

104TH CONGRESS
1ST SESSION

S. 1012

To extend the time for construction of certain FERC licensed hydro projects.

IN THE SENATE OF THE UNITED STATES

JUNE 30 (legislative day, JUNE 19), 1995

Mr. D'AMATO (for himself and Mr. MOYNIHAN) introduced the following bill; which was read twice and referred to the Committee on Energy and National Resources

A BILL

To extend the time for construction of certain FERC licensed hydro projects.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. EXTENSION.**

4 Notwithstanding the limitations of section 13 of the
5 Federal Power Act, the Federal Energy Regulatory Com-
6 mission, upon the request of the licensee or licensees for
7 FERC projects numbered 4244 and 10648 (and after rea-
8 sonable notice), is authorized in accordance with the good
9 faith, due diligence, and public interest requirements of
10 such section 13 and the Commission's procedures under

1 such section, to extend the time required for commence-
2 ment of construction for each of such projects for up to
3 a maximum of 3 consecutive 2-year periods. This section
4 shall take effect for the projects upon the expiration of
5 the extension (issued by the Commission under such sec-
6 tion 13) of the period required for commencement of con-
7 struction of each such project.
