## A BILL

To amend title 23, United States Code, to permit the use of funds under the highway bridge replacement and rehabilitation program for seismic retrofit of bridges, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SEISMIC RETROFIT OF BRIDGES.**

4 Section 144 of title 23, United States Code, is  
5 amended—

1           (1) in the third sentence of subsection (d), by  
2           inserting before the period at the end the following:  
3           “, except that a State may carry out a project for  
4           seismic retrofit of a bridge under this section with-  
5           out regard to whether the bridge is eligible for re-  
6           placement or rehabilitation under this section”; and  
7           (2) in subsection (e), by adding at the end the  
8           following new sentence: “The use of funds author-  
9           ized under this section to carry out a project for the  
10          seismic retrofit of a bridge shall not affect the ap-  
11          portionment of funds under this section.”.
