20 of the State.

21 In disapproving a request for a waiver under this section,
22 the Administrator shall inform the State of the reasons

9 this subtitle, the Voucher Administrator may refer
10 the matter to the Attorney General of the United

18 **SEC. 328. FORMULA ALLOCATIONS.**

19 (a) IN GENERAL.—For each fiscal year, the Resolu-
20 tion Administrator shall allocate any amounts available
21 under this subtitle for block grants for the fiscal year to
22 public housing agencies eligible for such grants under sec-
23 tion 326(b). The allocation for an eligible public housing
24 agency for a fiscal year shall be the sum of the operating
25 amount under subsection (b) for the agency for such year

1 and the capital amount under subsection (c) for the agen-
2 cy for such year.

3 (b) OPERATING AMOUNT.—

4 (1) IN GENERAL.—The Resolution Adminis-
5 trator shall allocate 40 percent of any amounts
6 available under this subtitle for block grants for a
7 fiscal year to eligible public housing agencies accord-
8 ing to a formula established under this subsection by
9 the Resolution Administrator. The formula alloca-
10 tion under this subsection for a public housing agen-
11 cy for a fiscal year is the operating amount for such
12 agency for such year.

13 (2) MODIFICATION OF PFS FORMULA.—For
14 purposes of determining operating amounts under
15 this subsection, the Resolution Administrator shall

22 327(1);

23 (B) simplify the requirements relating to
24 public housing agencies with 100 or fewer units;

1 (C) revise the treatment of “other income”
2 in a manner that gives public housing agencies
3 an incentive to increase such income;

4 (D) eliminate the “rental income increase”
5 factor used in calculating Performance Funding
6 System eligibility; and

7 (E) provide that the treatment of vacant
8 public housing units under the formula may be
9 modified by negotiated rulemaking.

10 In modifying the Performance Funding System for-
11 mula under this paragraph, the Resolution Adminis-
12 trator may give special consideration to the needs of
13 public housing agencies for anticrime funding and
14 funding of activities related to the provision of serv-
15 ice coordinators for elderly persons or persons with
16 disabilities pursuant to section 671 of the Housing
17 and Community Development Act of 1992.

18 (3) USE OF EXISTING PFS FORMULA.—Until

23 Act of 1937 for purposes of determining the operat-
24 ing amounts under this subsection.

25 (c) CAPITAL AMOUNT.—

1 (1) IN GENERAL.—The Resolution Adminis-
2 trator shall allocate 60 percent of any amounts
3 available under this subtitle for block grants for a
4 fiscal year to eligible public housing agencies accord-
5 ing to a formula established under this subsection by
6 the Resolution Administrator. The formula shall be
7 designed to measure the relative needs of such agen-
8 cies for capital and modernization assistance and
9 shall allocate amounts to address the backlog needs
10 and accrual needs of public housing agencies, taking
11 into consideration all activities eligible for assistance
12 under section 327(2). The formula allocation under
13 this subsection for a public housing agency for a fis-
14 cal year is the capital amount for such agency for
15 such year.

16 (2) FORMULA FOR SMALL PUBLIC HOUSING
17 AGENCIES.—The Resolution Administrator may es-
18 tablish a separate allocation formula under this sub-
19 section for public housing agencies with fewer than
20 100 units, which may take into account the specific
21 needs of such smaller public housing agencies.

22 (3) AUTHORITY TO USE CURRENT FORMULA.—
23 In carrying out this subsection, the Resolution Ad-
24 ministrator may use the formula established under
25 section 14(k) of the United States Housing Act of

1 1937, with such adjustments as may be necessary to
2 provide additional weight for backlog needs. The
3 Resolution Administrator may make the adjustments
4 to such formula by notice and without amending the
5 regulations implementing such section.

17 The Resolution Administrator may waive any Federal,
18 State, or local procurement requirements applicable to a
19 public housing agency engaging in any activity authorized
