of conditions the alien shall remain in cus-  
10 tody until the completion of any appeal authorized by this  
11 title. The provisions of sections 3145 through 3148 of title  
12 18, United States Code, pertaining to review and appeal  
13 of a release or detention order, penalties for failure to ap-  
14 pear, penalties for an offense committed while on release,  
15 and sanctions for violation of a release condition shall  
16 apply to an alien to whom the previous sentence applies  
17 and—

18           “(A) for purposes of section 3145 of such title  
19           an appeal shall be taken to the Court of Appeals for  
20           the Federal Circuit; and

21           “(B) for purposes of section 3146 of such title  
22           the alien shall be considered released in connection  
23           with a charge of an offense punishable by life im-  
24           prisonment.

1       “(e)(1) In any case in which the application for the  
2 order authorizing the special procedures of this title is ap-  
3 proved, the judge who granted the order shall consider  
4 separately each item of evidence the Department of Jus-  
5 tice proposes to introduce in camera and ex parte at the  
6 special removal hearing. The judge shall authorize the in-  
7 troduction in camera and ex parte of any item of evidence  
8 for which the judge determines that the introduction other  
9 than in camera and ex parte would pose a risk to the na-  
10 tional security of the United States, adversely affect for-  
11 eign relations, reveal an investigative technique important  
12 to efficient law enforcement, or disclose a confidential  
13 source of information. With respect to any evidence which  
14 the judge authorizes to be introduced in camera and ex  
15 parte, the judge shall cause to be prepared and shall sign,  
16 and the Department of Justice shall cause to be delivered  
17 to the alien, either—

18           “(A) a written summary which shall be suffi-  
19 cient to inform the alien of the general nature of the  
20 evidence that he is an alien as described in para-  
21 graph 4(b) of section 241(a), as amended, and to  
22 permit the alien to marshal the facts and prepare a  
23 defense, but which shall not pose a risk to national  
24 security, adversely affect foreign relations, reveal an  
25 investigative technique important to efficient law en-

1       forcement, or disclose a confidential source of infor-  
2       mation; or

3               “(B) if necessary to prevent serious harm to the  
4       national security or death or serious bodily injury to  
5       any person, a statement informing the alien that no  
6       such summary is possible.

7       “(2) The Department of Justice may take an inter-  
8       locutory appeal to the United States Court of Appeals for  
9       the Federal Circuit of any determination by the judge pur-  
10      suant to paragraph (1)—

11              “(A) concerning whether an item of evidence  
12      may be introduced in camera and ex parte;

13              “(B) concerning the contents of any summary  
14      of evidence to be introduced in camera and ex parte  
15      prepared pursuant to paragraph (1)(A); or

16              “(C) concerning whether a summary of evidence  
17      to be introduced in camera and ex parte is possible  
18      pursuant to paragraph (1)(B).

19      In any interlocutory appeal taken pursuant to this para-  
20      graph, the entire record, including any proposed order of  
21      the judge or summary of evidence, shall be transmitted  
22      to the court of appeals under seal and the matter shall  
23      be heard ex parte. The court of appeals shall consider the  
24      appeal as expeditiously as possible.

1       “(f) In any case in which the application for the order  
2 is approved, the special removal hearing authorized by this  
3 section shall be conducted for the purpose of determining  
4 if the alien to whom the order pertains should be removed  
5 from the United States on the grounds that he is an alien  
6 as described in paragraph 4(B) of section 241(a), as  
7 amended. In accordance with subsection (e), the alien shall  
8 be given reasonable notice of the nature of the charges  
9 against him. The alien shall be given notice, reasonable  
10 under all the circumstances, of the time and place at which  
11 the hearing will be held. The hearing shall be held as expe-  
12 ditiously as possible.

13       “(g) The special removal hearing shall be held before  
14 the same judge who granted the order pursuant to sub-  
15 section (e) unless that judge is deemed unavailable due  
16 to illness or disability by the chief judge of the court estab-  
17 lished pursuant to section 503, or has died, in which case  
18 the chief judge shall assign another judge to conduct the  
19 special removal hearing. A decision by the chief judge pur-  
20 suant to the preceding sentence shall not be subject to  
21 review by either the alien or the Department of Justice.

22       “(h) The special removal hearing shall be open to the  
23 public. The alien shall have a right to be present at such  
24 hearing and to be represented by counsel. Any alien finan-  
25 cially unable to obtain counsel shall be entitled to have

1 counsel assigned to represent him. Such counsel shall be  
2 appointed by the judge pursuant to the plan for furnishing  
3 representation for any person financially unable to obtain  
4 adequate representation for the district in which the hear-  
5 ing is conducted, as provided for in section 3006A of title  
6 18, United States Code. All provisions of that section shall  
7 apply and, for purposes of determining the maximum  
8 amount of compensation, the matter shall be treated as  
9 if a felony was charged. The alien may be called as a wit-  
10 ness by the Department of Justice. The alien shall have  
11 a right to introduce evidence on his own behalf. Except  
12 as provided in subsection (j), the alien shall have a reason-  
13 able opportunity to examine the evidence against him and  
14 to cross-examine any witness. A verbatim record of the  
15 proceedings and of all testimony and evidence offered or  
16 produced at such a hearing shall be kept. The decision  
17 of the judge shall be based only on the evidence introduced  
18 at the hearing, including evidence introduced under sub-  
19 section (j).

20       “(i) At any time prior to the conclusion of the special  
21 removal hearing, either the alien or the Department of  
22 Justice may request the judge to issue a subpoena for the  
23 presence of a named witness (which subpoena may also  
24 command the person to whom it is directed to produce  
25 books, papers, documents, or other objects designated

1 therein) upon a satisfactory showing that the presence of  
2 the witness is necessary for the determination of any ma-  
3 terial matter. Such a request may be made ex parte except  
4 that the judge shall inform the Department of Justice of  
5 any request for a subpoena by the alien for a witness or  
6 material if compliance with such a subpoena would reveal  
7 evidence or the source of evidence which has been intro-  
8 duced, or which the Department of Justice has received  
9 permission to introduce, in camera and ex parte pursuant  
10 to subsection (j), and the Department of Justice shall be  
11 given a reasonable opportunity to oppose the issuance of  
12 such a subpoena. If an application for a subpoena by the  
13 alien also makes a showing that the alien is financially  
14 unable to pay for the attendance of a witness so requested,  
15 the court may order the costs incurred by the process and  
16 the fees of the witness so subpoenaed to be paid for from  
17 funds appropriated for the enforcement of title II. A sub-  
18 poena under this subsection may be served anywhere in  
19 the United States. A witness subpoenaed under this sub-  
20 section shall receive the same fees and expenses as a wit-  
21 ness subpoenaed in connection with a civil proceeding in  
22 a court of the United States. Nothing in this subsection  
23 is intended to allow an alien to have access to classified  
24 information.

1       “(j) Evidence which has either been summarized pur-  
2 suant to subsection (e)(1)(A) or for which no summary  
3 has been deemed possible pursuant to subsection (e)(1)(B)  
4 shall be introduced (either in writing or through testi-  
5 mony) in camera and ex parte and neither the alien nor  
6 the public shall be informed of such evidence or its sources  
7 other than through reference to the summary provided  
8 pursuant to subsection (e)(1)(A) or to the explanation that  
9 no summary could be provided pursuant to subsection  
10 (e)(1)(B). Notwithstanding the previous sentence, the De-  
11 partment of Justice may, in its discretion, elect to intro-  
12 duce such evidence in open session.

13       “(k) Evidence introduced at the special removal hear-  
14 ing, either in open session or in camera and ex parte, may,  
15 in the discretion of the Department of Justice, include all  
16 or part of the information presented under subsections (a)  
17 through (c) used to obtain the order for the hearing under  
18 this section.

19       “(l) Following the receipt of evidence, the attorneys  
20 for the Department of Justice and for the alien shall be  
21 given fair opportunity to present argument as to whether  
22 the evidence is sufficient to justify the removal of the  
23 alien. The attorney for the Department of Justice shall  
24 open the argument. The attorney for the alien shall be  
25 permitted to reply. The attorney for the Department of

1 Justice shall then be permitted to reply in rebuttal. The  
2 judge may allow any part of the argument that refers to  
3 evidence received in camera and ex parte to be heard in  
4 camera and ex parte.

5 “(m) The Department of Justice has the burden of  
6 showing by clear and convincing evidence that the alien  
7 is subject to removal because he is an alien as described  
8 in paragraph 4(B) of subsection 241(a) of this Act (8  
9 U.S.C. 1251(a)(4)(B)), as amended. If the judge finds  
10 that the Department of Justice has met this burden, the  
11 judge shall order the alien removed.

12 “(n)(1) At the time of rendering a decision as to  
13 whether the alien shall be removed, the judge shall prepare  
14 a written order containing a statement of facts found and  
15 conclusions of law. Any portion of the order that would  
16 reveal the substance or source of information received in  
17 camera and ex parte pursuant to subsection (j) shall not  
18 be made available to the alien or the public.

19 “(2) The decision of the judge may be appealed by  
20 either the alien or the Department of Justice to the Court  
21 of Appeals for the Federal Circuit by notice of appeal  
22 which must be filed within twenty days, during which time  
23 such order shall not be executed. In any case appealed  
24 pursuant to this subsection, the entire record shall be  
25 transmitted to the Court of Appeals and information re-

1 ceived pursuant to subsection (j), any portion of the  
2 judge's order that would reveal the substance or source  
3 of such information shall be transmitted under seal. The  
4 Court of Appeals shall consider the case as expeditiously  
5 as possible.

6       “(3) In an appeal to the Court of Appeals pursuant  
7 to either subsections (d) or (e) of this section, the Court  
8 of Appeals shall review questions of law de novo, but a  
9 prior finding on any question of fact shall not be set aside  
10 unless such finding was clearly erroneous.

11       “(o) If the judge decides pursuant to subsection (n)  
12 that the alien should not be removed, the alien shall be  
13 released from custody unless such alien may be arrested  
14 and taken into custody pursuant to title II of this Act  
15 as an alien subject to deportation, in which case, for pur-  
16 poses of detention, such alien may be treated in accord-  
17 ance with the provisions of this Act concerning the depor-  
18 tation of aliens.

19       “(p) Following a decision by the Court of Appeals  
20 pursuant to either subsection (d) or (n), either the alien  
21 or the Department of Justice may petition the Supreme  
22 Court for a writ of certiorari. In any such case, any infor-  
23 mation transmitted to the Court of Appeals under seal  
24 shall, if such information is also submitted to the Supreme  
25 Court, be transmitted under seal. Any order of removal

1 shall not be stayed pending disposition of a writ of certio-  
2 rari except as provided by the Court of Appeals or a Jus-  
3 tice of the Supreme Court.

4 “DESIGNATION OF JUSTICE

5 “SEC. 503. (a) The Chief Justice of the United  
6 States shall publicly designate five district court judges  
7 from five of the United States judicial circuits who shall  
8 constitute a court which shall have jurisdiction to conduct  
9 all matters and proceedings authorized by section 502.  
10 The Chief Justice shall publicly designate one of the  
11 judges so appointed as the chief judge. The chief judge  
12 shall promulgate rules to facilitate the functioning of the  
13 court and shall be responsible for assigning the consider-  
14 ation of cases to the various judges.

15 “(b) Proceedings under section 502 shall be con-  
16 ducted as expeditiously as possible. The Chief Justice, in  
17 consultation with the Attorney General and other appro-  
18 priate federal officials, shall, consistent with the objectives  
19 of this title, provide for the maintenance of appropriate  
20 security measures for applications for ex parte orders to  
21 conduct the special removal hearings authorized by section  
22 502, the orders themselves, and evidence received in cam-  
23 era and ex parte, and for such other actions as are nec-  
24 essary to protect information concerning matters before  
25 the court from harming the national security of the United  
26 States, adversely affecting foreign relations, revealing in-

1 vestigative techniques, or disclosing confidential sources of  
2 information.

3 “(c) Each judge designated under this section shall  
4 serve for a term of five years and shall be eligible for re-  
5 designation, except that the four associate judges first des-  
6 ignated under subsection (a) shall be designated for terms  
7 of from one to four years so that the term of one judge  
8 shall expire each year.

9 “MISCELLANEOUS PROVISIONS

10 “SEC. 504. (a)(1) Following a determination pursu-  
11 ant to this title that an alien shall be removed, and after  
12 the conclusion of any judicial review thereof, the Attorney  
13 General may retain the alien in custody or, if the alien  
14 was released pursuant to subsection 502(o), may return  
15 the alien to custody, and shall cause the alien to be trans-  
16 ported to any country which the alien shall designate pro-  
17 vided the Attorney General determines based on consulta-  
18 tion with the Secretary of State that transportation to  
19 such country would not impair the obligation of the United  
20 States under any treaty (including a treaty pertaining to  
21 extradition) or otherwise adversely affect the foreign policy  
22 of the United States.

23 “(2) If the alien refuses to choose a country to which  
24 he wishes to be transported, or if the Attorney General  
25 determines pursuant to paragraph (1) that removal of the  
26 alien to the country so selected would impair a treaty obli-

1 gation or adversely affect United States foreign policy, the  
2 Attorney General shall cause the alien to be transported  
3 to any country willing to receive such alien.

4 “(3) Before an alien is transported out of the United  
5 States pursuant to paragraph (1) or (2) or pursuant to  
6 an order of exclusion because such alien is excludable  
7 under paragraph 212(a)((3)(B) of this Act (8 U.S.C.  
8 1182(a)(3)(B)), as amended, he shall be photographed  
9 and fingerprinted, and shall be advised of the provisions  
10 of subsection 276(b) of this Act (8 U.S.C. 1326(b)).

11 “(4) If no country is willing to receive such an alien,  
12 the Attorney General may, notwithstanding any other pro-  
13 vision of law, retain the alien in custody. The Attorney  
14 General shall make periodic efforts to reach agreement  
15 with other countries to accept such as alien and at least  
16 every six months shall provide to the alien a written report  
17 on his efforts. Any alien in custody pursuant to this sub-  
18 section shall be released from custody solely at the discre-  
19 tion of the Attorney General and subject to such condi-  
20 tions as the Attorney General shall deem appropriate. The  
21 determinations and actions of the Attorney General pursu-  
22 ant to this subsection shall not be subject to judicial re-  
23 view, including applications for writ of habeas corpus, ex-  
24 cept for a claim by the alien that continued detention vio-  
25 lates his rights under the Constitution. Jurisdiction over

1 any such challenge shall lie exclusively in the Court of Ap-  
2 peals for the Federal Circuit.

3 “(b)(1) Notwithstanding the provisions of subsection  
4 (a), the Attorney General may hold in abeyance the re-  
5 moval of an alien who has been ordered removed pursuant  
6 to this title to allow the trial of such alien on any Federal  
7 or State criminal charge and the service of any sentence  
8 of confinement resulting from such a trial.

9 “(2) Pending the commencement of any service of a  
10 sentence of confinement by an alien described in para-  
11 graph (1), such an alien shall remain in the custody of  
12 the Attorney General, unless the Attorney General deter-  
13 mines that temporary release of the alien to the custody  
14 of State authorities for confinement in a State facility is  
15 appropriate and would not endanger national security or  
16 public safety.

17 “(3) Following the completion of a sentence of con-  
18 finement by an alien described in paragraph (1) or follow-  
19 ing the completion of State criminal proceedings which do  
20 not result in a sentence of confinement of an alien released  
21 to the custody of State authorities pursuant to paragraph  
22 (2), such an alien shall be returned to the custody of the  
23 Attorney General who shall proceed to carry out the provi-  
24 sions of subsection (a) concerning removal of the alien.

1       “(c) For purposes of sections 751 and 752 of title  
2 18, United States Code, an alien in the custody of the  
3 Attorney General pursuant to this title shall be subject  
4 to the penalties provided by those sections in relation to  
5 a person committed to the custody of the Attorney General  
6 by virtue of an arrest on a charge of felony.

7       “(d)(1) An alien in the custody of the Attorney Gen-  
8 eral pursuant to this title shall be given reasonable oppor-  
9 tunity to communicate with and receive visits from mem-  
10 bers of his family, and to contact, retain, and commu-  
11 nicate with an attorney.

12       “(2) An alien in the custody of the Attorney General  
13 pursuant to this title shall have the right to contact an  
14 appropriate diplomatic or consular official of the alien’s  
15 country of citizenship or nationality or of any country pro-  
16 viding representation services therefor. The Attorney Gen-  
17 eral shall notify the appropriate embassy, mission, or con-  
18 sular office of the alien’s detention.

19 **SEC. 725. CONFORMING AMENDMENTS.**

20       The Immigration and Nationality Act is amended as  
21 follows:

22             (1) Subsection 106(b) (8 U.S.C. 1105a(b)) is  
23 amended by adding at the end thereof the following  
24 sentence: “Jurisdiction to review an order entered  
25 pursuant to the provisions of section 235(c) of this

1 Act concerning an alien excludable under paragraph  
2 3(B) of subsection 212(a) (8 U.S.C. 1182(a)), as  
3 amended, shall rest exclusively in the United States  
4 Court of Appeals for the Federal Circuit.”.

5 (2) Section 276(b) (8 U.S.C. 1326(b)) is  
6 amended by deleting the word “or” at the end of  
7 subparagraph (b)(1), by replacing the period at the  
8 end of subparagraph (b)(2) with a semicolon fol-  
9 lowed by the word “or”, and by adding at the end  
10 of paragraph (b) the following subparagraph: “(3)  
11 who has been excluded from the United States pur-  
12 suant to subsection 235(c) of this Act (8 U.S.C.  
13 1225(c)) because such alien was excludable under  
14 paragraph 3(B) of subsection 212(a) thereof (8  
15 U.S.C. 1182(a)(3)(B)), as amended, or who has  
16 been removed from the United States pursuant to  
17 the provisions of title V of the Immigration and Na-  
18 tionality Act, and who thereafter, without the per-  
19 mission of the Attorney General, enters the United  
20 States or attempts to do so shall be fined under title  
21 18, United States Code, and imprisoned for a period  
22 of ten years which sentence shall not run concur-  
23 rently with any other sentence.”

24 (3) Section 106(a) (8 U.S.C. 1105a(a)) is  
25 amended by striking from the end of subparagraph

1       8 the semicolon and the word “and” and inserting  
2       a period in lieu thereof, and by striking subpara-  
3       graph 9.

4       **SEC. 726. EFFECTIVE DATE.**

5       The provisions of this Act shall be effective upon en-  
6       actment, and shall apply to all aliens without regard to  
7       the date of entry or attempted entry into the United  
8       States.
