6 ceiving the resolution—

7 (I) the procedure in that House  
8 shall be the same as if no resolution  
9 had been received from the other  
10 House; but

11 (II) the vote on final passage  
12 shall be on the resolution of the other  
13 House.

14 (B) CONSIDERATION AFTER DISPOSITION  
15 BY OTHER HOUSE.—Upon disposition of the

19 (6) RULES OF THE SENATE AND HOUSE.—This  
20 subsection is enacted by Congress—

2 tion described in paragraph (1), and it super-  
3 sedes other rules only to the extent that it is in-  
4 consistent with such rules; and

5 (B) with full recognition of the constitu-  
6 tional right of either House to change the rules  
7 (so far as relating to the procedure of that

13 **SEC. 532. STUDY OF TERMINATION OF HELIUM SUBSIDY.**

14 (a) FINDINGS.—The Congress finds that—

15 (1) the United States Government’s helium re-  
16 covery program was instituted in 1925, when helium  
17 conservation was deemed to be a matter of national  
18 security and no private sector helium recovery indus-  
19 try existed;

20 (2) today, as compared to 1925, there is little  
21 likelihood that the United States will have to field a  
22 fleet of blimps on an emergency basis;

23 (3) private sources of helium are more than  
24 adequate for serving existing and foreseeable future  
25 national needs;

1 (4) since 1925, there has been a dramatic in-  
2 crease in private industry's involvement in helium  
3 recovery, as a result of the free market discovery of  
4 numerous commercial uses for helium;

5 (5) currently, private industry accounts for 90  
6 percent of all helium extraction and consumption;

7 (6) the Government's helium recovery program  
8 currently owes the Department of the Treasury  
9 \$1,400,000,000 and loses an additional  
10 \$120,000,000 yearly on interest alone, and there is  
11 no prospect for repayment of this debt without sig-  
12 nificant reform; and

13 (7) with combined public and private helium re-  
14 serves considerably in excess of foreseeable national  
15 helium needs, there is no longer any need for the  
16 Federal Government to own and operate a helium  
17 refining and marketing program.

18 (b) STUDY.—(1) The Secretary of the Interior, in  
19 consultation with private industry, shall conduct a study  
20 to determine how best to—

21 (A) sell or otherwise dispose of, at the best pos-  
22 sible terms available to the United States, all facili-  
23 ties, equipment, and other real or personal property,  
24 or rights thereto, held by the United States in con-  
25 nection with activities carried out under the Helium

1 Act, unless such facilities, equipment, or other real  
2 or personal property, or rights thereto, are required  
3 for other Federal purposes;

4 (B) sell or otherwise dispose of, at the best pos-  
5 sible terms available to the United States, the he-  
6 lium reserves held by the United States other than  
7 amounts required for the specific immediate needs of  
8 the Federal Government, in a manner consistent  
9 with the orderly conduct of commercial helium mar-  
10 kets; and

11 (C) ensure the full repayment of loans made  
12 under section 12 of the Helium Act.

13 (2) The Secretary of the Interior shall transmit to  
14 the Congress within one year after the date of enactment  
15 of this Act a report containing the results of the study  
16 conducted under paragraph (1).

15 derived from projects that—

16           (1) are not continuations of ongoing work  
17 under contract;

18           (2) in the case of new projects, are inconsistent  
19 with the priorities of the Secretary of the Interior;

20           (3) are not environmentally beneficial in a man-  
21 ner commensurate with costs; or

22           (4) do not have available the necessary non-  
23 Federal cost sharing.

11 deed and access restrictions, monitoring, and provision of  
12 alternate water supplies), containment methods (including  
13 caps, slurry walls, and surface water diversion), and other

6           “(1) PROCEDURE.—

7           “(A) NOTIFICATION BY SECRETARY OF  
8           THE ACQUISITION OF TITLE.—Not later than  
9           30 days after acquiring title to a project, the  
10          Secretary shall notify the unit of general local  
11          government and the State agency or agencies  
12          designated by the Governor of the acquisition of  
13          such title.

14          “(B) EXPRESSION OF INTEREST.—Not  
15          later than 45 days after receiving notification  
16          from the Secretary under subparagraph (A),  
17          the unit of general local government or des-  
18          ignated State agency may submit to the Sec-  
19          retary a preliminary expression of interest in  
20          the project. The Secretary may take such ac-  
21          tions as may be necessary to require the unit of  
22          general local government or designated State  
23          agency to substantiate such interest.

24          “(C) TIMELY EXPRESSION OF INTER-  
25          EST.—If the unit of general local government or

1 designated State agency has expressed interest  
2 in the project before the expiration of the 45-  
3 day period referred to in subparagraph (B), and  
4 has substantiated such interest if requested, the  
5 Secretary, upon approval of a disposition plan  
6 for a project, shall notify the unit of general  
7 local government and designated State agency  
8 of the terms and conditions of the disposition  
9 plan and give the unit of general local govern-

22 “(2) ACCEPTANCE OF OFFERS.—Where the  
23 Secretary has given the unit of general local govern-  
24 ment or designated State agency 90 days to make  
25 an offer to purchase the project, the Secretary shall

1 accept an offer that complies with the terms and  
2 conditions of the disposition plan. The Secretary  
3 may accept an offer that does not comply with the  
4 terms and conditions of the disposition plan if the  
5 Secretary determines that the offer will further the  
6 goals specified in subsection (a) by actions that in-  
7 clude extension of the duration of low-income afford-  
8 ability restrictions or otherwise restructuring the  
9 transaction in a manner that enhances the long-term  
10 affordability for low-income persons. The Secretary  
11 shall, in particular, have discretion to reduce the ini-  
12 tial sales price in exchange for the extension of low-  
13 income affordability restrictions beyond the period of  
14 assistance contemplated by the attachment of assist-  
15 ance pursuant to subsection (e). If the Secretary and  
16 the unit of general local government or designated

19 the general public.

1 chase a subsidized or formerly subsidized project in  
2 accordance with this subsection.

3 “(4) APPLICABILITY.—This subsection shall  
4 apply to projects that are acquired on or after the  
5 effective date of this subsection. With respect to  
6 projects acquired before such effective date, the Sec-  
7 retary may apply—

8 “(A) the requirements of paragraphs (2)  
9 and (3) of section 203(e) as such paragraphs  
10 existed immediately before the effective date of  
11 this subsection; or

12 “(B) the requirements of paragraphs (1)  
13 and (2) of this subsection, if the Secretary gives  
14 the unit of general local government or des-  
15 ignated State agency—

10 ants who will be displaced, and shall notify all such  
11 tenants of their pending displacement and of any re-  
12 location assistance which may be available. In the  
13 case of a multifamily housing project that is not  
14 owned by the Secretary (and for which the Secretary  
15 is not mortgagee in possession), the Secretary shall  
16 require the owner of the project to carry out the re-  
17 quirements of this paragraph.

18           “(2) RIGHTS OF DISPLACED TENANTS.—The  
19 Secretary shall assure for any such tenant (who con-  
20 tinues to meet applicable qualification standards)

9           Secretary (including any loan or mortgage owned by  
10          the Government National Mortgage Association) on  
11          any subsidized project or formerly subsidized  
12          project, unless such sale is made as part of a trans-  
13          action that will ensure that such project will con-  
14          tinue to operate at least until the maturity date of  
15          such loan or mortgage, in a manner that will provide  
16          rental housing on terms at least as advantageous to  
17          existing and future tenants as the terms required by  
18          the program under which the loan or mortgage was  
19          made or insured prior to the assignment of the loan  
20          or mortgage on such project to the Secretary.

21          “(2) SALE OF CERTAIN PROJECTS.—The Sec-

23          project—

24                  “(A) that is subject to a mortgage held by  
25                  the Secretary; or

1           “(B) if the sale transaction involves the  
2           provision of any additional subsidy funds by the  
3           Secretary or a recasting of the mortgage, unless  
4           such sale is made as part of a transaction that  
5           will ensure that such project will continue to  
6           operate at least until the maturity date of the  
7           loan or mortgage, in a manner that will provide  
8           rental housing on terms at least as advan-  
9           tageous to existing and future tenants as the  
10          terms required by the program under which the  
11          loan or mortgage was made or insured prior to  
12          the proposed sale of the project.

13          “(3) MORTGAGE SALES TO STATE AND LOCAL  
14          GOVERNMENTS.—Notwithstanding any provision of  
15          law that may require competitive sales or bidding,  
16          the Secretary may carry out negotiated sales of sub-  
17          sidized or formerly subsidized mortgages held by the  
18          Secretary, without the competitive selection of pur-  
19          chasers or intermediaries, to units of general local  
20          government or State agencies, or groups of investors  
21          that include at least one such unit of general local  
22          government or State agency, if the negotiations are  
23          conducted with such agencies, except that—

24                 “(A) the terms of any such sale shall in-  
25                 clude the agreement of the purchasing agency

1 or unit of local government or State agency to  
2 act as mortgagee or owner of a beneficial inter-  
3 est in such mortgages, in a manner consistent  
4 with maintaining the projects that are subject

15 shall be, in the determination of the Secretary,  
16 the best prices that may be obtained for such  
17 mortgages from a unit of general local govern-  
18 ment or State agency, consistent with the ex-  
19 pectation and intention that the projects fi-  
20 nanced will be retained for use under the appli-  
21 cable mortgage insurance program for the life  
22 of the initial mortgage insurance contract.
