TITLE I—EXPORT ADMINISTRATION

3 SEC. 101. SHORT TITLE.

4 This title may be cited as the “Export Act of 1995”.

5 SEC. 102. FINDINGS.

6 The Congress makes the following findings:

7 (1) Export controls are a part of a comprehen-
8 sive response to national security threats. United
9 States exports should be restricted only for critical
10 national security, nonproliferation, and foreign policy
11 reasons.

12 (2) Exports of certain commodities and tech-
13 nology may adversely affect the national security of
14 the United States by making a direct and significant
15 contribution to the military potential of individual
16 countries or by disseminating the capability to
17 produce or use weapons of mass destruction. There-
18 fore, the administration of export controls should
19 emphasize the control of these exports.

20 (3) The acquisition of dual use commodities
21 and technology by those countries and end users
22 whose actions or policies run counter to United
23 States national security interests may enhance the
24 military capabilities of those countries, particularly
25 their ability to produce and deliver nuclear, chemi-

1 cal, and biological weapons. This enhancement
2 threatens the security of the United States and its
3 allies, and places additional demands on the defense
4 budget of the United States. Availability to certain
5 countries and end users of items that contribute to
6 certain military capabilities or the proliferation of
7 weapons of mass destruction is a fundamental con-
8 cern of the United States and should be eliminated
9 through negotiations and other appropriate means
10 whenever possible.

11 (4) Exporting is critical to the economic health
12 of the United States and, therefore, to its national
13 security as well. With the growing importance of ex-
14 ports to sustained United States economic growth
15 and vitality, restrictions on exports must be evalu-
16 ated in terms of their effects on the United States
17 economy as well as on its national security. Restric-
18 tions on exports from the United States have had se-
19 rious adverse effects on economic competitiveness
20 and domestic employment, particularly when re-
21 straints applied by the United States have been
22 more extensive than those imposed by other coun-
23 tries or when United States export control policy is
24 uncertain.

1 (5) Export controls cannot be the sole instru-
2 ment of the United States to prevent a country or
3 end user from developing weapons of mass destruc-
4 tion. For this reason, export controls should be ap-
5 plied as part of a comprehensive response to security
6 threats.

7 (6) The national security of the United States
8 depends not only on wise foreign policies and a
9 strong defense, but also a vibrant national economy.
10 To be truly effective, export controls should be ap-
11 plied uniformly by all suppliers.

12 (7) Effective export controls also must be fo-
13 cused only on those items that materially contribute
14 to a country's or an end user's military potential or
15 potential to produce or use weapons of mass destruc-
16 tion.

17 (8) Unilateral export controls are generally not
18 effective in influencing the behavior of other govern-
19 ments or impeding access to controlled countries of
20 controlled items. In most situations, unilateral con-
21 trols alone impede access to United States sources
22 of supply without affecting the ability of controlled
23 countries to obtain controlled items elsewhere. More-
24 over, unilateral controls permit foreign competitors
25 to serve markets the United States Government de-

1 nies to United States firms and workers, thus im-
2 pairing the reliability of United States suppliers in
3 comparison with their foreign competitors. At the
4 same time, the need to lead the international com-
5 munity or overriding national security or foreign pol-
6 icy interests may justify unilateral controls in spe-
7 cific cases.

8 (9) The United States recognizes the impor-
9 tance of comprehensive enforcement measures to
10 maximize the effectiveness of multilateral controls.

11 (10) The United States export control system
12 must not be overly restrictive or bureaucratic, or un-
13 dermine the competitive position of American indus-
14 try. The export control system must be efficient, re-
15 sponsive, transparent, and effective.

16 (11) Export restrictions that negatively affect
17 the United States industrial base ultimately weaken
18 United States military capabilities and lead to de-
19 pendencies on foreign sources for key components.

20 (12) Minimization of restrictions on exports of
21 agricultural commodities and products is of critical
22 importance to the maintenance of a sound agricul-
23 tural sector, to a positive contribution to the balance
24 of payments, to reducing the level of Federal ex-
25 penditures for agricultural support programs, and to

1 United States cooperation in efforts to eliminate
2 malnutrition and world hunger.

3 **SEC. 103. POLICY STATEMENT.**

4 It is the policy of the United States to do the follow-
5 ing:

6 (1) To stem the proliferation of weapons of
7 mass destruction and the means to deliver them
8 by—

9 (A) leading international efforts to control
10 the proliferation of chemical, biological, and nu-
11 clear weapons and missiles;

12 (B) controlling involvement of United
13 States persons in, and contributions by United
14 States persons to, foreign programs intended to
15 develop weapons of mass destruction or missiles
16 and the means to design, develop, produce,
17 stockpile, or use them; and

18 (C) implementing international treaties or
19 other agreements that require controls on ex-
20 ports of designated items, reports on the pro-
21 duction, processing, consumption, and exports
22 of such items, and compliance with verification
23 programs.

24 (2) To restrict the export of items that would
25 directly and significantly contribute to the military

1 potential of countries so as to pose a threat to the
2 national security of the United States or its allies.

3 (3) To—

4 (A) minimize uncertainties in export con-
5 trol policy; and

6 (B) encourage trade with all countries with
7 which the United States has diplomatic or trad-
8 ing relations, except those countries with which
9 such trade has been determined by the Presi-
10 dent to be against the national interest, and to
11 strongly encourage the trading partners of the
12 United States not to trade with those other
13 countries.

14 (4) To restrict export trade when necessary to
15 protect the domestic economy from the excessive
16 drain of scarce materials and to reduce the serious
17 inflationary impact of foreign demand.

18 (5) To increase the effectiveness of and the reli-
19 ance of the United States upon multilateral coordi-
20 nation of controls through effective export control
21 regimes that—

22 (A) clearly identify countries and entities
23 to which, and end uses for which, exports of
24 items are to be controlled,

1 (B) incorporate lists of controlled items
2 that are critical to the control objectives,

3 (C) establish uniform criteria and proce-
4 dures for licensing, and

5 (D) implement means to curtail member
6 countries from granting licenses that render in-
7 effective license denials by the United States.

8 (6) To impose unilateral controls, under the
9 procedures and conditions set forth in section 106,
10 only when it is essential to the national security or
11 foreign policy of the United States, and only after
12 full consideration of the economic impact of the con-
13 trols and their effectiveness in achieving their in-
14 tended objectives.

15 (7) To make all licensing determinations in a
16 timely manner so undue delays in the licensing proc-
17 ess will not cause a United States firm to lose an
18 export sale.

19 (8) To maintain a presumption of approval of
20 license applications for authority to export items for
21 civil end use.

22 (9) To use export controls to encourage other
23 countries to take immediate steps to prevent the use
24 of their territories or resources to aid, encourage, or
25 give sanctuary to those persons involved in directing,

1 supporting, or participating in acts of international
2 terrorism.

3 (10)(A) To counteract restrictive trade prac-
4 tices or boycotts fostered or imposed by foreign
5 countries against other countries friendly to the
6 United States or against any United States person.

7 (B) To encourage and, in specified cases, re-
8 quire United States persons engaged in the export of
9 commodities, technology, and other information to
10 refuse to take actions, including furnishing informa-
11 tion or entering into or implementing agreements,
12 which have the effect of furthering or supporting the
13 restrictive trade practices or boycotts fostered or im-
14 posed by any foreign country against a country
15 friendly to the United States or against any United
16 States person.

17 (11) To consolidate export control functions
18 and increase administrative accountability, and
19 thereby better serve the exporting public by reducing
20 and eliminating overlapping, conflicting, and incon-
21 sistent regulatory burdens.

22 (12) To minimize restrictions on the export of
23 agricultural commodities and products.

1 **SEC. 104. GENERAL PROVISIONS.**

2 (a) TYPES OF LICENSES.—Under such conditions as
3 the Secretary may impose, consistent with the provisions
4 of this title, and subject to paragraph (2)(B), the Sec-
5 retary may require the following types of licenses for ex-
6 ports of commodities and technology controlled under this
7 title:

8 (1) SPECIFIC EXPORTS AND REEXPORTS.—An
9 individual validated license, authorizing a specific ex-
10 port.

11 (2) MULTIPLE EXPORTS AND REEXPORTS.—(A)
12 Validated licenses authorizing multiple exports, in
13 lieu of an individual validated license for each such
14 export.

15 (B)(i) A distribution license, authorizing mul-
16 tiple exports of general application computers to any
17 country other than a sanctioned country. The Sec-
18 retary shall grant such distribution licenses strictly
19 on the basis of the reliability of the applicant and
20 foreign consignees with respect to the prevention of
21 diversion of commodities or technology, consistent
22 with section 105(a)(1). Not later than 30 days after
23 an application is submitted under section 109 for
24 such a distribution license to export general applica-
25 tion computers, the Secretary shall grant the license
26 with respect to such distributors and end users that

1 the Secretary determines to be reliable. The Sec-
2 retary may deny the license application with respect
3 to those distributors and end users that present a
4 risk of diversion of commodities or technology, di-
5 rectly or indirectly, consistent with the provisions of
6 section 105(a)(1).

7 (ii) For purposes of this subparagraph, a “sanc-
8 tioned country” is any country—

9 (I) the government of which the Secretary
10 of State has determined to be a government
11 that has repeatedly provided support for acts of
12 international terrorism; or

13 (II) against which the United States main-
14 tains an embargo on all, or substantially all, ex-
15 ports pursuant to the International Emergency
16 Economic Powers Act or the Trading With The
17 Enemy Act.

18 (iii) For purposes of this subparagraph, the
19 term “general application computers” means any
20 computer system, computer networking equipment,
21 peripheral to a computer system, or combination
22 thereof, on which export controls are in effect under
23 section 105, except the following:

24 (I) Supercomputers.

1 (II) Computers specially designed for use
2 in connection with the capability described in
3 subparagraph (A) or (B) of section 105(a)(1).

4 (III) Computers specially designed for use
5 in connection with the surreptitious interception
6 of wire or oral communications.

7 (b) GENERAL PROHIBITION.—Notwithstanding any
8 other provision of this title, no person may export any item
9 which such person knows will materially contribute to a
10 program or activity for the design, development, or manu-
11 facture of a weapon of mass destruction or missile in a
12 country that is not a member of, or a cooperating country
13 with respect to, an export control regime controlling such
14 weapon or missile.

15 (c) UNITED STATES COMMODITY CONTROL INDEX.—

16 (1) IN GENERAL.—The Secretary shall—

17 (A) establish and maintain a United States
18 Commodity Control Index which shall identify
19 all commodities and technology on which con-
20 trols are imposed under this title;

21 (B) specify the license requirements appli-
22 cable to the items on the control index; and

23 (C) designate countries, and end uses or
24 end users, to which exports of commodities and
25 technology are controlled.

1 (2) CONTENTS.—The control index shall—

2 (A) consist of a security control list of all
3 commodities and technology on which export
4 controls are imposed under section 105, an
5 emergency control list of all commodities and
6 technology on which export controls are im-
7 posed under section 106, and a short supply
8 control list of all commodities on which export
9 controls are imposed under section 107;

10 (B) for each item on the control index,
11 specify with particularity the performance
12 (where applicable) and other identifying charac-
13 teristics of the item and provide a rationale for
14 why the item is on the control list;

15 (C) identify countries, and end uses or end
16 users, to which exports are controlled, including
17 specific projects and end users of concern,
18 cross-referenced with the list of commodities
19 and technology on which export controls are im-
20 posed; and

21 (D) be sufficiently specific and clear as to
22 guide exporters and licensing officers in deter-
23 minations of licensing requirements under this
24 title.

1 (3) LICENSING OF CONTROL INDEX COMMOD-
2 ITIES AND TECHNOLOGY.—A validated license may
3 be required for the export of those commodities and
4 technology that are specifically and clearly identified
5 on the control index to countries, end uses, and end
6 users so designated on the control index. No author-
7 ity or permission may be required to export com-
8 modities and technology not so identified to any
9 country, end use, or end user not so designated.

10 (d) DELEGATION OF AUTHORITY.—Subject to the
11 provisions of this title, the President may delegate the
12 power, authority, and discretion conferred upon the Presi-
13 dent by this title to such departments, agencies, and offi-
14 cials of the Government as the President considers appro-
15 priate, except that no authority under this title may be
16 delegated to, or exercised by, any official of any depart-
17 ment or agency the head of which is not appointed by the
18 President, by and with the advice and consent of the Sen-
19 ate. The President may not delegate or transfer his power,
20 authority, or discretion to overrule or modify any rec-
21 ommendation or decision made by the Secretary, the Sec-
22 retary of Defense, or the Secretary of State under this
23 title and may not delegate the authority under section
24 106(a)(4).

1 (e) NOTIFICATION OF THE PUBLIC; CONSULTATION
2 WITH BUSINESS.—The Secretary shall keep the public
3 fully apprised of changes in export control policy and pro-
4 cedures instituted in conformity with this title with a view
5 to encouraging trade. The Secretary shall consult regu-
6 larly with representatives of a broad spectrum of enter-
7 prises, labor organizations, and citizens interested in or
8 affected by export controls, in order to obtain their views
9 on United States export control policy and the foreign
10 availability of items subject to controls.

11 (f) EXPORT ADVISORY COMMITTEES.—

12 (1) APPOINTMENT.—Upon his or her own ini-
13 tiative or upon the written request of representatives
14 of a substantial segment of any industry which pro-
15 duces any items subject to export controls under this
16 title or being considered for such controls, the Sec-
17 retary shall appoint export advisory committees with
18 respect to any such items. Each such committee
19 shall consist of representatives of United States in-
20 dustry and Government, including the Department
21 of Commerce and other appropriate departments
22 and agencies of the Government. The Secretary shall
23 permit the widest possible participation by the busi-
24 ness community on the export advisory committees.

1 (2) FUNCTIONS.—Export advisory committees
2 appointed under paragraph (1) shall advise and as-
3 sist the Secretary, and any other department, agen-
4 cy, or official of the Government carrying out func-
5 tions under this title, on actions (including all as-
6 pects of controls imposed or proposed) designed to
7 carry out the policies of this title concerning the
8 items with respect to which such export advisory
9 committees were appointed. Such committees, where
10 they have expertise in such matters, shall be con-
11 sulted on questions involving—

12 (A) technical matters,

13 (B) worldwide availability and actual utili-
14 zation of production technology,

15 (C) licensing procedures which affect the
16 level of export controls applicable to any items,

17 (D) revisions of the security control list (as
18 provided in section 105(j)), including proposed
19 revisions of multilateral controls in which the
20 United States participates,

21 (E) the issuance of regulations,

22 (F) the impact and interpretation of exist-
23 ing regulations,

24 (G) processes and procedures for review of
25 licenses and policy,

1 (H) any other questions relating to actions
2 designed to carry out this title, and

3 (I) the operation and conduct of inter-
4 national business transactions.

5 Nothing in this subsection shall prevent the United
6 States Government from consulting, at any time,
7 with any person representing an industry or the gen-
8 eral public, regardless of whether such person is a
9 member of an export advisory committee. Members
10 of the public shall be given a reasonable opportunity,
11 pursuant to regulations prescribed by the Secretary,
12 to present evidence to such committees.

13 (3) REIMBURSEMENT OF EXPENSES.—Upon
14 the request of any member of any export advisory
15 committee appointed under paragraph (1), the Sec-
16 retary may, if the Secretary determines it to be ap-
17 propriate, reimburse such member for travel, sub-
18 sistence, and other necessary expenses incurred by
19 such member in connection with the duties of such
20 member.

21 (4) CHAIRPERSON.—Each export advisory com-
22 mittee appointed under paragraph (1) shall elect a
23 chairperson, and shall meet at least every 3 months
24 at the call of the chairperson, unless the chairperson
25 determines, in consultation with the other members

1 of the committee, that such a meeting is not nec-
2 essary to achieve the purposes of this subsection.
3 Each such committee shall be terminated after a pe-
4 riod of 2 years, unless extended by the Secretary for
5 additional periods of 2 years each. The Secretary
6 shall consult each such committee on such termi-
7 nation or extension of that committee.

8 (5) ACCESS TO INFORMATION.—To facilitate
9 the work of the export advisory committees ap-
10 pointed under paragraph (1), the Secretary, in con-
11 junction with other departments and agencies par-
12 ticipating in the administration of this title, shall
13 disclose to each such committee adequate informa-
14 tion, consistent with national security, pertaining to
15 the reasons for the export controls which are in ef-
16 fect or contemplated for the items or policies for
17 which that committee furnishes advice.

18 (6) POLICY ADVICE.—The Secretary shall ap-
19 point a group of knowledgeable individuals from
20 businesses affected by export controls to provide ad-
21 vice to the Secretary on export control policy issues.
22 The chairperson of such group shall represent export
23 advisory committees regarding review of control lists
24 maintained by export control regimes and United
25 States proposals to export control regimes.

1 (g) DEVELOPMENT AND REVIEW OF THE CONTROL
2 LIST.—The Secretary of State, in consultation with ap-
3 propriate departments and agencies, shall be responsible
4 for conducting negotiations with other countries regarding
5 multilateral arrangements for restricting the export of
6 items to carry out the policies of this title. All appropriate
7 departments and agencies shall consult among themselves
8 and with the appropriate export advisory committees ap-
9 pointed under subsection (f) to develop initial technical pa-
10 rameters and product definitions in connection with the
11 development of proposals within the United States Gov-
12 ernment to be made to multilateral regimes.

13 (h) RIGHT OF EXPORT.—No authority or permission
14 to export may be required under this title, or under regula-
15 tions issued under this title, except to carry out the poli-
16 cies set forth in section 103.

17 (i) INTERNATIONAL OBLIGATIONS UNDER TREA-
18 TIES.—Notwithstanding any other provision of this title
19 containing limitations on authority to control exports, the
20 Secretary, in consultation with the Secretary of State, may
21 impose controls on exports to a particular country or coun-
22 tries in order to fulfill obligations of the United States
23 under resolutions of the United Nations and under trea-
24 ties to which the United States is a party.

1 (j) FEES.—No fee may be charged in connection with
2 the submission or processing of an export license applica-
3 tion under this title.

4 **SEC. 105. MULTILATERAL CONTROLS.**

5 (a) AUTHORITY.—

6 (1) IN GENERAL.—In order to carry out the
7 policies set forth in paragraphs (1), (2), and (5) of
8 section 103, the President may, in accordance with
9 this section, prohibit or curtail the export of any
10 commodities or technology subject to the jurisdiction
11 of the United States, or exported by any person sub-
12 ject to the jurisdiction of the United States, if such
13 commodities or technology—

14 (A) would directly and significantly enable
15 a country or end user to acquire the capability
16 to develop, produce, stockpile, use, or deliver
17 weapons of mass destruction; or

18 (B) would directly and significantly con-
19 tribute to the military capability of a country so
20 as to pose a threat to the national security of
21 the United States or its allies.

22 (2) EXERCISE OF AUTHORITY.—The authority
23 granted by this subsection shall be implemented by
24 means of export licenses required by the Secretary.

1 (3) CONSISTENCY WITH EXPORT CONTROL RE-
2 GIMES.—Any provision of this title that provides
3 that no authority or permission to export may be re-
4 quired under this section shall not apply to the ex-
5 tent that the applicable export control regime pro-
6 vides otherwise.

7 (b) SECURITY CONTROL LIST.—

8 (1) IN GENERAL.—(A) The Secretary shall, in
9 consultation with appropriate departments and agen-
10 cies, establish and maintain, as part of the control
11 index, a security control list, comprised of all com-
12 modities and technology on which export controls are
13 in effect under this section, and the countries, and
14 end uses or end users, to which the controls apply.
15 The security control list shall clearly identify the
16 specific commodities and technology the export of
17 which is controlled, and each country, and end use
18 or end user, to which such exports are controlled.

19 (B) If a determination is made, with respect to
20 the inclusion of items on the security control list,
21 that affects the items controlled by an export control
22 regime, the Secretary of State shall propose to that
23 regime any revisions that would be necessary as a
24 result of the determination. Such determination shall

1 become effective only to the extent such revisions are
2 agreed to by the export control regime.

3 (2) CONTROLLED COMMODITIES AND TECH-
4 NOLOGY.—Export controls shall be imposed under
5 this section if, and may be imposed under this sec-
6 tion only if, the export controls are agreed to by an
7 export control regime which includes export control
8 purposes, items subject to control, policy of review
9 for license applications, and all controlled destina-
10 tions, and end uses or end users.

11 (3) CONTROLLED COUNTRIES, END USES, AND
12 END USERS.—A country shall be designated a con-
13 trolled country, and an end use or end user shall be
14 designated a controlled end use or controlled end
15 user, with respect to a particular commodity or tech-
16 nology on the security control list if exports of such
17 commodity or technology to such country, end use,
18 or end user are controlled multilaterally pursuant to
19 the agreement of an export control regime described
20 in paragraph (2).

21 (c) EXPORT LICENSING POLICIES FOR CONTROLLED
22 COUNTRIES AND CONTROLLED END USES OR END
23 USERS.—

24 (1) EXPORTS TO CONTROLLED COUNTRIES,
25 AND END USES OR END USERS.—

1 (A) IN GENERAL.—The Secretary shall re-
2 quire authority or permission to export com-
3 modities and technology on the security control
4 list to a controlled country, a controlled end
5 use, or a controlled end user.

6 (B) PRESUMPTION OF APPROVAL FOR
7 CIVIL END USES.—Subject to subparagraph
8 (C), applications to export commodities or tech-
9 nology for civil end uses shall carry a presump-
10 tion of approval.

11 (C) PRESUMPTION OF DENIAL FOR CON-
12 TROLLED END USERS.—Exports to controlled
13 end users of commodities or technology on
14 which controls are in effect under this section
15 shall carry a presumption of denial.

16 (D) BASIS FOR DENIAL.—Licenses may be
17 denied under this section only if the commodity
18 or technology meets the requirements of sub-
19 paragraph (A) or (B) of subsection (a)(1).

20 (2) CIVIL END USE.—A determination under
21 paragraph (1)(B) of whether commodities or tech-
22 nology are for civil end use shall be based on the fol-
23 lowing criteria:

24 (A) Whether the stated end use is civil.

1 (B) Whether the civil application of the
2 commodities or technology is well established in
3 countries other than controlled countries.

4 (C) Whether the commodities or tech-
5 nology proposed for export are reasonable in
6 quantity and quality for the proposed end use.

7 (D) The risk of diversion to an unauthor-
8 ized use or consignee, including whether such
9 diversion can be verified.

10 (d) EXPORT CONTROL REGIMES AND LICENSING
11 POLICIES.—For the purposes of creating effective multi-
12 lateral export controls and strengthening the controls im-
13 posed by export control regimes, the Secretary of State
14 shall, with respect to each export control regime, pursue
15 negotiations with other members of such regime to accom-
16 plish the following objectives:

17 (1) Development of a common list of commod-
18 ities and technology to which export controls are ap-
19 plied, and a common list of countries, and end uses
20 or end users, to which exports are controlled, by
21 members of the regime.

22 (2) Agreement on the same treatment, to be ap-
23 plied by all members of the regime, of exports and
24 reexports to members of the regime, cooperating

1 countries, and other countries that are not controlled
2 countries.

3 (3) National procedures resulting in comparable
4 implementation and enforcement of export controls
5 among the members of the regime, including laws
6 providing appropriate civil and criminal penalties
7 and statutes of limitations sufficient to deter poten-
8 tial violations.

9 (4) Periodic meetings of high-level representa-
10 tives of governments participating in the regime for
11 the purpose of coordinating national export control
12 policies and issuing policy guidance for dissemina-
13 tion to exporters in participating countries.

14 (5) Establishment of procedures for regular
15 consultation among members of the regime on pro-
16 posed export license applications that includes con-
17 sultation with individuals with sufficient technical
18 expertise to assess the licensing status of exports
19 and to ensure the reliability of end users.

20 (6) An enforcement mechanism that provides
21 authority for adequately trained enforcement officers
22 to investigate and prevent illegal exports.

23 (7) Development of a system of export control
24 documentation to verify the movement of commod-
25 ities and technology.

1 (8) Establishment of procedures for the coordi-
2 nation and sharing of information on licensing, end
3 users, and enforcement.

4 (9) The application of adequate national re-
5 sources to carry out paragraphs (1) through (8).

6 (e) INCENTIVES FOR COUNTRIES TO PARTICIPATE IN
7 OR COOPERATE WITH EXPORT CONTROL REGIMES.—

8 (1) GENERAL RULE FOR REGIMES.—Unless the
9 Secretary, in consultation with the Secretary of
10 State, determines that an existing export control re-
11 gime has failed to meet the objectives set forth in
12 subsection (d), exports to all countries that are
13 members of, or cooperating countries with respect
14 to, that regime shall be subject to the licensing
15 treatment set forth in this subsection. The Secretary
16 shall publish each determination under this para-
17 graph in the Federal Register.

18 (2) FAVORABLE LICENSING TREATMENT.—Sub-
19 ject to paragraphs (3) and (4), unless an export con-
20 trol regime is the subject of a determination under
21 paragraph (1), no authority or permission may be
22 required for exports of any commodity or technology
23 controlled by that regime to or among members of
24 that regime or cooperating countries with respect to
25 that regime.

1 (3) EXCEPTION.—If the Secretary determines
2 that a member of an export control regime, a co-
3 operating country with respect to such regime, or an
4 end user in a country that is such a regime member
5 or in such a cooperating country is engaging in a
6 pattern and practice of noncompliance with controls
7 agreed to by the regime—

8 (A) if the license treatment under para-
9 graph (2) is provided by the United States uni-
10 laterally, the Secretary shall terminate such
11 treatment with respect to that noncomplying
12 member, cooperating country, or end user dur-
13 ing the period in which the determination is in
14 effect; or

15 (B) in any other case the Secretary shall
16 seek a similar determination by the other mem-
17 bers of the regime concerning such noncompli-
18 ance and, if such a determination is made, the
19 Secretary shall propose the suspension of favor-
20 able licensing treatment of exports to that non-
21 complying regime member, cooperating country,
22 or end user by all members of the regime dur-
23 ing the period in which that determination is in
24 effect.

1 (4) EXCEPTION FOR EXPORTS TO CERTAIN
2 COUNTRIES.—(A) Should some of the members of
3 an export control regime decide to require licenses
4 for the export to other members of the regime or to
5 cooperating countries of certain items controlled by
6 the regime, the United States may require such li-
7 censes if—

8 (i) the Secretary determines that a prepon-
9 derance of the world's supply of the items in-
10 volved would be subject to such export license
11 requirements; or

12 (ii) after making a determination that a
13 preponderance of the world's supply of the
14 items involved would not be subject to such ex-
15 port license requirements, the Secretary, in con-
16 sultation with the Secretary of State and the
17 Secretary of Defense, determines that the ab-
18 sence of a requirement of export licenses for
19 such items to such members of the regime or
20 cooperating countries would prove detrimental
21 to the national security of the United States.

22 In any case in which the Secretary makes a deter-
23 mination under clause (ii), the Secretary shall pub-
24 lish that determination, together with a concise

1 statement of its basis and the estimated impact of
2 the determination.

3 (B) The Secretary shall notify the Congress at
4 least 30 days before a license requirement described
5 in subparagraph (A) goes into effect.

6 (f) CREATION AND ENHANCEMENT OF MULTILAT-
7 ERAL CONTROL REGIMES.—

8 (1) EXPANSION OF MEMBERSHIP OF RE-
9 GIMES.—For each existing export control regime and
10 for each export control regime the United States
11 seeks to create, the Secretary of State, in consulta-
12 tion with the Secretary, shall seek—

13 (A) to expand the membership of the re-
14 gime to include all countries that produce or ex-
15 port items controlled pursuant to agreement by
16 the regime and share the objectives of the re-
17 gime;

18 (B) the adoption of procedures for effective
19 implementation of the rules and guidelines of
20 the regime through uniform and consistent in-
21 terpretations of export controls agreed to by the
22 regime;

23 (C) agreement to create a secretariat, for
24 each regime that seeks the prevention of the
25 proliferation of weapons of mass destruction or

1 missiles, that would call regular meetings of
2 members of the regime and establish rules for
3 the regime; and

4 (D) agreement within each regime not to
5 render ineffective the denial of licenses by other
6 regime members and to establish procedures for
7 the coordination and regular exchange of infor-
8 mation about such denials.

9 (2) TERRORIST THREATS TO REGIME MEM-
10 BERS.—

11 (A) PRESUMPTION OF DENIAL FOR LI-
12 CENSES.—For each existing export control re-
13 gime and for each export control regime the
14 United States seeks to create, the Secretary of
15 State, in consultation with the Secretary, shall
16 pursue negotiations with other members of such
17 regime to establish a presumption of denial for
18 licenses for exports that would directly contrib-
19 ute to acts of terrorism directed at 1 or more
20 regime members.—

21 (B) REPORTS TO CONGRESS.—The Sec-
22 retary shall annually report to the Committee
23 on International Relations of the House of Rep-
24 resentatives and the Committee on Banking,
25 Housing, and Urban Affairs of the Senate on

1 the progress made toward meeting the objec-
2 tives set forth in subparagraph (A).

3 (3) DISCLOSURE OF NONPROPRIETARY INFOR-
4 MATION.—The Secretary of State shall propose the
5 following to each export control regime:

6 (A) Full disclosure on a confidential basis
7 to all members of the regime of all
8 nonproprietary information relating to all li-
9 censes granted for the export of items con-
10 trolled by the regime, consistent with the pro-
11 tection of intelligence sources and methods.

12 (B) A list of controlled items of particular
13 sensitivity for which such disclosure shall be
14 given 15 days before the license is issued.

15 (g) TRANSPARENCY OF MULTILATERAL CONTROL
16 REGIMES.—

17 (1) PUBLICATION OF INFORMATION ON EACH
18 EXISTING REGIME.—Within 6 months after the date
19 of the enactment of this Act, the Secretary shall
20 publish in the Federal Register the following infor-
21 mation with respect to export controls agreed to by
22 each multilateral control regime existing on the date
23 of the enactment of this Act:

24 (A) Purposes of the controls.

25 (B) Members of the regime.

1 (C) Licensing policy.

2 (D) Items subject to the controls, together
3 with all public notes, understandings, and other
4 aspects of the agreement of the regime, and all
5 changes thereto.

6 (E) Controlled countries, controlled end
7 uses, and, to the extent not inconsistent with
8 requirements of the regime, controlled end
9 users.

10 (F) Rules of interpretation.

11 (G) Major policy actions.

12 (H) The rules and procedures of the re-
13 gime for establishing and modifying any matter
14 described in subparagraphs (A) through (G)
15 and for reviewing export license applications.

16 (2) INFORMATION REGARDING CONTROLLED
17 END USERS.—The United States shall propose to
18 each export control regime to permit a member of
19 the regime to publish the controlled end users (in-
20 cluding projects of concern) agreed to by the regime.

21 (3) NEW REGIMES.—Within 2 months after
22 joining or organizing a new export control regime,
23 the Secretary shall publish the information described
24 in subparagraphs (A) through (H) of paragraph (1).

1 (4) PUBLICATION OF CHANGES.—The Secretary
2 shall publish in the Federal Register any changes in
3 the information published under this subsection
4 within 2 months after the applicable regime adopts
5 such changes.

6 (h) EFFECTIVENESS OF MULTILATERAL CONTROL
7 REGIMES AND IMPLEMENTATION BY THEIR MEMBERS.—

8 (1) ANNUAL EVALUATION.—At least once each
9 year, the Secretary shall evaluate the effectiveness of
10 each export control regime and the effectiveness of
11 the implementation of the regime by each of its
12 members, including the United States. Such evalua-
13 tion shall be included in the annual report issued
14 under section 115.

15 (2) CONTENTS.—The evaluation under para-
16 graph (1) shall include the following for the calendar
17 year for which the report is issued:

18 (A) Items not controlled by the export con-
19 trol regime that the United States believes
20 should be controlled if the regime is to achieve
21 its control purposes effectively.

22 (B) Countries that are sources of foreign
23 availability for each item controlled by agree-
24 ment of the regime. Such countries shall in-
25 clude members of the regime, cooperating coun-

1 tries with respect to the regime, and countries
2 that are not members of the regime.

3 (C) Countries that are risks for diverting
4 controlled items to controlled countries, end
5 uses, or end users.

6 (D) Members of the regime that have not,
7 in the judgment of the Secretary, implemented
8 the objectives set forth in subsection (d).

9 (E) The extent to which the regime and
10 each of its members have adopted and are im-
11 plementing uniform licensing policies.

12 (F) The extent to which the licensing pol-
13 icy of the regime and each of its members ade-
14 quately prevents the export licensing decisions
15 of one member of the regime from rendering in-
16 effective the denial of license applications by
17 another member.

18 (3) COMMENTS.—Before beginning each evalua-
19 tion under this subsection, the Secretary shall re-
20 quest comments from the public and the export advi-
21 sory committees appointed under section 104(f) re-
22 garding the effectiveness of each export control re-
23 gime. The Secretary shall give the public at least 30
24 days to provide comments under this paragraph.

25 (i) FOREIGN AVAILABILITY.—

1 (1) FOREIGN AVAILABILITY TO CONTROLLED
2 COUNTRIES.—

3 (A) IN GENERAL.—The Secretary, in con-
4 sultation with the Secretary of Defense, other
5 appropriate Government departments and agen-
6 cies, and appropriate export advisory commit-
7 tees appointed under section 104(f), shall re-
8 view, on a continuing basis, the availability of
9 controlled items to controlled countries from
10 sources outside the United States, including
11 countries that participate with the United
12 States in export control regimes.

13 (B) ITEMS CONTROLLED BY COCOM.—(i)
14 In any case in which the Secretary determines
15 under paragraph (3), in accordance with proce-
16 dures and criteria which the Secretary shall es-
17 tablish by regulation, that any item controlled
18 for export pursuant to the agreement of
19 COCOM is available in fact, or will be available
20 in fact within 2 years in the future, to con-
21 trolled countries from sources outside the Unit-
22 ed States in sufficient quantity and of com-
23 parable quality so that the requirement of a
24 validated license for the export of such item is

1 or would be ineffective in achieving the pur-
2 poses of this section—

3 (I) the President shall propose to
4 COCOM that export controls on such item
5 be eliminated, or

6 (II) if the President determines that
7 the absence of export controls on the item
8 would prove detrimental to the national se-
9 curity of the United States, the President
10 shall actively pursue negotiations with the
11 governments of the appropriate foreign
12 countries for the purpose of eliminating
13 such availability.

14 No later than the commencement of such nego-
15 tiations, the President shall notify in writing
16 the Committee on Banking, Housing, and
17 Urban Affairs of the Senate and the Committee
18 on International Relations of the House of Rep-
19 resentatives that the President has begun such
20 negotiations and why the President believes it is
21 important to the national security that export
22 controls on the item involved be maintained.

23 (ii) If, within 6 months after the Presi-
24 dent's determination under clause (i)(II) that
25 export controls be maintained notwithstanding

1 foreign availability, the foreign availability has
2 not been eliminated, the Secretary may not,
3 after the end of that 6-month period, require a
4 validated license for the export of the item in-
5 volved. The President may extend the 6-month
6 period for an additional period of 12 months if
7 the President certifies to the Congress that the
8 negotiations involved are progressing and that
9 the absence of the export controls involved
10 would prove detrimental to the national security
11 of the United States.

12 (C) ITEMS CONTROLLED BY OTHER RE-
13 GIMES.—(i) In any case in which the Secretary
14 determines under paragraph (3), in accordance
15 with procedures and criteria which the Sec-
16 retary shall establish by regulation, that any
17 item controlled for export pursuant to an export
18 control regime other than COCOM is available
19 in fact, or will be available in fact within 2
20 years in the future, to controlled countries from
21 sources outside the United States in sufficient
22 quantity and of comparable quality so that the
23 requirement of a validated license for the export
24 of such item is or would be ineffective in achiev-
25 ing the purposes of this section, the President

1 shall actively pursue negotiations with the gov-
2 ernments of the appropriate foreign countries
3 for the purpose of eliminating such availability.
4 No later than the commencement of such nego-
5 tiations, the President shall notify in writing
6 the Committee on Banking, Housing, and
7 Urban Affairs of the Senate and the Committee
8 on International Relations of the House of Rep-
9 resentatives that the President has begun such
10 negotiations, indicating whether the President
11 believes it is important that export controls on
12 the item involved be maintained to avoid a sig-
13 nificant risk to the national security interests of
14 the United States.

15 (ii) If, within 120 days after a determina-
16 tion of foreign availability described in clause
17 (i) is made, the foreign person or persons that
18 are or will be the source of such foreign avail-
19 ability have not taken the steps necessary to
20 eliminate such availability, the President shall
21 propose to the export control regime controlling
22 the commodities or technology that are the sub-
23 ject of the foreign availability determination—

24 (I) that such controls be eliminated,
25 or

1 (II) that the members of the regime
2 impose all of the sanctions described in
3 clause (iii) on such foreign person or per-
4 sons.

5 (iii) The sanctions referred to in clause (ii)
6 to be imposed on a foreign person or persons
7 are the following:

8 (I) A prohibition on the export to
9 such person or persons of all items con-
10 trolled by such export control regime.

11 (II) A prohibition on the import of all
12 goods that are produced by such person or
13 persons.

14 (III) A prohibition on procurement by
15 such governments of any services, commod-
16 ities, technology, or other products from or
17 produced by such person or persons.

18 (iv) If, within 90 days after a proposal
19 under clause (ii)(II) regarding sanctions is
20 made to an export control regime, such regime
21 has not agreed to such proposal, the President
22 shall either propose to such regime that the ex-
23 port controls on the commodities or technology
24 that are the subject of the foreign availability
25 determination be eliminated, or report to the

1 Congress that the President has determined
2 that elimination of the controls would create a
3 significant risk to the national security interests
4 of the United States. Such report shall include
5 the basis for such determination.

6 (2) NOTICE OF ALL FOREIGN AVAILABILITY AS-
7 SESSMENTS.—Whenever the Secretary undertakes a
8 foreign availability assessment under this subsection,
9 the Secretary shall publish notice of such assessment
10 in the Federal Register.

11 (3) PROCEDURES FOR MAKING DETERMINA-
12 TIONS.—

13 (A) PROCEDURES.—(i) The Secretary shall
14 make a foreign availability determination under
15 paragraph (1) on the Secretary's own initiative,
16 upon the certification of an export advisory
17 committee appointed under section 104(f) with
18 respect to the commodities or technology con-
19 cerning which the certification is made, or upon
20 receipt of an allegation from an export license
21 applicant that such availability exists. In mak-
22 ing any such determination, the Secretary shall
23 accept the representations of applicants made
24 in writing and supported by reasonable evi-
25 dence, unless such representations are contra-

1 dicted by reliable evidence, including scientific
2 or physical examination, expert opinion based
3 upon adequate factual information, or intel-
4 ligence information.

5 (ii) In making determinations of foreign
6 availability, the Secretary may consider such
7 factors as cost, reliability, the availability and
8 reliability of spare parts and the cost and qual-
9 ity thereof, maintenance programs, durability,
10 quality of end products produced by the item
11 subject to the determination, and scale of pro-
12 duction.

13 (iii) For purposes of this subparagraph,
14 the term “evidence” may include such items as
15 foreign manufacturers’ catalogues, brochures,
16 operations or maintenance manuals, articles
17 from reputable trade publications, photographs,
18 and depositions based upon eyewitness ac-
19 counts.

20 (B) CERTIFICATIONS BY EXPORT ADVI-
21 SORY COMMITTEES.—At the same time as an
22 export advisory committee submits a certifi-
23 cation to the Secretary under subparagraph
24 (A)(i), the committee shall submit the certifi-
25 cation to the Congress. The Secretary shall in-

1 investigate the foreign availability so certified
2 and, not later than 90 days after the certifi-
3 cation is made, shall submit a report to the ex-
4 port advisory committee and the Congress stat-
5 ing that—

6 (i) the foreign availability does exist,
7 and the applicable steps are being taken
8 under paragraph (1); or

9 (ii) the foreign availability does not
10 exist.

11 To the extent necessary, the report may be sub-
12 mitted on a classified basis.

13 (C) ALLEGATIONS BY EXPORT LICENSE
14 APPLICANTS.—Within 4 months after receiving
15 an allegation described in subparagraph (A)(i)
16 from an export license applicant, the Secretary
17 shall determine whether the foreign availability
18 exists, and shall so notify the applicant. If the
19 Secretary has determined that the foreign avail-
20 ability exists, the Secretary shall, upon making
21 such determination, submit the determination
22 for review to other departments and agencies as
23 the Secretary considers appropriate. The Sec-
24 retary's determination of foreign availability
25 shall not require the concurrence or approval of

1 any such department or agency. Not later than
2 30 days after the Secretary makes the deter-
3 mination, the Secretary shall respond in writing
4 to the applicant and submit for publication in
5 the Federal Register, that—

6 (i) the foreign availability does exist,
7 and the applicable steps are being taken
8 under paragraph (1); or

9 (ii) the foreign availability does not
10 exist.

11 (4) SHARING OF INFORMATION.—Each depart-
12 ment or agency of the United States, including any
13 intelligence agency, and all contractors with any
14 such department or agency, shall, upon the request
15 of the Secretary and consistent with the protection
16 of intelligence sources and methods as determined by
17 the Director of Central Intelligence, furnish informa-
18 tion to the Department of Commerce concerning for-
19 eign availability of items subject to export controls
20 under this section, including allowing access to any
21 information from a laboratory or other facility with-
22 in such department or agency.

23 (5) CONGRESSIONAL NOTIFICATIONS.—The
24 Secretary shall annually notify the Committee on
25 Foreign Affairs of the House of Representatives,

1 and the Committee on Banking, Housing, and
2 Urban Affairs of the Senate, of all allegations of for-
3 eign availability received from export license appli-
4 cants under paragraph (3), and the actions the Sec-
5 retary has taken pursuant to such allegations.

6 (j) REVIEW OF CONTROLLED ITEMS.—

7 (1) IN GENERAL.—The Secretary shall review
8 all commodities and technology on the security con-
9 trol list maintained under subsection (b) at least an-
10 nually. At the conclusion of each review, the Sec-
11 retary shall justify the inclusion of each item on the
12 security control list, remove items from the security
13 control list, change the specifications of items on the
14 list, or add items to the list, in order to meet the
15 requirements of subsection (a)(1). The data devel-
16 oped from such reviews shall be used in formulating
17 United States proposals for revision of multilateral
18 controls in the applicable export control regimes.

19 (2) CONSIDERATIONS.—In conducting the an-
20 nual review, the Secretary shall—

21 (A) consult with the appropriate export ad-
22 visory committees appointed under section
23 104(f) and consider recommendations of such
24 committees with respect to proposed changes in
25 the security control list;

1 (B) consider the results of foreign avail-
2 ability determinations made under subsection
3 (i);

4 (C) consider comments received pursuant
5 to the notice of review provided under para-
6 graph (3)(B); and

7 (D) consult with other appropriate depart-
8 ments or agencies.

9 (3) PROCEDURES.—

10 (A) DURATION OF REVIEW.—The annual
11 review required under paragraph (1) may not
12 extend beyond 180 days after such review is
13 begun.

14 (B) NOTICE OF REVIEW.—Before begin-
15 ning each annual review, the Secretary shall
16 publish a notice of that review in the Federal
17 Register and shall provide a 30-day period for
18 comments and submission of data, with or with-
19 out oral presentation, by interested Government
20 agencies, exporters, and other interested par-
21 ties.

22 (C) REVISIONS.—The Secretary shall make
23 a determination of any revisions in the security
24 control list not later than 30 days after the end
25 of the review period. In making such determina-

1 tion, the Secretary shall consult with the appro-
2 priate departments or agencies. The concu-
3 rence or approval of any other department or
4 agency shall not be required before any such re-
5 vision is made.

6 (D) PROPOSALS TO EXPORT CONTROL RE-
7 GIMES.—If a revision of the security control list
8 under this paragraph affects the items con-
9 trolled by an export control regime, the Sec-
10 retary of State shall propose such revision to
11 that regime. Such revision shall become effec-
12 tive only to the extent such revision is agreed
13 to by the export control regime.

14 (E) PUBLICATION OF REVISIONS.—The
15 Secretary shall publish in the Federal Register
16 any revisions in the list, with an explanation of
17 the reasons for the revisions.

18 (k) INDEXING.—The Secretary shall develop, with the
19 assistance of the export advisory committees appointed
20 under section 104(f), methodologies and procedures for in-
21 dexing items on the security control list where perform-
22 ance capabilities are relevant and measurable. Such meth-
23 odologies and procedures shall provide for increases in the
24 performance levels of commodities and technology on the
25 security control list and shall provide for the technical

1 specifications below which no authority or permission to
2 export is required as compared to the most technologically
3 advanced commercially available version of the same or
4 equivalent commodities or technology. Such methodologies
5 and procedures shall be published in the Federal Register
6 and used in the annual review of the security control list
7 under subsection (j).

8 (I) REVIEW OF EXPORT CONTROLS ON COMPUTER
9 EQUIPMENT AND TECHNOLOGY.—

10 (1) IN GENERAL.—In order to ensure that re-
11 quirements of validated licenses are periodically re-
12 moved as computer equipment, computer commu-
13 nications and networking equipment, computer soft-
14 ware, and related technology, that are subject to
15 such requirements become obsolete with respect to
16 the specific objectives of the export controls requir-
17 ing such licenses, the Secretary shall conduct peri-
18 odic reviews of such controls. The Secretary shall
19 complete such a review not later than 6 months
20 after the date of the enactment of this Act, and
21 thereafter as part of the reviews conducted under
22 subsection (j).

23 (2) REVIEW ELEMENTS.—In conducting each
24 review under paragraph (1), the Secretary shall do

1 the following with respect to the export controls de-
2 scribed in paragraph (1):

3 (A) OBJECTIVES OF CONTROLS.—The Sec-
4 retary shall identify the specific objectives of
5 the export controls, as part of a comprehensive
6 strategy to prevent the proliferation of weapons
7 of mass destruction, for the 12-month period
8 following completion of the review, for each
9 country or group of countries for which a vali-
10 dated license is required. When an objective of
11 an export control is to defer the development of
12 a specific capability in such country or group of
13 countries, the Secretary shall specify for what
14 period of time the controls are expected to defer
15 such capability.

16 (B) QUANTITY AND PERFORMANCE.—The
17 Secretary shall estimate, for the 12-month pe-
18 riod described in subparagraph (A), the quan-
19 tity and performance (measured in Composite
20 Theoretical Performance or other relevant per-
21 formance metrics) of computer systems that
22 must be obtained by each country or group of
23 countries for which a validated license is re-
24 quired in order to defeat the objectives of the
25 export controls.

1 (C) AVAILABILITY TO CONTROLLED DES-
2 TINATIONS.—The Secretary shall evaluate the
3 effectiveness of the export controls in achieving
4 their specific objectives, including explicit de-
5 scriptions of the availability from sources out-
6 side the United States, during the 12-month pe-
7 riod described in subparagraph (A), to con-
8 trolled countries of computer equipment, com-
9 puter communications and networking equip-
10 ment, computer software, and related tech-
11 nology on which the export controls are in ef-
12 fect.

13 (D) ECONOMIC IMPACT.—The Secretary
14 shall evaluate the economic impact, during the
15 12-month period described in subparagraph
16 (A), of the export controls on exporting compa-
17 nies, including estimates of lost sales, loss in
18 market share, and administrative overhead.

19 (3) INCREASE IN THRESHOLDS.—

20 (A) INCREASES.—After completing each
21 review under this subsection, the Secretary
22 shall, after consultation with appropriate de-
23 partments or agencies, increase, if warranted by
24 the findings of the review, the following export
25 control thresholds, consistent with the obliga-

1 tions of the United States under export control
2 regimes:

3 (i) The performance levels at which
4 computer systems are eligible for delivery
5 under a distribution license or other license
6 authorizing multiple exports.

7 (ii) The performance levels defining a
8 “supercomputer”.

9 (iii) The performance levels at which
10 an individual validated license is required
11 for the export to a controlled country of
12 computer systems and peripherals, soft-
13 ware, parts, and communications equip-
14 ment normally supplied with such com-
15 puter systems.

16 In any recommendation for or publication of
17 such increase, the Secretary shall include the
18 specific rationale for the increase.

19 (B) PROPOSALS TO MULTILATERAL RE-
20 GIMES.—The Secretary of State shall, within 30
21 days after a determination by the Secretary to
22 increase thresholds, propose to the other mem-
23 bers of the applicable export control regime the
24 elimination of the applicable controls on the
25 items with respect to which such determination

1 is made, in accordance with the procedures of
2 the regime, and publish a notice of such pro-
3 posal in the Federal Register.

4 (4) REPORT.—The Secretary shall transmit to
5 the Congress, and to any export advisory committee
6 appointed under section 104(f) with respect to com-
7 puter systems, a report on the findings of each re-
8 view conducted under this subsection, addressing
9 each requirement set forth in paragraph (2).

10 (5) HEARINGS.—The Secretary shall conduct
11 public hearings not less than once each year in order
12 to solicit information from all interested parties on
13 all matters to be addressed in each review conducted
14 under this subsection.

15 (6) REMOVAL OF CONTROLS ON MASS-MARKET
16 COMPUTER EQUIPMENT.—

17 (A) MASS-MARKET COMPUTER EQUIPMENT
18 DEFINED.—For purposes of this paragraph, the
19 term “mass-market computer equipment”
20 means any computer system, computer
21 networking equipment, peripheral to a computer
22 system, part or subassembly of a computer sys-
23 tem, or combination thereof, on which export
24 controls are in effect under this section, and
25 which will have been installed for end use out-

1 side the United States in a quantity exceeding
2 100,000 units over a 12-month period, as deter-
3 mined under subparagraph (B).

4 (B) ANTICIPATORY REVIEW OF MASS-MAR-
5 KET COMPUTER EQUIPMENT.—Not later than—

6 (i) 6 months after the date of the en-
7 actment of this Act, and

8 (ii) the end of each 1-year period oc-
9 ccurring thereafter,

10 the Secretary shall, in consultation with the
11 Computer Systems Technical Advisory Commit-
12 tee (or successor export advisory committee),
13 industry groups, and computer equipment pro-
14 ducers, identify those items described in sub-
15 subparagraph (A) (including computer systems dif-
16 ferentiated in terms of Composite Theoretical
17 Performance) that will be installed for end use
18 outside the United States in a quantity exceed-
19 ing 100,000 units during the 12-month period
20 beginning on the applicable date described in
21 clause (i) or (ii). For purposes of this para-
22 graph, estimates of numbers of items that will
23 be installed shall be based on reliable estimates
24 provided by producers of such items.

1 (C) ACTION BY THE SECRETARY.—Not
2 later than 30 days after an item is determined
3 by the Secretary under subparagraph (B) to be
4 mass-market computer equipment, the Sec-
5 retary of State shall propose to the export con-
6 trol regime controlling the equipment the
7 eliminaton of controls on such equipment in ac-
8 cordance with the procedures of the appropriate
9 regime and shall publish a notice of such pro-
10 posal in the Federal Register.

11 (m) TRADE SHOWS.—Consistent with the agreements
12 of applicable multilateral export control regimes, an appli-
13 cation for a license for the export to a controlled country
14 of any commodity on which export controls are in effect
15 under this section, without regard to the technical speci-
16 fications of the commodity, for the purpose of demonstra-
17 tion or exhibition at a trade show shall carry a presump-
18 tion of approval if—

19 (1) the United States exporter retains title to,
20 and maintains effective control of, the commodity,
21 and complies with any safeguard requirement im-
22 posed by the Secretary, during the entire period in
23 which the commodity is in the controlled country;
24 and

1 (2) the exporter removes the commodity from
2 the controlled country within a reasonable period of
3 time after the conclusion of the trade show, as de-
4 fined in regulations issued by the Secretary.

5 (n) STUDY ON COMPUTER EXPORT CONTROLS.—

6 (1) ARRANGEMENTS FOR AND CONTENT OF
7 STUDY.—

8 (A) ARRANGEMENTS FOR CONDUCTING
9 STUDY.—The Secretary, not later than 60 days
10 after the date of the enactment of this Act,
11 shall enter into appropriate arrangements with
12 the National Academy of Sciences and the Na-
13 tional Academy of Engineering (hereafter in
14 this subsection referred to as the “Academies”)
15 to conduct a comprehensive study on the extent
16 to which exports of computers can be effectively
17 controlled, and the policy reasons for maintain-
18 ing such controls.

19 (B) REQUIREMENT OF STUDY.—Recogniz-
20 ing the need to enhance the competitiveness of
21 the United States computer industry while pre-
22 venting sensitive technology from being used to
23 develop weapons of mass destruction by con-
24 trolled countries, the study shall—

1 (i) examine the trends of the com-
2 puter industry, including those toward new
3 and more powerful computer systems
4 based upon “Parallel Computing” and
5 “Virtual Parallel Processing”, and their ef-
6 fect on the extent to which exports of com-
7 puter systems can be effectively controlled,
8 with respect to the factors described in
9 clause (ii);

10 (ii) examine the factors that make it
11 increasingly difficult to control the export
12 of computers, including the size and
13 expandability of many modern computer
14 systems and the availability of such com-
15 puter systems from foreign sources; and

16 (iii) the effect of export controls on
17 the competitiveness of the United States
18 computer industry.

19 (2) ADVISORY PANEL.—In conducting the study
20 under paragraph (1), the Academies shall appoint an
21 Advisory Panel of not more than 12 members who
22 shall be selected from among individuals who, by vir-
23 tue of their experience and expertise, are knowledge-
24 able in relevant scientific, business, legal, or admin-
25 istrative matters. No individual may serve as a mem-

1 ber who is an elected or appointed official or em-
2 ployee in the executive, legislative, or judicial branch
3 of any government. In selecting members of the Ad-
4 visory Panel, the Academies shall seek suggestions
5 from the President, the Congress, and representa-
6 tives of industry and the academic community.

7 (3) EXECUTIVE BRANCH COOPERATION.—The
8 Secretary, the Secretary of Defense, the Secretary of
9 State, the Director of the Central Intelligence Agen-
10 cy, and the head of any department or agency that
11 exercises authority under this title—

12 (A) shall furnish to the Academies, upon
13 request and under appropriate safeguards, clas-
14 sified or unclassified information which the
15 Academies determine to be necessary for the
16 purposes of conducting the study required by
17 this subsection; and

18 (B) shall work with the Academies on such
19 problems related to the study as the Academies
20 consider necessary.

21 (4) REPORT.—Under the direction of the Advi-
22 sory Panel, the Academies shall prepare and submit
23 to the President and the Congress, not later than 9
24 months after entering into the arrangements re-
25 ferred to in paragraph (1), a report which contains

1 a detailed statement of findings and conclusions of
2 the Academies from the study conducted under
3 paragraph (1), together with their recommendations
4 for the complete removal of controls from computers
5 or specifying the level of technology to which con-
6 trols on computers should be reduced.

7 **SEC. 106. EMERGENCY CONTROLS.**

8 (a) AUTHORITY.—

9 (1) IN GENERAL.—In order to carry out the
10 policy set forth in paragraphs (6) and (9) of section
11 103, the President may, in accordance with the pro-
12 visions of this section, unilaterally prohibit or curtail
13 the export of any commodity or technology subject
14 to the jurisdiction of the United States or exported
15 by any person subject to the jurisdiction of the Unit-
16 ed States.

17 (2) EXERCISE OF AUTHORITY.—The authority
18 contained in this section shall be exercised by the
19 Secretary, in consultation with the Secretary of
20 State, the Secretary of Defense, and such other de-
21 partments and agencies as the President considers
22 appropriate.

23 (3) EXPIRATION OF AUTHORITY.—

24 (A) IN GENERAL.—Any controls imposed
25 under this section shall expire 6 months after

1 they are imposed, unless they are terminated
2 earlier by the President or unless they are ex-
3 tended under this section, except that such con-
4 trols may be adopted as multilateral controls
5 under section 105 or included in an embargo
6 described in subsection (f)(1) that is imposed
7 by the President under the International Emer-
8 gency Economic Powers Act, the Trading with
9 the Enemy Act, or other provision of law other
10 than this title. Any extension or subsequent ex-
11 tension of the controls under this section shall
12 be for a period of not more than 1 year each.
13 The controls shall expire at the end of each
14 such extension unless they are terminated ear-
15 lier by the President or unless they are further
16 extended under this section, except that such
17 controls may be adopted as multilateral controls
18 under section 105 or included in an embargo
19 described in the first sentence of this subpara-
20 graph.

21 (B) EXCEPTION FOR MULTILATERAL
22 AGREEMENTS.—Subparagraph (A) shall not
23 apply to controls imposed by the President in
24 order to fulfill obligations of the United States
25 under resolutions of the United Nations or

1 under treaties to which the United States is a
2 party. If such a resolution or treaty ceases to
3 be in effect, controls imposed by the President
4 pursuant to such resolution or treaty shall im-
5 mediately cease to be in effect.

6 (4) CRITERIA.—The President may impose con-
7 trols under this section only if the President—

8 (A) determines that the controls are essen-
9 tial to the national security or foreign policy of
10 the United States or its allies, including the
11 prevention of acts of international terrorism;

12 (B) determines that no other alternative
13 means can achieve the national security or for-
14 eign policy objectives of the United States with-
15 in a reasonable period of time, including all
16 other possible sanctions;

17 (C) determines that the controls can rea-
18 sonably be expected to achieve their intended
19 objectives after having taken into consideration
20 other factors, including the availability from
21 one or more countries of comparable commod-
22 ities and technology to those on which the con-
23 trols are to be imposed;

1 (D) determines that the United States has
2 the ability to enforce all aspects of the proposed
3 controls effectively;

4 (E) determines that the effect of the pro-
5 posed controls on the export performance of the
6 United States, the competitive position of the
7 United States as a supplier of items, or on the
8 economic well-being of individual United States
9 companies and their employees and commu-
10 nities does not exceed the benefits to the for-
11 eign policy or national security interests of the
12 United States; and

13 (F) identifies those commodities and tech-
14 nology to be controlled, determines that they
15 must be controlled in order to achieve the in-
16 tended purpose of the controls, and describes
17 the reasons for selecting such items.

18 (5) NEGOTIATIONS.—The President shall com-
19 mence, through the Secretary of State, within 10
20 days after the imposition of controls under this sec-
21 tion, negotiations with other countries to adopt the
22 controls so that such controls may be imposed under
23 section 105, unless such controls are imposed under
24 paragraph (3)(B).

1 (b) CONSULTATION WITH INDUSTRY.—The Sec-
2 retary in every possible instance shall consult with and
3 seek advice from affected United States industries and ex-
4 port advisory committees appointed under section 104(f)
5 before the imposition, expansion, or extension of any ex-
6 port control under this section.

7 (c) CONSULTATION WITH OTHER COUNTRIES.—
8 When expanding or extending export controls under this
9 section (unless such action is taken under subsection
10 (a)(3)(B)), the Secretary of State, in consultation with the
11 Secretary, shall, at the earliest appropriate opportunity,
12 consult with the countries with which the United States
13 maintains export controls cooperatively, and with other
14 countries, as appropriate, to advise them of the reasons
15 for the action and to urge them to adopt similar controls,
16 so that the controls may be imposed under section 105.

17 (d) CONSULTATIONS WITH THE CONGRESS.—

18 (1) CONSULTATIONS.—The Secretary may im-
19 pose, expand, or extend export controls under this
20 section only after consultation with the Congress, in-
21 cluding the Committee on International Relations of
22 the House of Representatives and the Committee on
23 Banking, Housing, and Urban Affairs of the Senate.

1 (2) REPORTS.—The Secretary may not impose
2 or expand controls under subsection (a) until the
3 Secretary has submitted to the Congress a report—

4 (A) addressing each of the criteria set
5 forth in subparagraphs (A) through (F) of sub-
6 section (a)(4);

7 (B) specifying the purpose of the controls;

8 (C) describing the nature, the subjects,
9 and the results of, or plans for, the consultation
10 with industry under subsection (b) and with
11 other countries under subsections (a)(5) and
12 (c);

13 (D) specifying the nature and results of
14 any alternative means attempted to achieve the
15 objectives of the controls, or the reasons for im-
16 posing or expanding the controls without at-
17 tempting any such alternative means; and

18 (E) describing the availability from other
19 countries of items comparable to the items sub-
20 ject to the controls, and describing the nature
21 and results of the efforts made to secure the co-
22 operation of foreign governments in controlling
23 the foreign availability of such comparable com-
24 modities or technology.

1 Such report shall also indicate how such controls will
2 further significantly the policies of the United States
3 as set forth in section 103 or will further its de-
4 clared international obligations.

5 (3) SUBMISSION OF REPORT TO GAO.—Each re-
6 port required by paragraph (2) shall, at the same
7 time it is submitted to the Congress, also be submit-
8 ted to the General Accounting Office for the purpose
9 of assessing the report's full compliance with the
10 purpose of this subsection.

11 (e) SEEKING MULTILATERAL SUPPORT FOR UNILAT-
12 ERAL CONTROLS.—The Secretary and the Secretary of
13 State shall have a continuing duty to seek support, by
14 other countries and by multilateral export control regimes,
15 for all controls imposed under this section.

16 (f) PROCEDURES AND LIMITATIONS ON EMERGENCY
17 CONTROLS.—

18 (1) IMPOSITION OF AN EMBARGO.—An embargo
19 under subsection (a)(3)(A) shall include the prohibi-
20 tion of all exports to and imports from the country
21 against which the controls under this section were
22 imposed, except that such an embargo need not in-
23 clude a prohibition on exports of items described in
24 section 114(k).

25 (2) CESSATION OF EMERGENCY CONTROLS.—

1 (A) IN GENERAL.—Controls imposed under
2 this section on commodities or technology shall
3 cease to be in effect immediately upon—

4 (i) the imposition of multilateral con-
5 trols under section 105 on the same com-
6 modities and technology to the country or
7 end user, or for the end use, with respect
8 to which the controls were imposed under
9 this section; or

10 (ii) the imposition, under the Inter-
11 national Emergency Economic Powers Act,
12 the Trading with the Enemy Act, or other
13 provision of law, of an embargo described
14 in paragraph (1).

15 (B) CONVERSION TO MULTILATERAL
16 AGREEMENTS.—If the President imposes con-
17 trols on commodities or technology to a country
18 or end user, or for an end use, under this sec-
19 tion in order to fulfill obligations of the United
20 States under resolutions of the United Nations
21 or under a treaty to which the United States is
22 a party, any controls imposed prior thereto
23 under this section on the same commodities or
24 technology to the same country or end user, or

1 for the same end use, shall immediately cease
2 to be in effect.

3 (3) LIMITATIONS ON REIMPOSITION.—Controls
4 which have ceased to be in effect under subsection
5 (a)(3), and which have not been extended under sub-
6 section (g), may not be reimposed by the President
7 under subsection (a) for a period of 6 months begin-
8 ning on the date on which the original controls ex-
9 pire.

10 (g) EXTENSION OF EMERGENCY CONTROLS.—

11 (1) REPORT.—If the President decides to ex-
12 tend controls imposed under subsection (a), which
13 are due to expire under subsection (a)(3), the Presi-
14 dent shall, not later than 60 calendar days before
15 the expiration of such controls, transmit to the Con-
16 gress a report on the proposed extension, setting
17 forth the reasons for the proposed extension in detail
18 and specifying the period of time, which may not ex-
19 ceed 1 year, for which the controls are proposed to
20 be extended. In particular, such report shall—

21 (A) contain determinations by the Presi-
22 dent—

23 (i) that the controls continue to be es-
24 sential to the national security or foreign
25 policy of the United States;

1 (ii) that no other alternative means
2 can achieve the national security or foreign
3 policy objectives of the United States with-
4 in a reasonable period of time, as described
5 in subsection (a)(4)(B);

6 (iii) that the United States has dem-
7 onstrated the ability to enforce all aspects
8 of the controls effectively; and

9 (iv) that the effect of the controls on
10 those factors described in subsection
11 (a)(4)(E) has not exceeded the benefits to
12 the foreign policy or national security in-
13 terests of the United States;

14 (B) identify those commodities and tech-
15 nology to be controlled, specify that they must
16 be controlled in order to achieve the intended
17 purpose of the controls, and describe the rea-
18 sons for the selection of such items;

19 (C) specify the reasons why negotiations
20 required under subsection (a)(5) or (c) failed to
21 result in the adoption of the controls under sec-
22 tion 105, and the prospects for the multilateral
23 adoption of such controls;

24 (D) specify the reasons why an embargo
25 described in paragraph (1) is not presently jus-

1 tified to achieve the national security or foreign
2 policy objectives of the United States;

3 (E) include an assessment by the Secretary
4 of the economic consequences of the controls
5 during the preceding 4 months (in the case of
6 the first extension of the controls under this
7 section) or during the preceding 10 months (in
8 the case of any subsequent extension of the con-
9 trols under this section), including estimates of
10 any lost United States exports and jobs;

11 (F) include an assessment by the Secretary
12 of State of the objectives of the controls and the
13 extent to which the controls have attained those
14 objectives during the preceding 4 months (in
15 the case of the first extension of the controls
16 under this section) or during the preceding 10
17 months (in the case of any subsequent exten-
18 sion of the controls under this section); and

19 (G) include an assessment by the Secretary
20 of Defense of the impact the controls have had
21 on the national security of the United States in
22 the preceding 4 months (in the case of the first
23 extension of the controls under this section) or
24 in the preceding 10 months (in the case of any

1 subsequent extension of the controls under this
2 section).

3 (2) CONSIDERATION OF EXTENSION.—The con-
4 trols shall remain in effect unless the Congress,
5 within 60 calendar days after its receipt of the re-
6 port under paragraph (1), enacts a joint resolution
7 pursuant to paragraph (3) disapproving the exten-
8 sion of the controls. Any controls remaining in effect
9 shall continue for the period specified in the report
10 or until terminated by the President, whichever oc-
11 curs first, but in no case longer than 1 year after
12 the date on which the controls would otherwise ex-
13 pire under subsection (a)(3), unless the Congress by
14 law terminates the controls. If the Congress, within
15 60 calendar days after the date of its receipt of such
16 report, enacts a joint resolution disapproving the ex-
17 tension of such controls, then such controls shall
18 cease to be effective upon the expiration of that 60-
19 day period.

20 (3) JOINT RESOLUTIONS.—

21 (A) DEFINITION.—For purposes of this
22 paragraph, the term “joint resolution” means
23 only a joint resolution the matter after the re-
24 solving clause of which is as follows: “That,
25 pursuant to section 106(g) of the Export Act of

1 1995, the President may not extend emergency
2 controls as specified in the report submitted to
3 the Congress on _____.”,
4 with the blank space being filled with the ap-
5 propriate date.

6 (B) INTRODUCTION.—On the day on which
7 a report is submitted to the House of Rep-
8 resentatives and the Senate under paragraph
9 (1), a joint resolution with respect to the exten-
10 sion of controls specified in such report shall be
11 introduced (by request) in the House of Rep-
12 resentatives by the chairman of the Committee
13 on International Relations, for the chairman
14 and the ranking minority member of the Com-
15 mittee, or by Members of the House designated
16 by the chairman and ranking minority member;
17 and shall be introduced (by request) in the Sen-
18 ate by the majority leader of the Senate, for the
19 majority leader and the minority leader of the
20 Senate, or by Members of the Senate des-
21 ignated by the majority leader and the minority
22 leader of the Senate. If either House of Con-
23 gress is not in session on the day on which such
24 a report is submitted, the joint resolution shall
25 be introduced in that House, as provided for in

1 the preceding sentence, on the first day there-
2 after on which that House is in session.

3 (C) DISCHARGE.—If the Committee of ei-
4 ther House to which a joint resolution has been
5 referred has not reported the joint resolution by
6 the end of 30 calendar days after its referral,
7 the committee shall be discharged from further
8 consideration of the joint resolution or of any
9 other joint resolution introduced with respect to
10 the same matter.

11 (D) CONSIDERATION.—A joint resolution
12 under this paragraph shall be considered in the
13 Senate in accordance with the provisions of sec-
14 tion 601(b)(4) of the International Security As-
15 sistance and Arms Export Control Act of 1976.
16 For the purpose of expediting the consideration
17 and passage of joint resolutions reported or dis-
18 charged under this paragraph, it shall be in
19 order for the Committee on Rules of the House
20 of Representatives to present for consideration
21 a resolution of the House of Representatives
22 providing procedures for the immediate consid-
23 eration of a joint resolution under this para-
24 graph which may be similar, if applicable, to
25 the procedures set forth in section 601(b)(4) of

1 the International Security Assistance and Arms
2 Export Control Act of 1976.

3 (E) DUPLICATIVE RESOLUTIONS.—In the
4 case of a joint resolution described in subpara-
5 graph (A), if, before the passage by one House
6 of a joint resolution of that House, that House
7 receives a resolution with respect to the same
8 matter from the other House, then—

9 (i) the procedure in that House shall
10 be the same as if no joint resolution had
11 been received from the other House; and

12 (ii) the vote on final passage shall be
13 on the joint resolution of the other House.

14 (4) FURTHER EXTENSIONS OF CONTROLS.—If,
15 upon the expiration of the emergency controls ex-
16 tended under this subsection, the President deter-
17 mines that a further extension of emergency controls
18 for an additional period of time of not more than 1
19 year is necessary, paragraphs (1) through (3) shall
20 apply to such further extension.

21 (5) CALCULATION OF TIME PERIODS.—For pur-
22 poses of calculating calendar days under this sub-
23 section, there shall be excluded the days on which ei-
24 ther House of Congress is not in session because of
25 an adjournment of more than 3 days to a day cer-

1 tain or because of an adjournment of the Congress
2 sine die.

3 (h) EFFECT ON OTHER AUTHORITY.—

4 (1) EMBARGO AUTHORITY.—Nothing in this
5 section shall be construed to limit the authority of
6 the President to impose an embargo described in
7 subsection (f)(1) on exports to, and imports from, a
8 specific country under the International Emergency
9 Economic Powers Act, the Trading with the Enemy
10 Act, or other provision of law (other than this title).
11 In any case in which the President exercises any
12 such authority to impose an embargo, the require-
13 ments of this section shall not apply for so long as
14 such embargo is in effect.

15 (2) EFFECT ON EXISTING EMBARGOES.—(A)
16 Nothing in this section affects the authorities con-
17 ferred upon the President by section 5(b) of the
18 Trading with the Enemy Act, which were being exer-
19 cised with respect to a country on July 1, 1977, as
20 a result of a national emergency declared by the
21 President before that date, and are being exercised
22 on the date of the enactment of this Act.

23 (B) Nothing in this section affects the authori-
24 ties conferred upon the President by the Inter-
25 national Economic Powers Act or other provision of

1 law (other than the Export Administration Act of
2 1979), which were being exercised with respect to a
3 country before the date of the enactment of this Act
4 as a result of a national emergency declared by the
5 President before that date, and are being exercised
6 with respect to such country on such date of enact-
7 ment.

8 (i) COUNTRIES SUPPORTING INTERNATIONAL TER-
9 RORISM.—

10 (1) PROHIBITION ON EXPORTS.—(A) No export
11 or reexport of commodities or technology described
12 in subparagraph (B) may be made to any country
13 the government of which the Secretary of State has
14 determined has repeatedly provided support for acts
15 of international terrorism.

16 (B) The commodities or technology referred to
17 in subparagraph (A) are—

18 (i) any commodities or technology the ex-
19 port of which is controlled under this title pur-
20 suant to the Missile Technology Control Regime
21 or the Australia Group, or controlled under this
22 title pursuant to section 309(c) of the Nuclear
23 Non-Proliferation Act of 1978,

1 (ii) any commodities or technology de-
2 scribed in section 105(a)(1)(B) the export of
3 which is controlled under section 105, and

4 (iii) any commodities or technology the ex-
5 port of which could make a significant contribu-
6 tion to the military potential of a country de-
7 scribed in subparagraph (A), including its mili-
8 tary logistics capability, or could enhance the
9 ability of such country to support acts of inter-
10 national terrorism,

11 other than commodities or technology that the Presi-
12 dent determines will be used only for humanitarian
13 purposes. A validated license shall be required for
14 the export under this paragraph of any such com-
15 modities or technology that will be used only for hu-
16 manitarian purposes.

17 (C) Paragraphs (3)(A) and (4) of subsection (a)
18 shall not apply to exports prohibited or restricted
19 under this subsection.

20 (D)(i) The Secretary shall review the list of
21 items described in subparagraph (B)(iii) at least an-
22 nually. At the conclusion of the review, the Secretary
23 shall justify the inclusion of each item on the list,
24 remove items from the list, change the specifications
25 of items on the list, or add items to the list, in order

1 to ensure that the items on the list meet the require-
2 ments of subparagraph (B)(iii).

3 (ii) The procedures set forth in subparagraphs
4 (B), (C), and (E) of section 105(j) shall apply to re-
5 views under clause (i) of the list of items described
6 in subparagraph (B)(iii) to the same extent as such
7 subparagraphs apply to reviews of the security con-
8 trol list under section 105(j).

9 (2) NOTIFICATION OF CONGRESS OF LICENSES
10 ISSUED.—The Secretary and the Secretary of State
11 shall notify the Committee on International Rela-
12 tions of the House of Representatives and the Com-
13 mittee on Banking, Housing, and Urban Affairs and
14 the Committee on Foreign Relations of the Senate
15 at least 30 days before issuing any validated license
16 under this title for exports to a country the govern-
17 ment of which the Secretary of State has determined
18 has repeatedly provided support for acts of inter-
19 national terrorism.

20 (3) PUBLICATION OF DETERMINATIONS.—Each
21 determination of the Secretary of State under para-
22 graph (1)(A), and each determination under section
23 6(j)(1)(A) of the Export Administration Act of 1979
24 in effect at the time this title takes effect, shall be
25 published in the Federal Register.

1 (4) RESCISSION OF DETERMINATIONS.—A de-
2 termination made by the Secretary of State under
3 paragraph (1)(A) may not be rescinded unless the
4 President submits to the Speaker of the House of
5 Representatives and the chairman of the Committee
6 on Banking, Housing, and Urban Affairs and the
7 chairman of the Committee on Foreign Relations of
8 the Senate—

9 (A) before the proposed rescission would
10 take effect, a report certifying that—

11 (i) there has been a fundamental
12 change in the leadership and policies of the
13 government of the country concerned;

14 (ii) that government is not supporting
15 acts of international terrorism; and

16 (iii) that government has provided as-
17 surances that it will not support acts of
18 international terrorism in the future; or

19 (B) at least 45 days before the proposed
20 rescission would take effect, a report justifying
21 the rescission and certifying that—

22 (i) the government concerned has not
23 provided any support for international ter-
24 rorism during the preceding 6-month pe-
25 riod; and

1 (ii) the government concerned has
2 provided assurances that it will not sup-
3 port acts of international terrorism in the
4 future.

5 (5) WAIVER OF PROHIBITIONS.—The President
6 may waive the prohibitions contained in paragraph
7 (1)(A) with respect to a specific transaction if—

8 (A) the President determines that the
9 transaction is essential to the national security
10 interests of the United States; and

11 (B) not less than 30 days prior to the pro-
12 posed transaction, the President—

13 (i) consults with the Committee on
14 International Relations of the House of
15 Representatives and the Committee on
16 Banking, Housing, and Urban Affairs of
17 the Senate regarding the proposed trans-
18 action; and

19 (ii) submits to the Speaker of the
20 House of Representatives and the chair-
21 man of the Committee on Banking, Hous-
22 ing, and Urban Affairs of the Senate a re-
23 port containing—

24 (I) the name of any country in-
25 volved in the proposed transaction,

1 the identity of any recipient of the
2 items to be provided pursuant to the
3 proposed transaction, and the antici-
4 pated use of those items;

5 (II) a description of the items in-
6 volved in the proposed transaction (in-
7 cluding their market value) and the
8 actual sale price at each step in the
9 transaction;

10 (III) the reasons why the pro-
11 posed transaction is essential to the
12 national security interests of the Unit-
13 ed States and the justification for the
14 proposed transaction;

15 (IV) the date on which the pro-
16 posed transaction is expected to occur;
17 and

18 (V) the name of every United
19 States Government department, agen-
20 cy, or other entity involved in the pro-
21 posed transaction, and every foreign
22 government involved in the proposed
23 transaction.

24 To the extent possible, the information specified in
25 clause (ii) of subparagraph (B) shall be provided in

1 unclassified form, with any classified information
2 provided in an addendum to the report.

3 (6) MULTILATERAL REGIMES.—The Secretary
4 of State shall propose to COCOM, to the Australia
5 Group, to the countries participating in the Missile
6 Technology Control Regime, and to the Nuclear
7 Suppliers Group, that each such group adopt those
8 controls that are imposed by this subsection on ex-
9 ports of commodities or technology subject to control
10 by such group. The Secretary of State shall continue
11 to make such proposals until such export controls
12 are so adopted.

13 (7) EFFECT ON OTHER LAWS.—The provisions
14 of this subsection do not affect any other provision
15 of law to the extent such other provision imposes
16 greater restrictions on exports to any country the
17 government of which the Secretary of State has de-
18 termined has repeatedly provided support for acts of
19 international terrorism than are imposed under this
20 subsection.

21 (j) CRIME CONTROL INSTRUMENTS.—

22 (1) VALIDATED LICENSE REQUIRED.—Crime
23 control and detection instruments and equipment
24 shall be approved for export by the Secretary only
25 pursuant to a validated export license. Paragraphs

1 (3)(A) and (4) of subsection (a) shall not apply to
2 the export controls imposed by this subsection.

3 (2) CONSULTATION WITH SECRETARY OF
4 STATE.—

5 (A) ITEMS ON CONTROL LIST.—Any deter-
6 mination of the Secretary of what commodities
7 or technology shall be included on the control
8 index as a result of the export restrictions im-
9 posed by this subsection shall be made after
10 consultation with the Secretary of State.

11 (B) ACTION ON LICENSE APPLICATION.—
12 Any determination of the Secretary to approve
13 or deny an export license application to export
14 crime control or detection instruments or equip-
15 ment shall be made after consultation with the
16 Secretary of State.

17 (3) DISPUTE RESOLUTION.—If the Secretary of
18 State does not agree with the Secretary with respect
19 to any determination under paragraph (2), the Sec-
20 retary of State shall refer the matter to the Presi-
21 dent for resolution.

22 (4) EXCEPTIONS.—The provisions of this sub-
23 section shall not apply with respect to exports to
24 countries which are members of the North Atlantic
25 Treaty Organization or to Japan, Australia, or New

1 Zealand, or to such other countries as the President
2 shall designate consistent with the purposes of this
3 subsection and section 502B of the Foreign Assist-
4 ance Act of 1961.

5 (k) SPARE PARTS.—At the same time as the Presi-
6 dent imposes or expands export controls under this sec-
7 tion, the President shall determine whether such export
8 controls will apply to replacement parts or parts in com-
9 modities subject to such export controls.

10 **SEC. 107. SHORT SUPPLY CONTROLS.**

11 (a) AUTHORITY.—

12 (1) IN GENERAL.—In order to carry out the
13 policy set forth in section 103(4), the President may
14 prohibit or curtail the export of any commodities
15 subject to the jurisdiction of the United States or
16 exported by any person subject to the jurisdiction of
17 the United States. In curtailing exports to carry out
18 the policy set forth in section 103(4), the President
19 shall allocate a portion of export licenses on the
20 basis of factors other than a prior history of expor-
21 tation. Such factors shall include the extent to which
22 a country engages in equitable trade practices with
23 respect to United States commodities and treats the
24 United States equitably in times of short supply.

1 (2) PUBLIC PARTICIPATION.—Upon imposing
2 quantitative restrictions on exports of any commod-
3 ities to carry out the policy set forth in section
4 103(4), the Secretary shall include in a notice pub-
5 lished in the Federal Register with respect to such
6 restrictions an invitation to all interested parties to
7 submit written comments within 15 days after the
8 date of publication on the impact of such restrictions
9 and the method of licensing used to implement
10 them.

11 (3) LICENSE FEES.—In imposing export con-
12 trols under this section, the President’s authority
13 shall include, but not be limited to, the imposition
14 of export license fees.

15 (b) MONITORING.—

16 (1) IN GENERAL.—In order to carry out the
17 policy set forth in section 103(4), the Secretary shall
18 monitor exports, and contracts for exports, of any
19 commodity when the volume of such exports in rela-
20 tion to domestic supply contributes, or may contrib-
21 ute, to an increase in domestic prices or a domestic
22 shortage, and such price increase or shortage has, or
23 may have, a serious adverse impact on the economy
24 or any sector thereof. Any such monitoring shall
25 commence at a time adequate to assure that the

1 monitoring will result in a data base sufficient to en-
2 able policies to be developed, in accordance with sec-
3 tion 103(4), to mitigate a short supply situation or
4 serious inflationary price rise or, if export controls
5 are needed, to permit imposition of such controls in
6 a timely manner. Information which the Secretary
7 requires to be furnished in effecting such monitoring
8 shall be confidential, except as provided in para-
9 graph (2).

10 (2) REPORTS ON MONITORING.—The results of
11 monitoring under paragraph (1) shall, to the extent
12 practicable, be aggregated and included in weekly re-
13 ports setting forth, with respect to each item mon-
14 itored, actual and anticipated exports, the destina-
15 tion by country, and the domestic and worldwide
16 price, supply, and demand. Such reports may be
17 made monthly if the Secretary determines that there
18 is insufficient information to justify weekly reports.

19 (3) CONSULTATION WITH SECRETARY OF EN-
20 ERGY.—The Secretary shall consult with the Sec-
21 retary of Energy to determine whether monitoring or
22 export controls under this section are warranted
23 with respect to exports of facilities, machinery, or
24 equipment normally and principally used, or in-
25 tended to be used, in the production, conversion, or

1 transportation of fuels and energy (except nuclear
2 energy), including, but not limited to—

3 (A) drilling rigs, platforms, and equipment;

4 (B) petroleum refineries, and natural gas
5 processing, liquefaction, and gasification plants;

6 (C) facilities for production of synthetic
7 natural gas or synthetic crude oil;

8 (D) oil and gas pipelines, pumping sta-
9 tions, and associated equipment; and

10 (E) vessels for transporting oil, gas, coal,
11 and other fuels.

12 (c) PETITIONS FOR MONITORING OR CONTROLS OF
13 METALLIC MATERIALS.—

14 (1) IN GENERAL.—(A) Any entity, including a
15 trade association, firm, or certified or recognized
16 union or group of workers, that is representative of
17 an industry or a substantial segment of an industry
18 that processes metallic materials capable of being re-
19 cycled may transmit a written petition to the Sec-
20 retary requesting the monitoring of exports or the
21 imposition of export controls, or both, with respect
22 to any such material, in order to carry out the policy
23 set forth in section 103(4).

24 (B) Each petition shall be in such form as the
25 Secretary shall prescribe and shall contain informa-

1 tion in support of the action requested. The petition
2 shall include any information reasonably available to
3 the petitioner indicating that each of the criteria set
4 forth in paragraph (3)(A) is satisfied.

5 (2) PUBLICATION OF NOTICE.—Within 15 days
6 after receipt of any petition described in paragraph
7 (1), the Secretary shall publish a notice in the Fed-
8 eral Register. The notice shall—

9 (A) include the name of the material that
10 is the subject to the petition;

11 (B) include the schedule B number of the
12 material as set forth in the Statistical Classi-
13 fication of Domestic and Foreign Commodities
14 Exported from the United States;

15 (C) indicate whether the petition is re-
16 questing that controls or monitoring, or both,
17 be imposed with respect to the exportation of
18 such material; and

19 (D) provide that interested persons shall
20 have a period of 30 days beginning on the date
21 on which the notice is published to submit to
22 the Secretary written data, views, or argu-
23 ments, with or without opportunity for oral
24 presentation, with respect to the matter in-
25 volved.

1 At the request of the petitioner or any other entity
2 described in paragraph (1)(A) with respect to the
3 material which is the subject of the petition, or at
4 the request of any entity representative of producers
5 or exporters of such material, the Secretary shall
6 conduct public hearings with respect to the subject
7 of the petition, in which case the 30-day period may
8 be extended to 45 days.

9 (3) DETERMINATION OF MONITORING OR CON-
10 TROLS.—(A) Within 45 days after the end of the
11 30- or 45-day period described in paragraph (2), as
12 the case may be, the Secretary shall determine
13 whether to impose monitoring or controls, or both,
14 on the export of the material that is the subject of
15 the petition in order to carry out the policy set forth
16 in section 103(4). In making such determination,
17 the Secretary shall determine whether—

18 (i) there has been a significant increase, in
19 relation to a specific period of time, in exports
20 of such material in relation to domestic supply
21 and demand;

22 (ii) there has been a significant increase in
23 domestic price of such material or a domestic
24 shortage of such material relative to demand;

1 (iii) exports of such material are as impor-
2 tant as any other cause of a domestic price in-
3 crease or shortage relative to demand found
4 under clause (ii);

5 (iv) a domestic price increase or shortage
6 relative to demand found under clause (ii) has
7 significantly adversely affected or may signifi-
8 cantly adversely affect the national economy or
9 any sector thereof, including a domestic indus-
10 try; and

11 (v) monitoring or controls, or both, are
12 necessary in order to carry out the policy set
13 forth in section 103(4).

14 (B) The Secretary shall publish in the Federal
15 Register a detailed statement of the reasons for the
16 Secretary's determination under subparagraph (A)
17 of whether to impose monitoring or controls, or
18 both, including the findings of fact in support of
19 that determination.

20 (4) PUBLICATION OF REGULATIONS.—Within
21 15 days after making a determination under para-
22 graph (3) to impose monitoring or controls on the
23 export of a material, the Secretary shall publish in
24 the Federal Register proposed regulations with re-
25 spect to such monitoring or controls. Within 30 days

1 after the publication of such proposed regulations,
2 and after considering any public comments on the
3 proposed regulations, the Secretary shall publish and
4 implement final regulations with respect to such
5 monitoring or controls.

6 (5) CONSOLIDATION OF PETITIONS.—For pur-
7 poses of publishing notices in the Federal Register
8 and scheduling public hearings pursuant to this sub-
9 section, the Secretary may consolidate petitions, and
10 responses to such petitions, which involve the same
11 or related materials.

12 (6) SUBSEQUENT PETITIONS ON SAME MATE-
13 RIAL.—If a petition with respect to a particular ma-
14 terial or group of materials has been considered in
15 accordance with all the procedures described in this
16 subsection, the Secretary may determine, in the ab-
17 sence of significantly changed circumstances, that
18 any other petition with respect to the same material
19 or group of materials which is filed within 6 months
20 after the consideration of the prior petition has been
21 completed does not merit complete consideration
22 under this subsection.

23 (7) PRECEDENCE OF PROCEDURES OVER
24 OTHER REVIEWS.—The procedures and time limits
25 set forth in this subsection with respect to a petition

1 filed under this subsection shall take precedence over
2 any review undertaken at the initiative of the Sec-
3 retary with respect to the same subject as that of
4 the petition.

5 (8) TEMPORARY CONTROLS.—The Secretary
6 may impose monitoring or controls, on a temporary
7 basis, on the export of a metallic material after a pe-
8 tition is filed under paragraph (1)(A) with respect to
9 that material but before the Secretary makes a de-
10 termination under paragraph (3) with respect to
11 that material only if—

12 (A) the failure to take such temporary ac-
13 tions would result in irreparable harm to the
14 entity filing the petition, or to the national
15 economy or segment thereof, including a domes-
16 tic industry, and

17 (B) the Secretary considers such action to
18 be necessary to carry out the policy set forth in
19 section 103(4).

20 (9) OTHER AUTHORITY NOT AFFECTED.—The
21 authority under this subsection shall not be con-
22 strued to affect the authority of the Secretary under
23 any other provision of this title, except that if the
24 Secretary determines, on the Secretary's own initia-
25 tive, to impose monitoring or controls, or both, on

1 the export of metallic materials capable of being re-
2 cycled, under the authority of this section, the Sec-
3 retary shall publish the reasons for such action in
4 accordance with paragraph (3)(A) and (B).

5 (10) SUBMISSION AND CONSIDERATION OF AD-
6 DITIONAL INFORMATION.—Nothing contained in this
7 subsection shall be construed to preclude submission
8 on a confidential basis to the Secretary of informa-
9 tion relevant to a decision to impose or remove mon-
10 itoring or controls under the authority of this title,
11 or to preclude consideration of such information by
12 the Secretary in reaching decisions required under
13 this subsection. The provisions of this paragraph
14 shall not be construed to affect the applicability of
15 section 552(b) of title 5, United States Code.

16 (d) DOMESTICALLY PRODUCED CRUDE OIL.—

17 (1) PROHIBITION ON EXPORTS.—Notwithstand-
18 ing any other provision of this title and notwith-
19 standing subsection (u) of section 28 of the Mineral
20 Leasing Act of 1920 (30 U.S.C. 185), no domesti-
21 cally produced crude oil transported by pipeline over
22 right-of-way granted pursuant to section 203 of the
23 Trans-Alaska Pipeline Authorization Act (43 U.S.C.
24 1652) may, subject to paragraph (2), be exported

1 from the United States, except any such crude oil
2 which—

3 (A) is exported to an adjacent foreign
4 country to be refined and consumed therein in
5 an exchange that—

6 (i) is for the same quantity of crude
7 oil being exported from that country to the
8 United States; and

9 (ii) results through convenience or in-
10 creased efficiency of transportation in
11 lower prices for consumers of petroleum
12 products in the United States as described
13 in paragraph (2)(A)(ii);

14 (B) is temporarily exported for convenience
15 or increased efficiency of transportation across
16 parts of an adjacent foreign country and reen-
17 ters the United States; or

18 (C) is transported to Canada, to be
19 consumed therein, in amounts not to exceed an
20 annual average of 50,000 barrels per day, in
21 addition to exports under subparagraphs (A)
22 and (B), except that any ocean transportation
23 of such oil shall be by vessels documented under
24 section 12106 of title 46, United States Code.

1 (2) EXCEPTIONS.—Crude oil subject to the pro-
2 hibition contained in paragraph (1) may be exported
3 only if—

4 (A) the President so recommends to the
5 Congress after making and publishing express
6 findings that exports of such crude oil, includ-
7 ing exchanges—

8 (i) will not diminish the total quantity
9 or quality of petroleum refined within,
10 stored within, or legally committed to be
11 transported to and sold within the United
12 States;

13 (ii) will, within 3 months following the
14 initiation of such exports or exchanges, re-
15 sult in—

16 (I) acquisition costs to the refin-
17 ers that purchase the imported crude
18 oil being lower than the acquisition
19 costs such refiners would have to pay
20 for the domestically produced oil in
21 the absence of such an export or ex-
22 change, and

23 (II) not less than 75 percent of
24 such savings in costs being reflected
25 in wholesale and retail prices of prod-

1 ucts refined from such imported crude
2 oil;

3 (iii) will be made only pursuant to
4 contracts which may be terminated if the
5 crude oil supplies of the United States are
6 interrupted, threatened, or diminished;

7 (iv) are clearly necessary to protect
8 the national interest; and

9 (v) are in accordance with the provi-
10 sions of this title; and

11 (B) the President includes such findings in
12 the recommendation to the Congress and the
13 Congress, within 60 days after receiving that
14 recommendation, agrees to a joint resolution
15 which approves such exports on the basis of
16 those findings, and which is thereafter enacted
17 into law.

18 (3) EXPORTS UNDER BILATERAL AGREE-
19 MENTS.—Notwithstanding any other provision of
20 this section or any other provision of law, including
21 subsection (u) of section 28 of the Mineral Leasing
22 Act of 1920, the President may export oil to any
23 country pursuant to a bilateral international oil sup-
24 ply agreement entered into by the United States
25 with such country before June 25, 1979, or to any

1 country pursuant to the International Emergency
2 Oil Sharing Plan of the International Energy Agen-
3 cy.

4 (e) REFINED PETROLEUM PRODUCTS.—

5 (1) EXPORT LICENSES.—In any case in which
6 the President determines that it is necessary to im-
7 pose export controls on refined petroleum products
8 in order to carry out the policy set forth in section
9 103(4), the President shall notify the Congress of
10 that determination. The President shall also notify
11 the Congress if and when the President determines
12 that such export controls are no longer necessary.
13 During any period in which a determination that
14 such export controls are necessary is in effect, no re-
15 fined petroleum product may be exported except pur-
16 suant to an export license specifically authorizing
17 such export.

18 (2) NOTIFICATION TO CONGRESS AND LAY-
19 OVER.—(A) Not later than 5 days after an applica-
20 tion for a license to export any refined petroleum
21 product is received, the Secretary shall notify the
22 Congress of such application, together with the
23 name of the exporter, the destination of the pro-
24 posed export, and the amount and price of the pro-
25 posed export. Such notification shall be made to the

1 chairman of the Committee on International Rela-
2 tions of the House of Representatives and the chair-
3 man of the Committee on Banking, Housing, and
4 Urban Affairs of the Senate.

5 (B) The Secretary may not grant such license
6 during the 30-day period beginning on the date on
7 which notification to the Congress under paragraph
8 (1) is received, unless the President certifies in writ-
9 ing to the Speaker of the House of Representatives
10 and the President pro tempore of the Senate that
11 the proposed export is vital to the national interest
12 and that a delay in issuing the license would ad-
13 versely affect that interest.

14 (3) EXCEPTION.—This subsection shall not
15 apply to—

16 (A) any export license application for ex-
17 ports to a country with respect to which histori-
18 cal export quotas established by the Secretary
19 on the basis of past trading relationships apply;
20 or

21 (B) any license application for exports to a
22 country if exports under the license would not
23 result in the export from the United States of
24 more than 250,000 barrels of refined petroleum
25 products to such country in any fiscal year.

1 (4) DEFINITION.—For purposes of this sub-
2 section, the term “refined petroleum product” means
3 gasoline, kerosene, distillates, propane or butane
4 gas, diesel fuel, and residual fuel oil, that is refined
5 within the United States or entered for consumption
6 within the United States.

7 (5) EXTENSION OF LICENSE APPLICATION
8 PROCESSING TIME.—The Secretary may extend any
9 time period prescribed in section 109 to the extent
10 necessary to take into account delays in action by
11 the Secretary on a license application on account of
12 the provisions of this subsection.

13 (f) CERTAIN PETROLEUM PRODUCTS.—Petroleum
14 products refined in United States foreign trade zones, or
15 in the United States Territory of Guam, from foreign
16 crude oil shall be excluded from any quantitative restric-
17 tions imposed under this section, except that, if the Sec-
18 retary finds that a product is in short supply, the Sec-
19 retary may issue such regulations as may be necessary to
20 limit exports.

21 (g) AGRICULTURAL COMMODITIES.—

22 (1) APPROVAL OF CONTROLS BY SECRETARY OF
23 AGRICULTURE.—The authority conferred by this sec-
24 tion shall not be exercised with respect to any agri-
25 cultural commodity, including fats and oils or animal

1 hides or skins, without the approval of the Secretary
2 of Agriculture. The Secretary of Agriculture shall
3 not approve the exercise of such authority with re-
4 spect to any such commodity during any period for
5 which the supply of such commodity is determined
6 by the Secretary of Agriculture to be in excess of the
7 requirements of the domestic economy, except to the
8 extent the President determines that the controls on
9 such agricultural commodities are also imposed
10 under section 106. The Secretary of Agriculture
11 shall, by exercising the authority which the Sec-
12 retary of Agriculture has under other applicable pro-
13 visions of law, collect data with respect to export
14 sales of animal hides and skins.

15 (2) PROTECTION OF STORED COMMODITIES
16 FROM FUTURE CONTROLS.—Upon approval of the
17 Secretary, in consultation with the Secretary of Ag-
18 riculture, agricultural commodities purchased by or
19 for use in a foreign country may remain in the Unit-
20 ed States for export at a later date free from any
21 quantitative limitations on export which may be im-
22 posed to carry out the policy set forth in section
23 103(4) subsequent to such approval. The Secretary
24 may not grant such approval unless the Secretary

1 receives adequate assurance and, in conjunction with
2 the Secretary of Agriculture, finds—

3 (A) that such commodities will eventually
4 be exported,

5 (B) that neither the sale nor export thereof
6 will result in an excessive drain of scarce mate-
7 rial and have a serious domestic inflationary
8 impact,

9 (C) that storage of such commodities in
10 the United States will not unduly limit the
11 space available for storage of domestically
12 owned commodities, and

13 (D) that the purpose of such storage is to
14 establish a reserve of such commodities for later
15 use, not including resale to or use by another
16 country.

17 The Secretary may issue such regulations as may be
18 necessary to carry out this paragraph.

19 (3) PROCEDURES FOR IMPOSING CONTROLS.—

20 (A) If the President imposes export controls on any
21 agricultural commodity under section 106 (including
22 section 106(i)) or this section, the President shall
23 immediately transmit a report on such action to the
24 Congress, setting forth the reasons for the controls
25 in detail and specifying the period of time, which

1 may not exceed 1 year, that the controls are pro-
2 posed to be in effect. If the Congress, within 60 days
3 after the date of the receipt of the report, adopts a
4 joint resolution pursuant to paragraph (4) approving
5 the imposition of the export controls, then such con-
6 trols shall remain in effect for the period specified
7 in the report, or until terminated by the President,
8 whichever occurs first. If the Congress, within 60
9 days after the date of its receipt of such report, fails
10 to adopt a joint resolution approving such controls,
11 then such controls shall cease to be effective upon
12 the expiration of that 60-day period.

13 (B) The provisions of subparagraph (A) and
14 paragraph (4) shall not apply to export controls—

15 (i) which are extended under this title if
16 the controls, when imposed, were approved by
17 the Congress under subparagraph (A) and
18 paragraph (4); or

19 (ii) which are imposed with respect to a
20 country as part of the prohibition or curtail-
21 ment of all exports to that country.

22 (4) EXPEDITED PROCEDURES.—(A) For pur-
23 poses of this paragraph, the term “joint resolution”
24 means only a joint resolution the matter after the
25 resolving clause of which is as follows: “That pursu-

1 ant to section 107(g)(3) of the Export Act of 1994,
2 the President may impose export controls as speci-
3 fied in the report submitted to the Congress on
4 _____.”, with the blank space being filled with the
5 appropriate date.

6 (B) On the day on which a report is submitted
7 to the House of Representatives and the Senate
8 under paragraph (3), a joint resolution with respect
9 to the export controls specified in such report shall
10 be introduced (by request) in the House by the
11 chairman of the Committee on International Rela-
12 tions, for the chairman and the ranking minority
13 member of the Committee, or by Members of the
14 House designated by the chairman and ranking mi-
15 nority member; and shall be introduced (by request)
16 in the Senate by the majority leader of the Senate,
17 for the chairman and the minority leader of the Sen-
18 ate, or by Members of the Senate designated by the
19 majority leader and minority leader of the Senate. If
20 either House is not in session on the day on which
21 such a report is submitted, the joint resolution shall
22 be introduced in that House, as provided in the pre-
23 ceding sentence, on the first day thereafter on which
24 that House is in session.

1 (C) If the committee of either House to which
2 a joint resolution has been referred has not reported
3 the joint resolution at the end of 30 days after its
4 referral, the committee shall be discharged from fur-
5 ther consideration of the resolution or of any other
6 joint resolution introduced with respect to the same
7 matter.

8 (D) A joint resolution under this paragraph
9 shall be considered in the Senate in accordance with
10 the provisions of section 601(b)(4) of the Inter-
11 national Security Assistance and Arms Export Con-
12 trol Act of 1976. For the purpose of expediting the
13 consideration and passage of joint resolutions re-
14 ported or discharged pursuant to the provisions of
15 this paragraph, it shall be in order for the Commit-
16 tee on Rules of the House of Representatives to
17 present for consideration a resolution of the House
18 of Representatives providing procedures for the im-
19 mediate consideration of a joint resolution under
20 this paragraph which may be similar, if applicable,
21 to the procedure set forth in section 601(b)(4) of the
22 International Security Assistance and Arms Export
23 Control Act of 1976.

24 (E) In the case of a joint resolution described
25 in subparagraph (A), if, before the passage by one

1 House of a joint resolution of that House, that
2 House receives a resolution with respect to the same
3 matter from the other House, then—

4 (i) the procedure in that House shall be
5 the same as if no joint resolution has been re-
6 ceived from the other House; but

7 (ii) the vote on final passage shall be on
8 the joint resolution of the other House.

9 (5) COMPUTATION OF TIME PERIODS.—In the
10 computation of the period of 60 days referred to in
11 paragraph (3)(A) and the period of 30 days referred
12 to in paragraph (4)(C), there shall be excluded the
13 days on which either House of Congress is not in
14 session because of an adjournment of more than 3
15 days to a day certain or because of an adjournment
16 of the Congress sine die.

17 (h) BARTER AGREEMENTS.—

18 (1) EXEMPTION FROM CONTROLS.—The expor-
19 tation pursuant to a barter agreement of any com-
20 modities which may lawfully be exported from the
21 United States, for any commodities which may law-
22 fully be imported into the United States, may be ex-
23 empted, in accordance with paragraph (2), from any
24 quantitative limitation on exports (other than any

1 reporting requirement) imposed to carry out the pol-
2 icy set forth in section 103(4).

3 (2) CRITERIA FOR EXEMPTION.—The Secretary
4 shall grant an exemption under paragraph (1) if the
5 Secretary finds, after consultation with the appro-
6 priate department or agency of the United States,
7 that—

8 (A) for the period during which the barter
9 agreement is to be performed—

10 (i) the average annual quantity of the
11 commodities to be exported pursuant to
12 the barter agreement will not be required
13 to satisfy the average amount of such com-
14 modities estimated to be required annually
15 by the domestic economy and will be sur-
16 plus thereto; and

17 (ii) the average annual quantity of the
18 commodities to be imported will be less
19 than the average amount of such commod-
20 ities estimated to be required annually to
21 supplement domestic production; and

22 (B) the parties to such barter agreement
23 have demonstrated adequately that they intend,
24 and have the capacity, to perform such barter
25 agreement.

1 (3) DEFINITION.—For purposes of this sub-
2 section, the term “barter agreement” means any
3 agreement which is made for the exchange, without
4 monetary consideration, of any commodities pro-
5 duced in the United States for any commodities pro-
6 duced outside of the United States.

7 (4) APPLICABILITY.—This subsection shall
8 apply only with respect to barter agreements entered
9 into after September 30, 1979.

10 (i) UNPROCESSED RED CEDAR.—

11 (1) PROHIBITION.—No unprocessed western red
12 cedar (*Thuja plicata*) logs harvested from State or
13 Federal lands may be exported from the United
14 States.

15 (2) RED CEDAR NOT AN AGRICULTURAL COM-
16 MODITY.—Unprocessed western red cedar logs shall
17 not be considered to be an agricultural commodity
18 for purposes of subsection (g).

19 (3) DEFINITION.—As used in this subsection,
20 the term “unprocessed western red cedar” means
21 red cedar timber which has not been processed
22 into—

23 (A) lumber of American Lumber Stand-
24 ards Grades of Number 3 dimension or better,

1 or Pacific Lumber Inspection Bureau Export
2 R-List Grades of Number 3 common or better;

3 (B) chips, pulp, and pulp products;

4 (C) veneer and plywood;

5 (D) poles, posts, or pilings cut or treated
6 with preservative for use as such and not in-
7 tended to be further processed; or

8 (E) shakes and shingles.

9 (j) EFFECT OF CONTROLS ON EXISTING CON-
10 TRACTS.—

11 (1) WESTERN RED CEDAR.—The export restric-
12 tions contained in subsection (i) and any export con-
13 trols imposed under this section shall not affect—

14 (A) any contract to harvest unprocessed
15 western red cedar from State lands which was
16 entered into before October 1, 1979, and the
17 performance of which would make the red cedar
18 available for export; or

19 (B) any contract to harvest unprocessed
20 red cedar which was entered into after Septem-
21 ber 30, 1979, and before October 1, 1982, and
22 the performance of which would make the red
23 cedar available for export, to the extent such
24 exports were permitted under section 7(i) of the
25 Export Administration Act of 1979.

1 (2) OTHER COMMODITIES.—Any export controls
2 imposed under this section on any agricultural com-
3 modity (including fats, oils, and animal hides and
4 skins), or on any forest product or fishery product,
5 shall not affect any contract to export entered into
6 before the date on which such controls are imposed.
7 For purposes of this paragraph, the term “contract
8 to export” includes, but is not limited to, an export
9 sales agreement and an agreement to invest in an
10 enterprise which involves the export of commodities
11 or technology.

12 (k) OIL EXPORTS FOR USE BY UNITED STATES
13 MILITARY FACILITIES.—For purposes of subsection (d),
14 and for purposes of any export controls imposed under
15 this title, shipments of crude oil, refined petroleum prod-
16 ucts, or partially refined petroleum products from the
17 United States for use by the Department of Defense or
18 United States-supported installations or facilities shall not
19 be considered to be exports.

20 **SEC. 108. FOREIGN BOYCOTTS.**

21 (a) PROHIBITIONS AND EXCEPTIONS.—

22 (1) PROHIBITIONS.—In order to carry out the
23 policies set forth in section 103(10), the President
24 shall issue regulations prohibiting any United States
25 person, with respect to that person’s activities in the

1 interstate or foreign commerce of the United States,
2 from taking or knowingly agreeing to take any of
3 the following actions with intent to comply with, fur-
4 ther, or support any boycott fostered or imposed by
5 a foreign country against a country which is friendly
6 to the United States and which is not itself the ob-
7 ject of any form of boycott pursuant to United
8 States law or regulation:

9 (A) Refusing, or requiring any other per-
10 son to refuse, to do business with or in the boy-
11 cotted country, with any business concern orga-
12 nized under the laws of the boycotted country,
13 with any national or resident of the boycotted
14 country, or with any other person, pursuant to
15 an agreement with, a requirement of, or a re-
16 quest from or on behalf of the boycotting coun-
17 try. The mere absence of a business relationship
18 with or in the boycotted country with any busi-
19 ness concern organized under the laws of the
20 boycotted country, with any national or resident
21 of the boycotted country, or with any other per-
22 son, does not indicate the existence of the in-
23 tent required to establish a violation of regula-
24 tions issued to carry out this subparagraph.

1 (B) Refusing, or requiring any other per-
2 son to refuse, to employ or otherwise discrimi-
3 nating against any United States person on the
4 basis of race, religion, sex, or national origin of
5 that person or of any owner, officer, director, or
6 employee of such person.

7 (C) Furnishing information with respect to
8 the race, religion, sex, or national origin of any
9 United States person or of any owner, officer,
10 director, or employee of such person.

11 (D) Furnishing information about whether
12 any person has, has had, or proposes to have
13 any business relationship (including a relation-
14 ship by way of sale, purchase, legal or commer-
15 cial representation, shipping or other transport,
16 insurance, investment, or supply) with or in the
17 boycotted country, with any business concern
18 organized under the laws of the boycotted coun-
19 try, with any national or resident of the boy-
20 cotted country, or with any other person that is
21 known or believed to be restricted from having
22 any business relationship with or in the boy-
23 cotted country. Nothing in this paragraph shall
24 prohibit the furnishing of normal business in-

1 formation in a commercial context as defined by
2 the Secretary.

3 (E) Furnishing information about whether
4 any person is a member of, has made a con-
5 tribution to, or is otherwise associated with or
6 involved in the activities of any charitable or
7 fraternal organization which supports the boy-
8 cotted country.

9 (F) Paying, honoring, confirming, or other-
10 wise implementing a letter of credit which con-
11 tains any condition or requirement compliance
12 with which is prohibited by regulations issued
13 pursuant to this paragraph, and no United
14 States person shall, as a result of the applica-
15 tion of this paragraph, be obligated to pay or
16 otherwise honor or implement such letter of
17 credit.

18 (2) EXCEPTIONS.—Regulations issued pursuant
19 to paragraph (1) shall provide exceptions for—

20 (A) complying or agreeing to comply with
21 requirements—

22 (i) prohibiting the import of commod-
23 ities or services from the boycotted country
24 or commodities produced or services pro-
25 vided by any business concern organized

1 under the laws of the boycotted country or
2 by nationals or residents of the boycotted
3 country; or

4 (ii) prohibiting the shipment of com-
5 modities to the boycotted country on a car-
6 rier of the boycotted country, or by a route
7 other than that prescribed by the boycott-
8 ing country or the recipient of the ship-
9 ment;

10 (B) complying or agreeing to comply with
11 import and shipping document requirements
12 with respect to the country of origin, the name
13 of the carrier and route of shipment, the name
14 of the supplier of the shipment, or the name of
15 the provider of other services, except that no in-
16 formation knowingly furnished or conveyed in
17 response to such requirements may be stated in
18 negative, blacklisting, or similar exclusionary
19 terms, other than with respect to carriers or
20 route of shipment as may be permitted by such
21 regulations in order to comply with precaution-
22 ary requirements protecting against war risks
23 and confiscation;

24 (C) complying or agreeing to comply in the
25 normal course of business with the unilateral

1 and specific selection by a boycotting country,
2 or national or resident thereof, of carriers, in-
3 surers, suppliers of services to be performed
4 within the boycotting country, or specific com-
5 modities which, in the normal course of busi-
6 ness, are identifiable by source when imported
7 into the boycotting country;

8 (D) complying or agreeing to comply with
9 export requirements of the boycotting country
10 relating to shipments or transshipment of ex-
11 ports to the boycotted country, to any business
12 concern of or organized under the laws of the
13 boycotted country, or to any national or resi-
14 dent of the boycotted country;

15 (E) compliance by an individual or agree-
16 ment by an individual to comply with the immi-
17 gration or passport requirements of any country
18 with respect to such individual or any member
19 of such individual's family or with requests for
20 information regarding requirements of employ-
21 ment of such individual within the boycotting
22 country; and

23 (F) compliance by a United States person
24 resident in a foreign country or agreement by
25 such person to comply with the laws of the

1 country with respect to such person's activities
2 exclusively therein, and such regulations may
3 contain exceptions for such resident complying
4 with the laws or regulations of the foreign coun-
5 try governing imports into such country of
6 trademarked, trade named, or similarly specifi-
7 cally identifiable products, or components of
8 products for such person's own use, including
9 the performance of contractual services within
10 that country, as may be defined by such regula-
11 tions.

12 (3) LIMITATION ON EXCEPTIONS.—Regulations
13 issued pursuant to paragraphs (2)(C) and (2)(F)
14 shall not provide exceptions from paragraphs (1)(B)
15 and (1)(C).

16 (4) ANTITRUST AND CIVIL RIGHTS LAWS NOT
17 AFFECTED.—Nothing in the subsection may be con-
18 strued to supersede or limit the operation of the
19 antitrust or civil rights laws of the United States.

20 (5) EVASION.—This section shall apply to any
21 transaction or activity undertaken, by or through a
22 United States person or any other person, with in-
23 tent to evade the provisions of this section as imple-
24 mented by the regulations issued pursuant to this
25 subsection, and such regulations shall expressly pro-

1 vide that the exceptions set forth in paragraph (2)
2 shall not permit activities or agreements (expressed
3 or implied by a course of conduct, including a pat-
4 tern of responses) otherwise prohibited, which are
5 not within the intent of such exceptions.

6 (b) EMERGENCY CONTROLS.—

7 (1) REGULATIONS.—In addition to the regula-
8 tions issued pursuant to subsection (a), regulations
9 issued under section 106 shall implement the policies
10 set forth in section 103(10).

11 (2) REPORTS BY UNITED STATES PERSONS.—
12 Such regulations shall require that any United
13 States person receiving a request for the furnishing
14 of information, the entering into or implementing of
15 agreements, or the taking of any other action re-
16 ferred to in section 103(10) shall report that fact to
17 the Secretary, together with such other information
18 concerning such request as the Secretary may re-
19 quire, for such action as the Secretary considers ap-
20 propriate for carrying out the policies of that sec-
21 tion. Such person shall also report to the Secretary
22 whether such person intends to comply and whether
23 such person has complied with such request. Any re-
24 port filed pursuant to this paragraph shall be made
25 available promptly for public inspection and copying,

1 except that information regarding the quantity, de-
2 scription, and value of any commodities or tech-
3 nology to which such report relates may be kept con-
4 fidential if the Secretary determines that disclosure
5 thereof would place the United States person in-
6 volved at a competitive disadvantage. The Secretary
7 shall periodically transmit summaries of the infor-
8 mation contained in such reports to the Secretary of
9 State for such action as the Secretary of State, in
10 consultation with the Secretary, considers appro-
11 priate for carrying out the policies set forth in sec-
12 tion 103(10).

13 (c) PREEMPTION.—The provisions of this section and
14 the regulations issued under this section shall preempt any
15 law, rule, or regulation which—

16 (1) is a law, rule, or regulation of any of the
17 several States or the District of Columbia, or any of
18 the territories or possessions of the United States,
19 or of any governmental subdivision thereof; and

20 (2) pertains to participation in, compliance
21 with, implementation of, or the furnishing of infor-
22 mation regarding restrictive trade practices or boy-
23 cotts fostered or imposed by foreign countries
24 against other countries.

1 **SEC. 109. PROCEDURES FOR PROCESSING EXPORT LI-**
2 **CENSE APPLICATIONS; OTHER INQUIRIES.**

3 (a) PRIMARY RESPONSIBILITY OF THE SEC-
4 RETARY.—

5 (1) IN GENERAL.—All export license applica-
6 tions required under this title shall be submitted by
7 the applicant to the Secretary. All determinations
8 with respect to any such application shall be made
9 by the Secretary, subject to the procedures provided
10 in this section.

11 (2) REGULATIONS.—In regulations that carry
12 out this section, the Secretary shall describe the pro-
13 cedures required by this section, the responsibilities
14 of the Secretary and of other departments and agen-
15 cies in reviewing applications, the rights of the appli-
16 cant, and the extent of any multilateral review of a
17 given license application.

18 (3) CALCULATION OF TIME PERIODS.—In cal-
19 culating the processing times set forth in this sec-
20 tion, the Secretary shall use calendar days, except
21 that if the final day for a required action falls on a
22 weekend or holiday, that action shall be taken no
23 later than the following business day.

24 (4) CONSIDERATION OF RELIABILITY OF PAR-
25 TIES.—In reviewing applications for validated export
26 licenses, the Secretary may in each case consider the

1 reliability of the parties to the proposed export. In
2 making such an evaluation, the Secretary may con-
3 sider all sources of information, including intel-
4 ligence information. The consideration of intelligence
5 information in connection with the evaluation of the
6 reliability of parties shall not authorize the direct or
7 indirect disclosure of classified information or
8 sources and methods of gathering classified informa-
9 tion.

10 (b) ACTION BY OTHER DEPARTMENTS AND AGEN-
11 CIES.—

12 (1) REFERRALS.—(A) At the direction of the
13 President, the Secretary shall refer appropriate li-
14 cense applications required under section 105 or 106
15 to appropriate departments and agencies of the Gov-
16 ernment to make recommendations and provide in-
17 formation to the Secretary on such applications.

18 (B) The President shall restrict referrals of li-
19 cense applications to Government departments and
20 agencies that possess particular expertise and infor-
21 mation that is relevant to the licensing process and
22 is not possessed by the Secretary.

23 (2) ORGANIZATION OF REVIEWING AGENCIES.—
24 Departments and agencies reviewing license applica-
25 tions shall organize their resources and units to plan

1 for the prompt and expeditious internal dissemina-
2 tion of export license applications, if necessary, so as
3 to avoid delays in responding to the Secretary's re-
4 quest for information and recommendations.

5 (3) REQUESTS FOR ADDITIONAL INFORMA-
6 TION.—Within 5 days after an export license appli-
7 cation is referred to a department or agency under
8 this subsection, the agency or department shall
9 specify to the Secretary all information that is not
10 in the application that would be required to respond
11 to the referral of the application, and the Secretary
12 shall, pursuant to subsection (d)(1)(C), request such
13 information from the applicant. The time that may
14 elapse between the date the information is requested
15 from the applicant and the date the information is
16 received by the Secretary shall not be included in
17 calculating the time periods prescribed in this sec-
18 tion.

19 (c) ACTION BY THE SECRETARY.—Subject to sub-
20 section (d)(4), 30 days after the date of formal filing with
21 the Secretary of an export license application, a license
22 for the transaction specified in the application shall be-
23 come valid and effective and the commodities or tech-
24 nology involved are authorized for export or reexport pur-
25 suant to such license, unless—

1 (1) the application has been otherwise approved
2 by the Secretary, in which case it shall be valid and
3 effective according to the terms of the approval; or

4 (2) the application has been denied by the Sec-
5 retary under this section and the applicant has been
6 so informed.

7 (d) PROCEDURES FOR PROCESSING EXPORT LI-
8 CENSE APPLICATIONS.—

9 (1) INITIAL SCREENING.—Not more than 10
10 days after the date on which any export license ap-
11 plication is submitted to the Secretary, the Secretary
12 shall—

13 (A) send the applicant an acknowledgment
14 of the receipt of the application and the date of
15 the receipt;

16 (B) submit to the applicant a written de-
17 scription of the procedures required by this sec-
18 tion, the responsibilities of the Secretary with
19 respect to the application, and the rights of the
20 applicant;

21 (C) on the basis of information the Sec-
22 retary has, including information provided to
23 the Secretary under subsection (b)(3), return
24 the application without action if the application
25 is improperly completed or if additional infor-

1 mation is required, with sufficient information
2 to permit the application to be properly resub-
3 mitted; and

4 (D) determine whether it is necessary to
5 submit the application to a multilateral review
6 process pursuant to an export control regime
7 and, if so, inform the applicant of such require-
8 ment.

9 (2) REFERRAL.—(A) If, pursuant to criteria es-
10 tablished by the President, the Secretary is to refer
11 an export license application to any other depart-
12 ment or agency for a recommendation under sub-
13 section (b)(1), the Secretary shall, within 2 days
14 after receiving the application, refer the application
15 concurrently to all such departments or agencies,
16 transmitting the application electronically whenever
17 possible. A department or agency reviewing an ex-
18 port license application referred by the Secretary
19 shall have 10 days in which to submit to the Sec-
20 retary its recommendations on the application. Any
21 department or agency which does not submit its rec-
22 ommendations within that 10-day period shall be
23 deemed by the Secretary to have no objection to the
24 approval of such application.

1 (B) A recommendation that the Secretary deny
2 a validated license shall include a statement of rea-
3 sons for the recommendation that are consistent
4 with the provisions of this title, and shall cite both
5 the statutory and the regulatory basis for the rec-
6 ommendation.

7 (3) INTERAGENCY COMMITTEE.—An inter-
8 agency committee may be established by the Presi-
9 dent for the purpose of resolving disputes among de-
10 partments and agencies on export license applica-
11 tions under this title. Such committee shall be
12 chaired by the Secretary. The procedures followed by

6 that parent or subsidiary with requisite knowl-
7 edge assisted in the activities which are the
8 basis of that determination; and

9 (D) any foreign person or United States
10 person that is an affiliate of a person or entity
11 described in subparagraph (A), if that affiliate
12 with requisite knowledge assisted in the activi-
13 ties which were the basis of that determination
14 and if that affiliate is controlled in fact by that
15 person or entity.

16 For purposes of this section, any person or entity
17 described in subparagraph (A), (B), (C), or (D)
18 shall be referred to as a “sanctioned entity”.

19 (4) EXEMPTION OF CERTAIN EXPORTS FROM
20 SANCTIONS.—The requirement in paragraph
21 (1)(B)(i) and (2)(B)(i) that licenses to export items
22 controlled under section 105 or 106 be denied shall
23 not apply to items which require individual validated
24 licenses solely by virtue of the imposition of controls
25 under the Enhanced Proliferation Control Initiative

1 regulations set forth in section 778.7(c) of title 15,
2 Code of Federal Regulations.

3 (5) EXEMPTION FOR MTCR ADHERENTS.—

4 (A) EXEMPTION.—Paragraphs (1) and (2)
5 do not apply with respect to any export or
6 transfer—

7 (i) that is authorized by the laws of
8 an MTCR adherent, if such authorization
9 is not obtained by misrepresentation or
10 fraud; or

11 (ii) to an end user in a country that
12 is an MTCR adherent.

13 (B) DEFINITION.—For purposes of this
14 paragraph, the term “MTCR adherent” has the
15 meaning given that term in subsection
16 (a)(2)(D).

17 (6) CONSULTATION WITH AND ACTIONS BY
18 FOREIGN GOVERNMENT OF JURISDICTION.—

19 (A) CONSULTATIONS.—If the President
20 makes a determination described in paragraph
21 (2) with respect to a foreign person, the Con-
22 gress urges the President to initiate consulta-
23 tions immediately with the government with pri-
24 mary jurisdiction over that foreign person with

1 respect to the imposition of sanctions pursuant
2 to this subsection.

3 (B) ACTIONS BY GOVERNMENT OF JURIS-
4 DICTION.—In order to pursue such consulta-
5 tions with that government, the President may
6 delay imposition of sanctions pursuant to this
7 subsection for up to 90 days. Following these
8 consultations, the President shall impose sanc-
9 tions unless the President determines and cer-
10 tifies to the Congress that that government has
11 taken specific and effective actions, including
12 appropriate penalties, to terminate the involve-
13 ment of the foreign person in the activities de-
14 scribed in paragraph (2). The President may
15 delay the imposition of sanctions for up to an
16 additional 90 days if the President determines
17 and certifies to the Congress that that govern-
18 ment is in the process of taking the actions de-
19 scribed in the preceding sentence.

20 (C) REPORT TO CONGRESS.—Not later
21 than 90 days after making a determination
22 under paragraph (2), the President shall submit
23 to the Committee on Foreign Relations and the
24 Committee on Governmental Affairs of the Sen-

4 the basis for any determination under subpara-
5 graph (B) that such government has taken spe-
6 cific and effective actions.

7 (7) EFFECT OF ENFORCEMENT ACTIONS BY RE-
8 GIME ADHERENTS.—

9 (A) EXEMPTION FROM SANCTIONS.—Sanctions
10 set forth in paragraph (1) or (2) may not
11 be imposed under this subsection on a person
12 with respect to acts described in either such
13 paragraph or, if such sanctions are in effect
14 against a person on account of such acts, such
15 sanctions shall be terminated, if the government
16 of a regime adherent other than the United
17 States is taking judicial or other enforcement
18 action against that person with respect to such
19 acts, or that person has been found by the gov-
20 ernment of a regime adherent to be innocent of
21 wrongdoing with respect to such acts.

22 (B) REGIME ADHERENT DEFINED.—For
23 purposes of subparagraph (A), a “regime ad-
24 herent” is a country that is a member of a mul-
25 tilateral regime that controls the export or

1 transfer giving rise to the sanctions, or that,
2 pursuant to an international understanding to
3 which the United States is a party, controls the
4 export or transfer in accordance with the cri-
5 teria and standards set forth in the regime.

6 (8) REQUISITE KNOWLEDGE DEFINED.—For
7 purposes of this subsection, the term “requisite
8 knowledge” means situations in which a person
9 “knows”, as “knowing” is defined in section 104 of
10 the Foreign Corrupt Practices Act of 1977 (15
11 U.S.C. 78dd-2).

12 (9) FOREIGN PERSON DEFINED FOR CERTAIN
13 EXPORTS.—(A) For purposes of any determination
14 under paragraph (2)(A) with respect to an export or
15 transfer of an item on the MTCR Annex, the term
16 ‘foreign person’, in addition to the meaning set forth
17 in section 116(13), means, in the case of countries
18 with nonmarket economies (other than former mem-
19 bers of the Warsaw Pact)—

20 (i) all activities of the government of any
21 such country relating to the development or
22 production of any missile equipment or tech-
23 nology; and

24 (ii) all activities of that government affect-
25 ing the development or production of elec-

1 tronics, space systems or equipment, and mili-
2 tary aircraft.

3 (B) As used in subparagraph (A), the term
4 “missile equipment or technology” means those items
5 listed in category I or II of the MTCR Annex.

6 (d) SANCTIONS AGAINST COUNTRIES FOR USE OF
7 CHEMICAL OR BIOLOGICAL WEAPONS.—

8 (1) DETERMINATION.—

9 (A) IN GENERAL.—Whenever persuasive
10 information becomes available to the executive
11 branch indicating the substantial possibility
12 that, on or after the date of the enactment of
13 this Act, the government of a foreign country
14 has made substantial preparation to use or has
15 used chemical or biological weapons in violation
16 of international law or has used lethal chemical
17 or biological weapons against its own nationals,
18 the President shall, within 60 days after the re-
19 ceipt of such information by the executive
20 branch, determine whether that government, on
21 or after such date of enactment, has used chem-
22 ical or biological weapons in violation of inter-
23 national law, or has used lethal chemical or bio-
24 logical weapons against its own nationals.

1 (B) MATTERS TO BE CONSIDERED.—In
2 making the determination under subparagraph
3 (A), the President shall consider the following:

4 (i) All physical and circumstantial evi-
5 dence available bearing on the possible use
6 of chemical or biological weapons.

7 (ii) All information provided by al-
8 leged victims, witnesses, and independent
9 observers.

10 (iii) The extent of the availability of
11 the weapons in question to the purported
12 user.

13 (iv) All official and unofficial state-
14 ments bearing on the possible use of such
15 weapons.

16 (v) Whether, and to what extent, the
17 government in question is willing to honor
18 a request from the Secretary General of
19 the United Nations to grant timely access
20 to a United Nations fact-finding team to
21 investigate the possibility of chemical or bi-
22 ological weapons use or to grant such ac-
23 cess to other legitimate outside parties.

24 (2) DETERMINATION TO BE REPORTED TO CON-
25 GRESS.—Upon making a determination under para-

1 graph (1), the President shall promptly report that
2 determination to the Congress. If the determination
3 is that a foreign government has used such weapons
4 as described in that paragraph, the report shall
5 specify the sanctions to be imposed pursuant to
6 paragraph (4).

7 (3) CONGRESSIONAL REQUESTS; REPORT.—

8 (A) REQUEST.—The Chairman of the
9 Committee on Foreign Relations of the Senate
10 (upon consultation with the ranking minority
11 member of such committee) or the Chairman of
12 the Committee on International Relations of the
13 House of Representatives (upon consultation
14 with the ranking minority member of such com-
15 mittee) may at any time request the President
16 to consider whether a particular foreign govern-
17 ment, on or after the date of the enactment of
18 this Act, has used chemical or biological weap-
19 ons in violation of international law or has used
20 lethal chemical or biological weapons against its
21 own nationals.

22 (B) REPORT TO CONGRESS.—Not later
23 than 60 days after receiving such a request, the
24 President shall provide to the Chairman of the
25 Committee on Foreign Relations of the Senate

1 and the Chairman of the Committee on Inter-
2 national Relations of the House of Representa-
3 tives a written report on the information held
4 by the executive branch which is pertinent to
5 the issue of whether the specified government,
6 on or after the date of the enactment of this
7 Act, has used chemical or biological weapons in
8 violation of international law or has used lethal
9 chemical or biological weapons against its own
10 nationals. The report under this subparagraph
11 shall contain an analysis of each of the items
12 enumerated in paragraph (1)(B).

13 (4) MANDATORY SANCTIONS FOR USE OF
14 CHEMICAL OR BIOLOGICAL WEAPONS.—The follow-
15 ing sanctions shall be imposed for a minimum of 2
16 years in the event the President makes an affirma-
17 tive determination under paragraph (1) with respect
18 to the government of a foreign country:

19 (A) FOREIGN ASSISTANCE.—The United
20 States Government shall terminate assistance to
21 that country under the Foreign Assistance Act

12 military financing for that country under the
13 Arms Export Control Act.

14 (D) DENIAL OF UNITED STATES GOVERN-
15 MENT CREDIT OR OTHER FINANCIAL ASSIST-
16 ANCE.—The United States Government shall
17 deny to that country any credit, credit guaran-
18 tees, or other financial assistance by any de-
19 partment, agency, or instrumentality of the
20 United States Government, including the Ex-
21 port-Import Bank of the United States.

22 (E) EXPORTS OF NATIONAL SECURITY-
23 SENSITIVE ITEMS.—The authorities of this title
24 shall be used to prohibit the export to that
25 country of any commodities or technology con-

1 trolled or prohibited for export under section
2 106(i).

3 (F) IMPORTS.—There shall be a prohibi-
4 tion on the importation into the United States
5 of goods that are the growth, produce, or man-
6 ufacture of that country. The President shall
7 determine the type and volume of imports to be
8 prohibited, taking into consideration the volume
9 of exports prohibited under subparagraph (E).

10 (5) ADDITIONAL SANCTIONS IF CERTAIN CONDI-
11 TIONS NOT MET.—Unless, within 3 months after
12 making a determination under paragraph (1) with
13 respect to the government of a foreign country, the
14 President determines and certifies, in writing, to the
15 Congress that—

16 (A) the government is no longer using
17 chemical or biological weapons in violation of
18 international law or using lethal chemical or bi-
19 ological weapons against its own nationals,

20 (B) the government has provided reliable
21 assurances that it will not, in the future, en-
22 gage in any such activities, and

23 (C) the government is willing to allow on-
24 site inspections by United Nations observers or
25 other internationally recognized, impartial ob-

1 servers, or other reliable means exist, to ensure
2 that government is not using chemical or bio-
3 logical weapons in violation of international law
4 and is not using lethal chemical or biological
5 weapons against its own nationals,

6 then the President, after consultation with the Con-
7 gress, shall impose on that country for a period of
8 at least 2 years the sanctions set forth in at least
9 3 of subparagraphs (A) through (F) of paragraph
10 (6).

11 (6) ADDITIONAL SANCTIONS FOR USE OF
12 CHEMICAL OR BIOLOGICAL WEAPONS.—The sanc-
13 tions referred to in paragraph (5) are the following:

14 (A) MULTILATERAL DEVELOPMENT BANK
15 ASSISTANCE.—The United States Government
16 shall oppose, in accordance with section 701 of
17 the International Financial Institutions Act (22

20 country by international financial institutions.

21 (B) BANK LOANS.—The United States
22 Government shall prohibit any United States
23 bank from making any loan or providing any

6 those items described in section 114(k)).

7 (ii) Restrictions shall be imposed on the
8 importation into the United States of goods
9 (which may include petroleum or any petroleum
10 product) that are the growth, product, or man-

12 (D) DIPLOMATIC RELATIONS.—The Presi-
13 dent shall use his constitutional authorities to
14 downgrade or suspend diplomatic relations be-
15 tween the United States and the government of
16 that country.

17 (E) PRESIDENTIAL ACTION REGARDING
18 AVIATION.—

19 (i)(I) The President is authorized to
20 notify the government of that country of
21 his intention to suspend the authority of
22 foreign air carriers owned or controlled by
23 the government of that country to engage
24 in foreign air transportation to or from the
25 United States.

1 (II) Within 10 days after the date of
2 notification of a government under
3 subclause (I), the Secretary of Transpor-
4 tation shall take all steps necessary to sus-
5 pend at the earliest possible date the au-
6 thority of any foreign air carrier owned or
7 controlled, directly or indirectly, by that
8 government to engage in foreign air trans-
9 portation to or from the United States,
10 notwithstanding any agreement relating to
11 air services.

12 (ii)(I) The President may direct the
13 Secretary of State to terminate any air
14 service agreement between the United
15 States and that country, in accordance
16 with the provisions of that agreement.

17 (II) Upon termination of an agree-
18 ment under this clause, the Secretary of
19 Transportation shall take such steps as
20 may be necessary to revoke at the earliest
21 possible date the right of any foreign air
22 carrier owned or controlled, directly or in-
23 directly, by the government of that country
24 to engage in foreign air transportation to
25 or from the United States.

1 (iii) The Secretary of Transportation
2 may provide for such exceptions from
3 clauses (i) and (ii) as the Secretary consid-
4 ers necessary to provide for emergencies in
5 which the safety of an aircraft or its crew
6 or passengers is threatened.

7 (iv) For purposes of this subpara-
8 graph, the terms “air transportation”, “air
9 carrier”, “foreign air carrier”, and “for-
10 eign air transportation” have the meanings
11 given those terms in section 101 of the
12 Federal Aviation Act of 1958 (49 U.S.C.
13 App. 1301).

14 (e) REMOVAL OF SANCTIONS.—

15 (1) FOR VIOLATIONS UNDER SUBSECTION (c).—

16 The President shall remove the sanctions imposed
17 under paragraph (1) or (2) of subsection (c) if the
18 President determines and so certifies to the Con-
19 gress, after the end of the 12-month period begin-
20 ning on the date on which the sanctions were ini-
21 tially imposed, that—

22 (A) reliable information indicates that—

23 (i) the United States person with re-
24 spect to which the determination was made

1 under subsection (c)(1) has ceased all ac-
2 tivities that gave rise to the sanctions; or

3 (ii) the foreign person with respect to
4 which the determination was made under
5 subsection (c)(2) has ceased to contribute
6 to the efforts of any government, group,
7 entity, or project to use, design, develop,
8 produce, stockpile, or otherwise acquire
9 chemical or biological weapons or missiles;
10 and

11 (B) the President has received reliable as-
12 surances from that United States person or for-
13 eign person that such person will not, in the fu-
14 ture, perform any of the actions described in
15 subsection (c)(1) or (2) (as the case may be).

16 (2) FOR VIOLATIONS UNDER SUBSECTION
17 (d).—The President shall remove the sanctions im-
18 posed with respect to a country under paragraph (4)
19 or (6) of subsection (d) if the President determines
20 and so certifies to the Congress, after the end of the
21 12-month period beginning on the date on which
22 such sanctions were initially imposed, that—

23 (A) the government of that country has
24 provided reliable assurances that it will not use
25 chemical or biological weapons in violation of

1 international law and will not use lethal chemi-
2 cal or biological weapons against its own na-
3 tionals;

4 (B) the government is not making prepara-
5 tions to use chemical or biological weapons in
6 violation of international law or to use lethal
7 chemical or biological weapons against its own
8 nationals;

9 (C) the government is willing to allow on-
10 site inspections by United Nations observers or
11 other internationally recognized, impartial ob-
12 servers to verify that it is not making prepara-
13 tions to use chemical or biological weapons in
14 violation of international law or to use lethal
15 chemical or biological weapons against its own
16 nationals, or other reliable means exist to verify
17 that it is not making such preparations; and

18 (D) the government is making restitution
19 to those affected by any use of chemical or bio-
20 logical weapons in violation of international law
21 or by any use of lethal chemical or biological
22 weapons against its own nationals.

23 (3) AUTHORITY TO REVOKE IMPORT SANCTIONS
24 IN CERTAIN CIRCUMSTANCES.—The President may
25 revoke any import sanction imposed under sub-

1 section (c) or (d) if the President determines, as a
2 result of applicable international dispute settlement
3 proceedings, that the imposition of such sanctions is
4 inconsistent with international legal obligations of
5 the United States and that it is appropriate under
6 the circumstances to comply with such obligations.

7 (f) WAIVERS FOR VIOLATIONS UNDER SUBSECTION
8 (c).—

9 (1) WAIVER.—The President may waive the im-
10 position of sanctions under paragraph (1) or (2) of
11 subsection (c) with respect to a product or service if
12 the President certifies to the Congress that—

13 (A) the product or service is essential to
14 the national security of the United States; and

15 (B) the sanctioned entity is a sole source
16 supplier of the product or service, the product
17 or service is not available from any alternative
18 reliable supplier, and the need for the product
19 or service cannot be met in a timely manner by
20 improved manufacturing processes or techno-
21 logical developments.

22 (2) ADDITIONAL WAIVER.—(A) The President
23 may waive the imposition of any sanction under sub-
24 section (c)(2) if the President determines such waiv-

1 er is essential to the national security of the United
2 States.

3 (B) If the President decides to apply the waiver
4 described in subparagraph (A), the President shall
5 so notify the Congress not less than 20 days before
6 issuing the waiver. Such notification shall include a
7 report fully articulating the rationale and cir-
8 cumstances which led the President to exercise the
9 waiver authority.

10 (3) EXCEPTIONS.—The President shall not
11 apply the sanction under subsection (c)(2) prohibit-
12 ing the importation of the products of a sanctioned
13 entity—

14 (A) in the case of procurement of defense
15 articles or defense services—

16 (i) under existing contracts or sub-
17 contracts, including the exercise of options
18 for production quantities to satisfy require-
19 ments essential to the national security of
20 the United States;

21 (ii) if the President determines that
22 the entity to which the sanctions would be
23 applied is a sole source supplier of the de-
24 fense articles and services, that the defense
25 articles or services are essential to the na-

1 tional security of the United States, and
2 that alternative sources are not readily or
3 reasonably available; or

4 (iii) if the President determines that
5 such articles or services are essential to the
6 national security of the United States
7 under defense coproduction agreements or
8 Programs of Cooperation of the North At-
9 lantic Treaty Organization;

10 (B) to products or services provided under
11 contracts entered into before the date on which
12 the President publishes his intention to impose
13 the sanctions; or

14 (C) to—

15 (i) spare parts;

16 (ii) components parts, but not finished
17 products, essential to United States prod-
18 ucts or production;

19 (iii) routine services and maintenance
20 of products, to the extent that alternative
21 sources are not readily or reasonably avail-
22 able; or

23 (iv) information or technology essen-
24 tial to United States products or produc-
25 tion.

1 (g) WAIVERS OF VIOLATIONS UNDER SUBSECTION
2 (d).—

3 (1) CRITERIA FOR WAIVER.—The President
4 may waive the application of any sanction imposed
5 with respect to a country under paragraph (4) or (6)
6 of subsection (d)—

7 (A) if—

8 (i) in the case of any sanction other
9 than a sanction specified in subsection
10 (d)(4)(F) or (d)(6)(C)(ii) (relating to im-
11 port restrictions) or (d)(6)(D) (relating to
12 the downgrading or suspension of diplo-
13 matic relations), the President determines
14 and certifies to the Congress that such
15 waiver is essential to the national security
16 interests of the United States, and the
17 President notifies the Committee on For-
18 eign Relations of the Senate and the Com-
19 mittee on International Relations of the
20 House of Representatives of his determina-
21 tion and certification at least 15 days be-
22 fore the waiver takes effect, in accordance
23 with the procedures applicable to
24 reprogramming notifications under section

1 634A of the Foreign Assistance Act of
2 1961; or

3 (ii) in the case of any sanction speci-
4 fied in subsection (d)(4)(F) or (d)(6)(C)(ii)
5 (relating to import restrictions), the Presi-
6 dent determines and certifies to the Con-
7 gress that such waiver is essential to the
8 national security interests of the United
9 States, and the President notifies the Com-
10 mittee on Finance of the Senate and the
11 Committee on Ways and Means and the
12 Committee on International Relations of
13 the House of Representatives of his deter-
14 mination and certification at least 15 days
15 before the waiver takes effect; or

16 (B) if the President determines and cer-
17 tifies to the Congress that there has been a fun-
18 damental change in the leadership and policies
19 of the government of that country, and if the
20 President notifies the Congress at least 20 days
21 before the waiver takes effect.

22 (2) REPORT.—In the event that the President
23 decides to exercise the waiver authority provided in
24 paragraph (1) with respect to a country, the Presi-
25 dent's notification to the Congress under such para-

1 graph shall include a report fully articulating the ra-
2 tionale and circumstances which led the President to
3 exercise that waiver authority, including a descrip-
4 tion of the steps which the government of that coun-
5 try has taken to satisfy the conditions set forth in
6 subparagraphs (A) through (D) of subsection (e)(2).

7 (h) CONTRACT SANCTITY.—

8 (1) SANCTIONS NOT APPLIED TO EXISTING
9 CONTRACTS.—(A) A sanction described in subpara-
10 graph (D), (E), or (F) of subsection (d)(4) or in any
11 of subparagraphs (A) through (C) of subsection
12 (d)(6) shall not apply to any activity pursuant to
13 any contract or international agreement entered into
14 before the date of the presidential determination
15 under subsection (d)(1) unless the President deter-
16 mines, on a case-by-case basis, that to apply such
17 sanction to that activity would prevent the perform-
18 ance of a contract or agreement that would have the
19 effect of assisting a country in using chemical or bi-
20 ological weapons in violation of international law or
21 in using lethal chemical or biological weapons
22 against its own nationals.

23 (B) The same restrictions of section 114(l) (re-
24 lating to contract sanctity) which are applicable to
25 exports prohibited under this title shall apply to ex-

1 ports prohibited under subsection (d)(4)(E) or
2 (d)(6)(C)(i). For purposes of this subparagraph, any
3 contract or agreement the performance of which (as
4 determined by the President) would have the effect
5 of assisting a foreign government in using chemical
6 or biological weapons in violation of international
7 law or in using chemical or biological weapons
8 against its own nationals shall be treated as con-
9 stituting a breach of the peace that poses a serious
10 and direct threat to the strategic interest of the
11 United States, within the meaning of subparagraph
12 (A) of section 114(l)(2).

13 (2) SANCTIONS APPLIED TO EXISTING CON-
14 TRACTS.—The sanctions described in subparagraphs
15 (A), (B), and (C) of subsection (d)(4) shall apply to
16 contracts, agreements, and licenses without regard
17 to the date the contract or agreement was entered
18 into or the license was issued (as the case may be),
19 except that such sanctions shall not apply to any
20 contract or agreement entered into or license issued
21 before the date of the presidential determination
22 under subsection (d)(1) if the President determines
23 that the application of such sanction would be det-
24 rimental to the national security interests of the
25 United States.

1 (i) PROTECTION OF CLASSIFIED INFORMATION.—To
2 the extent practicable, reports submitted under this sec-
3 tion should be based on unclassified information. Portions
4 of such reports may be classified.

5 **SEC. 112. ADMINISTRATIVE AND JUDICIAL REVIEW.**

6 (a) APPLICABILITY.—

7 (1) EXEMPTIONS FROM ADMINISTRATIVE PRO-
8 CEDURE.—Except as provided in this section, sec-
9 tions 551 and 553 through 559 of title 5, United
10 States Code, do not apply to the functions exercised
11 under this title.

12 (2) JUDICIAL REVIEW.—(A) Subject to sub-
13 paragraphs (B) and (C) and except as otherwise
14 provided in this section, actions under this title shall

16 5, United States Code.

17 (B) Any discretionary determination of whether
18 a commodity or technology should or should not be
19 on the control index shall not be subject to judicial
20 review.

21 (C) An action to obtain judicial review under
22 this subsection may be brought in the appropriate
23 United States district court.

24 (b) PROCEDURES RELATING TO CIVIL PENALTIES
25 AND SANCTIONS.—

1 (1) ADMINISTRATIVE PROCEDURES.—Any ad-
2 ministrative sanction imposed under section 110(c)
3 may be imposed only after notice and opportunity
4 for an agency hearing on the record in accordance
5 with sections 554 through 557 of title 5, United
6 States Code.

7 (2) AVAILABILITY OF CHARGING LETTER.—Any
8 charging letter or other document initiating adminis-
9 trative proceedings for the imposition of sanctions
10 for violations of the regulations issued under section
11 108(a) shall be made available for public inspection
12 and copying.

13 (c) COLLECTION.—If any person fails to pay a civil
14 penalty imposed under section 110(c), the Secretary may
15 ask the Attorney General to bring a civil action in an ap-
16 propriate district court to recover the amount imposed
17 (plus interest at currently prevailing rates from the date
18 of the final order).

19 (d) IMPOSITION OF TEMPORARY DENIAL ORDERS.—

20 (1) GROUNDS FOR IMPOSITION.—In any case in
21 which there is reasonable cause to believe that a per-
22 son is engaged in or is about to engage in any act
23 or practice which constitutes or would constitute a
24 violation of this title, or any regulation, order, or li-
25 cense issued under this title, or in any case in which

1 a criminal indictment has been returned against a
2 person alleging a violation of this title or any of the
3 statutes listed in section 110(f), the Secretary may,
4 without a hearing, issue an order temporarily deny-
5 ing that person's United States export privileges
6 (hereafter in this subsection referred to a "tem-
7 porary denial order"). A temporary denial order may
8 be effective for no longer than 180 days, but may be
9 renewed by the Secretary, following notice and an
10 opportunity for a hearing, for additional periods of
11 not more than 180 days each.

12 (2) ADMINISTRATIVE APPEALS.—The person or
13 persons subject to the issuance or renewal of a tem-
14 porary denial order may appeal the issuance or re-
15 newal of the temporary denial order, supported by
16 briefs and other material, to an administrative law
17 judge who shall, within 15 working days after the
18 appeal is filed, issue a decision affirming, modifying,
19 or vacating the temporary denial order. The tem-
20 porary denial order shall be affirmed if it is shown
21 that—

22 (A) there is reasonable cause to believe
23 that the person subject to the order is engaged
24 in or is about to engage in any act or practice
25 which constitutes or would constitute a violation

1 of this title, or any regulation, order, or license
2 issued under this title, or

3 (B) a criminal indictment has been re-
4 turned against the person subject to the order
5 alleging a violation of this title or any of the
6 statutes listed in section 110(f).

7 The decision of the administrative law judge shall be
8 final unless, within 10 working days after the date
9 of the administrative law judge's decision, an appeal
10 is filed with the Secretary. On appeal, the Secretary
11 shall either affirm, modify, reverse, or vacate the de-
12 cision of the administrative law judge by written
13 order within 10 working days after receiving the ap-
14 peal. The written order of the Secretary shall be
15 final and is not subject to judicial review, except as
16 provided in paragraph (3). The materials submitted
17 to the administrative law judge and the Secretary
18 shall constitute the administrative record for pur-

20 (3) COURT APPEALS.—An order of the Sec-
21 retary affirming, in whole or in part, the issuance or
22 renewal of a temporary denial order may, within 15
23 days after the order is issued, be appealed by a per-
24 son subject to the order to the United States Court
25 of Appeals for the District of Columbia Circuit,

1 which shall have jurisdiction of the appeal. The
2 court may review only those issues necessary to de-
3 termine whether the issuance of the temporary de-
4 nial order was based on reasonable cause to believe
5 that the person subject to the order was engaged in
6 or was about to engage in any act or practice which
7 constitutes or would constitute a violation of this
8 title, or any regulation, order, or license issued
9 under this title, or if a criminal indictment has been
10 returned against the person subject to the order al-
11 leging a violation of this title or any of the statutes
12 listed in section 110(f). The court shall vacate the
13 Secretary's order if the court finds that the Sec-
14 retary's order is arbitrary, capricious, an abuse of
15 discretion, or otherwise not in accordance with law.

16 (e) APPEALS FROM LICENSING AND CLASSIFICATION
17 ACTIONS.—

18 (1) LICENSE DENIALS.—A determination of the
19 Secretary under section 109 to deny a license may
20 be appealed by the applicant to an administrative
21 law judge who shall have the authority to conduct
22 proceedings to determine only whether the item
23 sought to be exported is in fact on the control list.
24 Such proceedings shall be conducted within 90 days
25 after the appeal is filed. Any determination by an

1 administrative law judge under this subsection and
2 all materials filed before such judge in the proceed-
3 ings shall be reviewed by the Secretary, who shall ei-
4 ther affirm or vacate the determination in a written
5 decision within 30 days after receiving the deter-
6 mination.

7 (2) CLASSIFICATION DECISIONS.—(A) Within
8 30 days after the issuance of a classification decision
9 under section 109(h)(1), or within 30 days after the
10 failure to issue such a classification decision in re-
11 sponse to a request for such a decision, any United
12 States person aggrieved by such decision or failure
13 may file an appeal thereof to an administrative law
14 judge, but only on issues regarding such classifica-
15 tion decision including, but not limited to, decisions
16 of whether an item is covered by any general or spe-
17 cific note. The administrative law judge may not re-
18 view determinations as to the reliability of an end
19 user or the nature of an end use or end user. The
20 administrative law judge shall, within 90 days after
21 such appeal is filed, issue his or her decision and
22 issue any order that is necessary or appropriate to
23 carry out such decision. Such order shall be binding
24 upon the Secretary unless and until vacated or modi-
25 fied under subparagraph (B). Such order may be

1 stayed by the administrative law judge or the Sec-
2 retary pending the filing and determination of an
3 appeal under subparagraph (B).

4 (B) Any United States person aggrieved by a
5 decision of the administrative law judge under sub-
6 paragraph (A) may appeal such decision to the Sec-
7 retary within 45 days after receiving notification of
8 such decision. The Secretary shall, in a written
9 order, affirm, modify, or vacate the decision of the
10 administrative law judge within 30 days after such
11 appeal is filed. The authority of the Secretary under
12 this paragraph may not be delegated to an officer or
13 employee of the Bureau of Export Administration.

14 (3) PUBLICATION AND INDEXING OF DECI-
15 SIONS.—Subject to the limitations of section 114(g),
16 final decisions of administrative law judges and the
17 Secretary under this subsection shall be published in
18 the Federal Register within 15 days after they are
19 rendered. The Secretary shall index decisions on ap-
20 peals of license denials.

21 (4) CONDUCT OF PROCEEDINGS.—Except as

2 Code.

3 (5) REGULATIONS.—The Secretary shall issue
4 such regulations as are necessary to carry out this
5 subsection.

6 (6) OTHER RIGHTS NOT AFFECTED.—The
7 rights granted by this subsection do not abridge any
8 other rights provided by law.

9 (7) EFFECTIVE DATE.—This subsection shall
10 take effect 120 days after the date of the enactment
11 of this Act. Regulations implementing this sub-
12 section shall be promulgated no later than such ef-
13 fective date.

25 nuclear weapons or assist other nations in doing so.

1 Such certification shall set forth the reasons supporting
2 such determination in each particular case.

3 “(2)(A) A certification under paragraph (1) shall
4 take effect on the date on which the certification is re-
5 ceived by the Congress. However, if, within 30 calendar
6 days after receiving this certification, the Congress enacts
7 a joint resolution stating in substance that the Congress
8 disapproves the furnishing of assistance pursuant to the
9 certification, then upon the enactment of that resolution
10 the certification shall cease to be effective and all deliveries
11 of assistance furnished under the authority of that certifi-

17 specific reasons therefor.

18 “(2)(A) A certification under paragraph (1) shall

21 days after receiving this certification, the Congress enacts
22 a joint resolution stating in substance that the Congress

8 defined in section 231(5) of that Act).”.

9 **SEC. 229. REPORTS.**

10 (a) CONTENT OF ACDA ANNUAL REPORT.—Section
11 51 of the Arms Control and Disarmament Act, as amend-
12 ed by section 717 of the Foreign Relations Authorization
13 Act, Fiscal Years 1995 and 1995, is amended—

14 (1) in subsection (a)—

15 (A) by striking “and” at the end of para-
16 graph (5);

17 (B) by striking the period at the end of
18 paragraph (6) and inserting “; and”; and

19 (C) by adding after paragraph (6) the fol-
20 lowing new paragraph:

21 “(7) a discussion of any material noncompliance
22 by foreign governments with their binding commit-
23 ments to the United States with respect to the pre-
24 ventions of the spread of nuclear explosive devices (as
25 defined in section 231(4) of the Nuclear Prolifera-

1 tion Prevention Act of 1995) by non-nuclear-weapon
2 states (as defined in section 231(5) of that Act) or
3 the acquisition by such states of unsafeguarded spe-
4 cial nuclear material (as defined in section 231(8) of
5 that Act), including—

6 “(A) a net assessment of the aggregate
7 military significance of all such violations;

8 “(B) a statement of the compliance policy
9 of the United States with respect to violations
10 of those commitments; and

11 “(C) what actions, if any, the President
12 has taken or proposes to take to bring any na-
13 tion committing such a violation into compli-
14 ance with those commitments.”; and

15 (2) by adding at the end the following new sub-
16 section:

17 “(c) REPORTING CONSECUTIVE NONCOMPLIANCE.—
18 If the President in consecutive reports submitted to the
19 Congress under this section reports that any designated
20 nation is not in full compliance with its binding non-
21 proliferation commitments to the United States, then the
22 President shall include in the second such report an as-
23 sessment of what actions are necessary to compensate for
24 such violations.”.

1 (b) REPORTING ON DEMARCHES.—(1) It is the sense
2 of the Congress that the Department of State should, in
3 the course of implementing its reporting responsibilities
4 under section 602(c) of the Nuclear Non-Proliferation Act
5 of 1978, include a summary of demarches that the United
6 States has issued or received from foreign governments
7 with respect to activities which are of significance from
8 the proliferation standpoint.

9 (2) For purposes of this section, the term “de-
10 marche” means any official communication by one govern-
11 ment to another, by written or oral means, intended by
12 the originating government to express—

13 (A) a concern over a past, present, or possible
14 future action or activity of the recipient government,
15 or of a person within the jurisdiction of that govern-
16 ment, contributing to the global spread of
17 unsafeguarded special nuclear material or of nuclear
18 explosive devices;

19 (B) a request for the recipient government to
20 counter such action or activity; or

21 (C) both the concern and request described in
22 subparagraphs (A) and (B).

1 **SEC. 230. TECHNICAL CORRECTION.**

2 Section 133 b. of the Atomic Energy Act of 1954 (42
3 U.S.C. 2160c) is amended by striking “20 kilograms” and
4 inserting “5 kilograms”.

8 (A) an individual who is not a citizen of
9 the United States or an alien admitted for per-
10 manent residence to the United States; or

11 (B) a corporation, partnership, or other

21 ignated by the President pursuant to section
22 309(c) of the Nuclear Non-Proliferation Act of
23 1978, and all technical assistance requiring au-
24 thorization under section 57 b. of the Atomic
25 Energy Act of 1954; and

5 in subparagraph (A);

6 (3) the term “IAEA safeguards” means the
7 safeguards set forth in an agreement between a
8 country and the International Atomic Energy Agen-
9 cy, as authorized by Article III(A)(5) of the Statute
10 of the International Atomic Energy Agency;

11 (4) the term “nuclear explosive device” means
12 any device, whether assembled or disassembled, that
13 is designed to produce an instantaneous release of
14 an amount of nuclear energy from special nuclear
15 material that is greater than the amount of energy
16 that would be released from the detonation of one
17 pound of trinitrotoluene (TNT);

18 (5) the term “non-nuclear-weapon state” means
19 any country which is not a nuclear-weapon state, as
20 defined by Article IX (3) of the Treaty on the Non-
21 Proliferation of Nuclear Weapons, signed at Wash-
22 ington, London, and Moscow on July 1, 1968;

12 terial that could, if it were exported from the United
13 States, be exported under a general license issued by
14 the Nuclear Regulatory Commission).

15 **SEC. 232. EFFECTIVE DATE.**

16 The provisions of this part, and the amendments
17 made by this part, shall take effect 60 days after the date
18 of the enactment of this Act.

19 **PART C—INTERNATIONAL ATOMIC ENERGY**
20 **AGENCY**

21 **SEC. 241. BILATERAL AND MULTILATERAL INITIATIVES.**

22 It is the sense of the Congress that in order to main-
23 tain and enhance international confidence in the effective-
24 ness of IAEA safeguards and in other multilateral under-
25 takings to halt the global proliferation of nuclear weapons,

1 the United States should seek to negotiate with other na-
2 tions and groups of nations, including the IAEA Board
3 of Governors and the Nuclear Suppliers Group, to—

4 (1) build international support for the principle
5 that nuclear supply relationships must require pur-
6 chasing nations to agree to full-scope international
7 safeguards;

8 (2) encourage each nuclear-weapon state within
9 the meaning of the Treaty to undertake a com-
10 prehensive review of its own procedures for declas-
11 sifying information relating to the design or produc-
12 tion of nuclear explosive devices and to investigate
13 any measures that would reduce the risk of such in-
14 formation contributing to nuclear weapons prolifera-
15 tion;

16 (3) encourage the deferral of efforts to produce
17 weapons-grade nuclear material for large-scale com-
18 mercial uses until such time as safeguards are devel-
19 oped that can detect, on a timely and reliable basis,
20 the diversion of significant quantities of such mate-
21 rial for nuclear explosive purposes;

22 (4) pursue greater financial support for the im-
23 plementation and improvement of safeguards from
24 all IAEA member nations with significant nuclear
25 programs, particularly from those nations that are

1 currently using or planning to use weapons-grade
2 nuclear material for commercial purposes;

3 (5) arrange for the timely payment of annual fi-
4 nancial contributions by all members of the IAEA,
5 including the United States;

6 (6) pursue the elimination of international com-
7 merce in highly enriched uranium for use in research
8 reactors while encouraging multilateral cooperation
9 to develop and to use low-enriched alternative nu-
10 clear fuels;

11 (7) oppose efforts by non-nuclear-weapon states
12 to develop or use unsafeguarded nuclear fuels for
13 purposes of naval propulsion;

14 (8) pursue an international open skies arrange-
15 ment that would authorize the IAEA to operate sur-
16 veillance aircraft and would facilitate IAEA access
17 to satellite information for safeguards verification
18 purposes;

19 (9) develop an institutional means for IAEA
20 member nations to share intelligence material with
21 the IAEA on possible safeguards violations without
22 compromising national security or intelligence
23 sources or methods;

24 (10) require any exporter of a sensitive nuclear
25 facility or sensitive nuclear technology to a non-nu-

1 clear-weapon state to notify the IAEA prior to ex-
2 port and to require safeguards over that facility or
3 technology, regardless of its destination; and

4 (11) seek agreement among the parties to the
5 Treaty to apply IAEA safeguards in perpetuity and
6 to establish new limits on the right to withdraw from
7 the Treaty.

8 **SEC. 242. IAEA INTERNAL REFORMS.**

9 In order to promote the early adoption of reforms in
10 the implementation of the safeguards responsibilities of
11 the IAEA, the Congress urges the President to negotiate
12 with other nations and groups of nations, including the
13 IAEA Board of Governors and the Nuclear Suppliers
14 Group, to—

15 (1) improve the access of the IAEA within nu-
16 clear facilities that are capable of producing, proc-
17 essing, or fabricating special nuclear material suit-
18 able for use in a nuclear explosive device;

19 (2)(A) facilitate the IAEA's efforts to meet and
20 to maintain its own goals for detecting the diversion
21 of nuclear materials and equipment, giving particu-
22 lar attention to facilities in which there are bulk
23 quantities of plutonium; and

24 (B) if it is not technically feasible for the IAEA
25 to meet those detection goals in a particular facility,

1 require the IAEA to declare publicly that it is un-
2 able to do so;

3 (3) enable the IAEA to issue fines for violations
4 of safeguards procedures, to pay rewards for infor-
5 mation on possible safeguards violations, and to es-
6 tablish a “hot line” for the reporting of such viola-
7 tions and other illicit uses of weapons-grade nuclear
8 material;

9 (4) establish safeguards at facilities engaged in
10 the manufacture of equipment or material that is es-
11 pecially designated or prepared for the processing,
12 use, or production of special fissionable material or,
13 in the case of non-nuclear-weapon states, of any nu-
14 clear explosive device;

15 (5) establish safeguards over nuclear research
16 and development activities and facilities;

17 (6) implement special inspections of undeclared
18 nuclear facilities, as provided for under existing safe-
19 guards procedures, and seek authority for the IAEA
20 to conduct challenge inspections on demand at sus-
21 pected nuclear sites;

22 (7) expand the scope of safeguards to include
23 tritium, uranium concentrates, and nuclear waste
24 containing special fissionable material, and increase
25 the scope of such safeguards on heavy water;

1 (8) revise downward the IAEA's official mini-
2 mum amounts of nuclear material ("significant
3 quantity") needed to make a nuclear explosive device
4 and establish these amounts as national rather than
5 facility standards;

6 (9) expand the use of full-time resident IAEA
7 inspectors at sensitive fuel cycle facilities;

8 (10) promote the use of near real time material
9 accountancy in the conduct of safeguards at facili-
10 ties that use, produce, or store significant quantities
11 of special fissionable material;

12 (11) develop with other IAEA member nations
13 an agreement on procedures to expedite approvals of
14 visa applications by IAEA inspectors;

15 (12) provide the IAEA the additional funds,
16 technical assistance, and political support necessary
17 to carry out the goals set forth in this subsection;
18 and

19 (13) make public the annual safeguards imple-
20 mentation report of the IAEA, establishing a public
21 registry of commodities in international nuclear com-
22 merce, including dual-use goods, and creating a pub-
23 lic repository of current nuclear trade control laws,
24 agreements, regulations, and enforcement and judi-
25 cial actions by IAEA member nations.

1 **SEC. 243. REPORTING REQUIREMENT.**

2 (a) REPORT REQUIRED.—The President shall, in the
3 report required by section 601(a) of the Nuclear Non-Pro-
4 liferation Act of 1978, describe—

5 (1) the steps he has taken to implement sec-
6 tions 241 and 242, and

7 (2) the progress that has been made and the
8 obstacles that have been encountered in seeking to
9 meet the objectives set forth in sections 241 and
10 242.

11 (b) CONTENTS OF REPORT.—Each report under
12 paragraph (1) shall describe—

13 (1) the bilateral and multilateral initiatives that
14 the President has taken during the period since the
15 enactment of this Act in pursuit of each of the ob-
16 jectives set forth in sections 241 and 242;

17 (2) any obstacles that have been encountered in
18 the pursuit of those initiatives;

19 (3) any additional initiatives that have been
20 proposed by other countries or international organi-
21 zations to strengthen the implementation of IAEA
22 safeguards;

23 (4) all activities of the Federal Government in
24 support of the objectives set forth in sections 241
25 and 242;

1 (5) any recommendations of the President on
2 additional measures to enhance the effectiveness of
3 IAEA safeguards; and

4 (6) any initiatives that the President plans to
5 take in support of each of the objectives set forth in
6 sections 241 and 242.

16 tion, quantity, and disposition of special fissionable
17 material at facilities that store or process such mate-
18 rial, in which verification of peaceful use is continu-
19 ously achieved by means of frequent physical inven-
20 tories and the use of in-process instrumentation;

21 (4) the term “special fissionable material” has
22 the meaning given that term by Article XX(1) of the
23 Statute of the International Atomic Energy Agency,

14 ization Act, Fiscal Years 1995 and 1995, the
15 amendments made by that title, and the items relat-
16 ing to such title in the table of contents of that Act,
17 are repealed; and

19 pealed by title VIII of that Act, such title shall be
20 deemed not to have been enacted.
