3        **SECTION 1. FINDINGS AND PURPOSES.**

4        (a) FINDINGS.—The Congress finds and declares the  
5        following:

6                (1) The city of Casper, Wyoming, is nationally  
7        significant as the only geographic location in the

1 western United States where 4 congressionally rec-  
2 ognized historic trails (the Oregon Trail, the Mor-  
3 mon Trail, the California Trail, and the Pony Ex-  
4 press Trail), the Bridger Trail, the Bozeman Trail,  
5 and many Indian routes converged.

6 (2) The historic trails that passed through the  
7 Casper area are a distinctive part of the national  
8 character and possess important historical and cul-  
9 tural values representing themes of migration, settle-  
10 ment, transportation, and commerce that shaped the  
11 landscape of the West.

12 (3) The Bureau of Land Management has not  
13 yet established a historic trails interpretive center in  
14 Wyoming or in any adjacent State to educate and  
15 focus national attention on the history of the mid-  
16 19th century immigrant trails that crossed public  
17 lands in the Intermountain West.

18 (4) At the invitation of the Bureau of Land  
19 Management, the city of Casper and the National  
20 Historic Trails Foundation, Inc. (a nonprofit cor-  
21 poration established under the laws of the State of  
22 Wyoming) entered into a memorandum of under-  
23 standing in 1992, and have since signed an assist-  
24 ance agreement in 1993 and a cooperative agree-  
25 ment in 1997, to create, manage, and sustain a Na-

1 tional Historic Trails Interpretive Center to be lo-  
2 cated in Casper, Wyoming, to professionally inter-  
3 pret the historic trails in the Casper area for the  
4 benefit of the public.

5 (5) The National Historic Trails Interpretive  
6 Center authorized by this Act is consistent with the  
7 purposes and objectives of the National Trails Sys-  
8 tem Act (16 U.S.C. 1241 et seq.), which directs the  
9 Secretary of the Interior to protect, interpret, and  
10 manage the remnants of historic trails on public  
11 lands.

12 (6) The State of Wyoming effectively joined the  
13 partnership to establish the National Historic Trails  
14 Interpretive Center through a legislative allocation of  
15 supporting funds, and the citizens of the city of Cas-  
16 per have increased local taxes to meet their financial  
17 obligations under the assistance agreement and the  
18 cooperative agreement referred to in paragraph (4).

19 (7) The National Historic Trails Foundation,  
20 Inc. has secured most of the \$5,000,000 of non-Fed-  
21 eral funding pledged by State and local governments  
22 and private interests pursuant to the cooperative  
23 agreement referred to in paragraph (4).

24 (8) The Bureau of Land Management has com-  
25 pleted the engineering and design phase of the Na-

1 tional Historic Trails Interpretive Center, and the  
2 National Historic Trails Foundation, Inc. is ready  
3 for Federal financial and technical assistance to con-  
4 struct the Center pursuant to the cooperative agree-  
5 ment referred to in paragraph (4).

6 (b) PURPOSES.—The purposes of this Act are the fol-  
7 lowing:

8 (1) To recognize the importance of the historic  
9 trails that passed through the Casper, Wyoming,  
10 area as a distinctive aspect of American heritage  
11 worthy of interpretation and preservation.

12 (2) To assist the city of Casper, Wyoming, and  
13 the National Historic Trails Foundation, Inc. in es-  
14 tablishing the National Historic Trails Interpretive  
15 Center to memorialize and interpret the significant  
16 role of those historic trails in the history of the  
17 United States.

18 (3) To highlight and showcase the Bureau of  
19 Land Management’s stewardship of public lands in
