## RESOLUTION

Expressing the sense of the Senate regarding the political and economic importance of the Denver Summit of Eight and commending the State of Colorado for its outstanding efforts toward ensuring the success of this historic event.

Whereas this is the first Economic Summit to be held in the United States since the 1990 Economic Summit was held in Houston, Texas;

Whereas on May 29, 1996, the State of Colorado was announced as the host of the Group of Seven Economic Summit, to be held on June 20 through 22, 1997;

Whereas the Economic Summit is an annual meeting that brings together the leaders of the world's 7 most economically successful democracies: Canada, France, Germany, Great Britain, Italy, Japan, and the United States;

Whereas this is the first Economic Summit to include the transitioning economy of Russia, which has resulted in a new reference to the Economic Summit as the Denver Summit of Eight;

Whereas the central location of Denver among the summit members, with Europe to the east, Japan to the west, and central Canada to the north, enables the residents of Colorado to serve as a central pillar supporting the international bridge of friendship and prosperity;

Whereas the selection of the State of Colorado and the Denver metropolitan region as the host of the Summit of Eight reflects the region's growing economic importance in the international community;

Whereas Colorado has distinguished itself as an ideal site for the Summit of Eight because of its leading industries of telecommunications, aerospace, biotechnology, high technology, health care, education, agriculture, recreation, and tourism;

Whereas Colorado's dedicated law enforcement officers, firefighters, emergency medical technicians, and other public servants are able and committed to provide vital support to the Summit of Eight; and

Whereas the Summit of Eight promises to be 1 of the more significant summits of recent years, with results that will benefit the larger world community, including progress toward relieving international debt, supporting the eco-

conomic development of Russia and the Ukraine, paving the way to increased efficiencies in international commercial transactions by reducing the regulatory barriers to electronic banking, and minimizing destabilizing factors in the world's financial markets: Now, therefore, be it

1       *Resolved*, That the Senate—

2               (1) expresses its appreciation to the citizens of  
3       Colorado and the Denver metropolitan region for  
4       hosting the Summit of Eight; and

5               (2) accords recognition of the hospitality to be  
6       provided by the people of Colorado and the Denver  
7       metropolitan region.
