Whereas the OAS–CIAV created 86 peace commissions and has provided assistance and extensive training in human rights and alternative dispute resolution for their members, who are currently mediating conflicts, including kidnappings and demobilization of rearmed groups, in every municipality of the zones of conflict;

Whereas the OAS–CIAV assistance and training by the OAS–CIAV of rural Nicaraguans has led to a decrease in violence in the zones of conflict since 1994, in some areas as much as 85 percent;
