A BILL

To amend the Public Health Service Act to permit individuals to have freedom of access to certain medical clinics and facilities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION. 1. SHORT TITLE.**

2 This Act may be cited as the “Freedom of Access
3 to Clinic Entrances Act of 1993”.

4 **SEC. 2. CONGRESSIONAL STATEMENT OF FINDINGS AND**
5 **PURPOSE.**

6 (a) FINDINGS.—Congress finds that—

7 (1) medical clinics and other facilities offering
8 abortion services have been targeted in recent years
9 by an interstate campaign of violence and obstruc-
10 tion aimed at closing the facilities or physically
11 blocking ingress to them, and intimidating those
12 seeking to obtain or provide abortion services;

13 (2) as a result of such conduct, women are
14 being denied access to, and health care providers are
15 being prevented from delivering, vital reproductive
16 health services;

17 (3) such conduct subjects women to increased
18 medical risks and thereby jeopardizes the public
19 health and safety;

20 (4) the methods used to deny women access to
21 these services include blockades of facility entrances;
22 invasions and occupations of the premises; vandalism
23 and destruction of property in and around the facil-
24 ity; bombings, arson, and murder; and other acts of
25 force and threats of force;

1 (5) those engaging in such tactics frequently
2 trample police lines and barricades and overwhelm
3 State and local law enforcement authorities and
4 courts and their ability to restrain and enjoin unlaw-
5 ful conduct and prosecute those who have violated
6 the law;

7 (6) such conduct operates to infringe upon
8 women's ability to exercise full enjoyment of rights
9 secured to them by Federal and State law, both stat-
10 utory and constitutional, and burdens interstate
11 commerce, including by interfering with business ac-
12 tivities of medical clinics involved in interstate com-
13 merce and by forcing women to travel from States
14 where their access to reproductive health services is
15 obstructed to other States;

16 (7) prior to the Supreme Court's decision in
17 Bray v. Alexandria Women's Health Clinic (No. 90-
18 985, January 13, 1993), such conduct was fre-
19 quently restrained and enjoined by Federal courts in
20 actions brought under section 1980(3) of the Re-
21 vised Statutes (42 U.S.C. 1985(3));

22 (8) in the Bray decision, the Court denied a
23 remedy under such section to persons injured by the
24 obstruction of access to abortion services;

1 ~~(9)~~ legislation is necessary to prohibit the ob-
2 struction of access by women to abortion services
3 and to ensure that persons injured by such conduct,
4 as well as the Attorney General, can seek redress in
5 the Federal courts;

6 ~~(10)~~ the obstruction of access to abortion serv-
7 ices can be prohibited, and the right of injured par-
8 ties to seek redress in the courts can be established,
9 without abridging the exercise of any rights guaran-
10 teed under the First Amendment to the Constitution
11 or other law; and

12 ~~(11)~~ Congress has the affirmative power under
13 section 8 of article I of the Constitution and under
14 section 5 of the Fourteenth Amendment to the Con-
15 stitution to enact such legislation.

16 ~~(b)~~ PURPOSE.—It is the purpose of this Act to pro-
17 tect and promote the public health and safety by prohibit-
18 ing the use of force, threat of force or physical obstruction
19 to injure, intimidate or interfere with a person seeking to
20 obtain or provide abortion services, and the destruction
21 of property of facilities providing abortion services, and
22 by establishing the right of private parties injured by such
23 conduct, as well as the Attorney General in appropriate
24 cases, to bring actions for appropriate relief.

1 **SEC. 3. FREEDOM OF ACCESS TO CLINIC ENTRANCES.**

2 Title XXVII of the Public Health Service Act (42

12 any other person or any class of persons, from—

13 **“(A)** obtaining abortion services; or

3 ~~targeted, and on the ability of physicians and~~
4 ~~other health care providers to deliver reproduc-~~
5 ~~tive health services to their patients; and~~

6 ~~“(C) the effects of such incidents on the~~
7 ~~mental and physical health of women, includ-~~
8 ~~ing—~~

9 ~~“(i) any medical risks or complica-~~
10 ~~tions associated with delays in obtaining,~~
11 ~~or failure to obtain, testing, screening or~~
12 ~~treatment services in the areas of repro-~~
13 ~~ductive health;~~

14 ~~“(ii) any medical risks or complica-~~

16 ~~nation of a pregnancy;~~

17 ~~“(iii) any harm to maternal or child~~

19 ~~or failure to obtain, prenatal services; and~~

20 ~~“(iv) any other effects of delays in ob-~~
21 ~~taining or failure to obtain reproductive~~
22 ~~health services.~~

23 Such study shall take into account any short-term
24 effects on the delivery of reproductive health services
25 by the targeted facilities and providers, as well as

1 any long-term implications for the health and wel-
2 fare of women in the general population.

3 “(2) REPORT.—Not later than 1 year after the
4 date of enactment of this section, the Secretary shall

8 any appropriate recommendations and proposed leg-

11 “(1) IN GENERAL.—The Secretary shall con-

21 ~~“(2) ACTION BY ATTORNEY GENERAL.—~~

2 an issue of general public importance, the At-
