Whereas on July 20, 1994, in another savage terrorist attack, a Panamanian commuter plane was blown up, killing 21 persons, 12 of whom were Jewish;

Whereas the same Lebanon-based group, calling itself the “Partisans of God”, took responsibility for both diabolical acts;

Whereas terrorism, neo-Nazi activities, and anti-Semitic activity throughout the world continue to escalate, and the safety and security of Jewish people throughout the world is a matter of serious concern;

Whereas the kind of vicious hatred that motivated these attacks is still prevalent in many countries throughout the world, including the United States; and

Whereas terrorism must be condemned in the strongest terms whenever and wherever it occurs: Now, therefore, be it
