2 (a) IN GENERAL.—Section 2 of the National and  
3 Community Service Act of 1990 (42 U.S.C. 12501) is  
4 amended to read as follows:

5 **“SEC. 2. FINDINGS AND PURPOSE.**

6 “(a) FINDINGS.—The Congress finds the following:

7 “(1) Throughout the United States, there are  
8 pressing unmet human, educational, environmental,  
9 and public safety needs.

10 “(2) Americans desire to affirm common re-  
11 sponsibilities and shared values that transcend race,  
12 religion, or region.

13 “(3) The rising costs of post-secondary edu-  
14 cation are putting higher education out of reach for  
15 an increasing number of citizens.

16 “(4) Americans of all ages can improve their  
17 communities and become better citizens through  
18 service to the United States.

19 “(5) Nonprofit organizations, local govern-  
20 ments, States, and the Federal Government are al-  
21 ready supporting a wide variety of national service  
22 programs that deliver needed services in a cost-effec-  
23 tive manner.

24 “(b) PURPOSES.—It is the purpose of this Act to—

1           “(1) meet the unmet human, educational, envi-  
2           ronmental, and public safety needs of the United  
3           States, without displacing existing workers;

4           “(2) renew the ethic of civic responsibility and  
5           the spirit of community throughout the United  
6           States;

7           “(3) expand educational opportunity by reward-  
8           ing individuals who participate in national service  
9           with an increased ability to pursue higher education  
10          or job training;

11          “(4) encourage citizens of the United States,  
12          regardless of age or income, to engage in full-time  
13          or part-time national service;

14          “(5) reinvent government to eliminate duplica-  
15          tion, support locally established initiatives, require  
16          measurable goals for performance, and offer flexibil-  
17          ity in meeting those goals;

18          “(6) build on the existing organizational service  
19          infrastructure of Federal, State, and local programs  
20          and agencies to expand full-time and part-time serv-  
21          ice opportunities for all citizens; and

22          “(7) provide tangible benefits to the commu-  
23          nities in which national service is performed.”.

20                   “(A) assistance provided under subsection  
21                   (a) or (b) may be used to cover administrative
