## A BILL

To commemorate the service of First Ladies Jacqueline Kennedy and Patricia Nixon to improving and maintaining the Executive Residence of the President and to authorize grants to the White House Endowment Fund in their memory to continue their work.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. FINDINGS.**

2 The Congress makes the following findings:

3 (a) First Ladies Jacqueline Kennedy and Patri-  
4 cia Nixon devoted much of their service to preserv-  
5 ing and improving the White House. They made it  
6 a national showplace of American history, fine arts,  
7 and decorative arts.

8 (b) The White House historic preservation pro-  
9 gram was initiated by Mrs. Kennedy almost thirty-  
10 five years ago, in 1961. Mrs. Kennedy initiated a  
11 program to restore the historic integrity of the pub-  
12 lic rooms of the White House; to establish a fine and  
13 decorative arts collection; and to establish the White  
14 House Historical Association to publish and distrib-  
15 ute educational materials describing the White  
16 House and its history.

17 (c) Mrs. Nixon provided leadership in the most  
18 extensive acquisition of fine and decorative arts in  
19 the history of the White House. Her plan for refur-  
20 bishment of the public rooms remains intact after  
21 more than twenty years.

22 (d) The fine and decorative arts donated to the  
23 White House during the leadership of Mrs. Kennedy  
24 and Mrs. Nixon, valued today at tens of millions of  
25 dollars, far exceed those received during all other  
26 modern Presidential administrations combined.

1           (e) The White House is the only Executive Res-  
2           idence in the world that is regularly open to the gener-  
3           eral public. With over 1.5 million visitors annually,  
4           the Executive Residence's public rooms need con-  
5           stant care and complete refurbishing every eight to  
6           ten years. To maintain the collection of fine arts,  
7           historic pieces must be acquired, loaned works must  
8           be acquired, reproductions need to be replaced, and  
9           repairs need to be made.

10           (f) First Lady Barbara Bush established the  
11           White House Endowment Fund in 1990 to create a  
12           permanent endowment of \$25,000,000 to maintain  
13           the public rooms and collection of the White House.  
14           Although substantial contributions have been re-  
15           ceived from the public, additional funds are needed  
16           to complete the endowment.

17           (g) In recognition of the service of Mrs. Ken-  
18           neddy and Mrs. Nixon in preserving and improving  
19           the White House, and in their memory following  
20           their recent deaths, it is fitting and proper for the  
21           Congress to memorialize their work by making a  
22           public contribution to continue preservation activities  
23           at the White House.

24           (h) Bestowing this honor on Mrs. Kennedy and  
25           Mrs. Nixon would be in accord with the well-estab-

1 lished congressional precedent by which a grateful  
2 Nation recognizes noteworthy and enduring con-  
3 tributions to the public interest with the appropria-  
4 tion of funds to programs, endowments, and founda-  
5 tions to memorialize the contributions of the  
6 honorees.

7 **SEC. 2. GRANTS TO THE WHITE HOUSE ENDOWMENT FUND.**

9 States shall make grants to the White House Endowment

1 the Treasury if it is used for the purposes for which the  
2 funds were made available.

3 (d) SOURCE OF FUNDS.—Grants under this section  
4 shall be made from funds appropriated to the President  
5 for such purpose.

6 (e) AMOUNT AND DEADLINE FOR MAKING  
7 GRANTS.—The President shall make grants under this  
8 section, in amounts not to exceed a total of \$10,000,000,  
9 not later than September 30, 1996.

11 **FUND.**
