## AN ACT

To establish an advisory commission to provide advice and recommendations on the creation of an integrated, coordinated Federal policy designed to prepare for and respond to serious drought emergencies.

1        *Be it enacted by the Senate and House of Representa-*  
2        *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “National Drought Pol-  
3 icy Act of 1998”.

4 **SEC. 2. FINDINGS.**

5 Congress finds that—

6 (1) the United States often suffers serious eco-  
7 nomic and environmental losses from severe regional  
8 droughts and there is no coordinated Federal strat-  
9 egy to respond to such emergencies;

10 (2) at the Federal level, even though historically  
11 there have been frequent, significant droughts of na-  
12 tional consequences, drought is addressed mainly  
13 through special legislation and ad hoc action rather  
14 than through a systematic and permanent process as  
15 occurs with other natural disasters;

16 (3) there is an increasing need, particularly at  
17 the Federal level, to emphasize preparedness, mitiga-  
18 tion, and risk management (rather than simply crisis  
19 management) when addressing drought and other  
20 natural disasters or emergencies;

21 (4) several Federal agencies have a role in  
22 drought from predicting, forecasting, and monitoring  
23 of drought conditions to the provision of planning,  
24 technical, and financial assistance;

25 (5) there is no single Federal agency in a lead  
26 or coordinating role with regard to drought;

1           (6) State, local, and tribal governments have  
2 had to deal individually and separately with each  
3 Federal agency involved in drought assistance; and

4           (7) the President should appoint an advisory  
5 commission to provide advice and recommendations  
6 on the creation of an integrated, coordinated Federal  
7 policy designed to prepare for, mitigate the impacts  
8 of, respond to, and recover from serious drought  
9 emergencies.

10 **SEC. 3. ESTABLISHMENT OF COMMISSION.**

11           (a) **ESTABLISHMENT.**—There is established a com-  
12 mission to be known as the National Drought Policy Com-  
13 mission (hereinafter in this Act referred to as the “Com-  
14 mission”).
