## RESOLUTION

Designating 1998 as the “Oñate Cuartocentenario”, the 400th anniversary commemoration of the first permanent Spanish settlement in New Mexico.

Whereas Don Juan de Oñate of Spain settled the first permanent colony of Europeans in the Southwest Region of the United States, known as San Gabriel de Los Españoles, and located near modern day San Juan Pueblo and Española, New Mexico;

Whereas the first Spanish capital was established at San Juan de los Caballeros in July of 1598, predating the English settlement of Jamestown in 1610 by 12 years;

Whereas Spanish exploration activity in the New World began in 1512 when Ponce de León explored the Florida peninsula, and included the explorations of Francisco Coronado throughout California to Kansas and across Arizona, New Mexico, Texas, and Oklahoma from 1540 to 1542;

Whereas the major Spanish settlement efforts were focused in modern day Florida and New Mexico, and 1998 marks the 400th anniversary of the first permanent settlement in New Mexico, referred to as the Cuartocentenario;

Whereas Hispanic Americans are the fastest growing minority group in the United States and include descendants of the Spanish, Mexican, Cuban, Puerto Rican, Central American, and other Hispanic peoples;

Whereas the United States Census Bureau estimated in March 1993 that the Hispanic population of the United States was 22,800,000; the current estimate of the Hispanic population in the United States is 26,000,000, with projections of 30,000,000 by the year 2000, 40,000,000 by 2010, and almost 60,000,000 (or 20 percent of the total United States population) by the year 2030;

Whereas the number of Hispanic immigrants to the United States has increased from 1,500,000 in the 1960's, to

2,400,000 in the 1970's, to 4,500,000 in the 1980's, and the number of Hispanic immigrants is expected to continue to rise;

Whereas two-thirds of all Hispanics in the United States today are of Mexican origin, and 70 percent of United States Hispanics live in 4 States: California, Texas, New York, and Florida;

Whereas New Mexico's Hispanic population is 39 percent (or over 660,000 of the 1995 total State population of 1,700,000) and represents the highest percentage of Hispanics in any State in the United States;

Whereas the United States has an enriched legacy of Hispanic influence in politics, government, business, and culture due to the early settlements and continuous influx of Hispanics into the United States;

Whereas the New Mexico State Government has funded a Hispanic Cultural Center in Albuquerque, New Mexico, with assistance from the Federal Government, local governments, and private contributions, to celebrate and preserve Hispanic culture including literature, performing arts, visual arts, music, culinary arts, and language arts;

Whereas the Archbishop of Santa Fe, Michael Sheehan, is planning events throughout 1998 in New Mexico, including the opening of "Jubilee year", an encuentro at Santo Domingo Pueblo to mark the meeting of the missionaries with the Pueblo peoples, an Archdiocesan reconciliation service at the Santuario de Chimayo, and an Archdiocesan celebration of St. Francis of Assisi in Santa Fe;

Whereas in order to commemorate Don Juan de Oñate's arrival, the city of Española will have a fiesta in July 1998, the city of Santa Fe is planning several special events,

and the New Mexico statewide committee is planning a parade, a historical costume ball, and a pageant in Albuquerque; and

Whereas many other religious, educational, and social events are being planned around New Mexico to commemorate the 400th anniversary of the first permanent Spanish settlement in New Mexico: Now, therefore, be it
