19 **NATIONAL HISTORICAL PARK**

20 **SEC. 201. SHORT TITLE.**

21 *This title may be cited as the “Valley Forge Museum*  
22 *of the American Revolution Act of 1999”.*

23 **SEC. 202. FINDINGS AND PURPOSE.**

24 *(a) FINDINGS.—The Congress finds the following:*

1           (1) *Valley Forge National Historical Park, formerly a State park, was established as a unit of the*  
2           *National Park System in 1976. The National Park*  
3           *Service acquired various lands and structures associ-*  
4           *ated with the park, including a visitor center, from*  
5           *the Commonwealth of Pennsylvania.*

7           (2) *Valley Forge National Historical Park main-*  
8           *tains an extensive collection of artifacts, books, and*  
9           *other documents associated with the Continental*  
10          *Army's winter encampment of 1777–1778 at Valley*  
11          *Forge, Revolutionary War-era artifacts of military*  
12          *life, important archaeological resources, and numer-*  
13          *ous structures and associated artifacts.*

14          (3) *Between 1982 and 1997 the National Park*  
15          *Service completed a general management plan, long-*  
16          *range interpretive plan, and strategic business plan*  
17          *for Valley Forge National Historical Park that estab-*  
18          *lish goals and priorities for management of the park.*

19          (4) *These plans identify inadequacies in the*  
20          *park's current visitor center and interpretive pro-*  
21          *grams. The plans call for the development of a new*  
22          *or significantly renovated visitor center that would*  
23          *make the collection accessible to the public through ex-*  
24          *hibits and research facilities. Plans also call for im-*

1        *proving the interpretation of the landscape and im-*  
2        *proving the circulation into and through the park.*

3                *(5) The Valley Forge Historical Society was es-*  
4        *tablished in 1918 as a nonprofit organization to pre-*  
5        *serve and interpret for future generations the signifi-*  
6        *cant history and artifacts of the American Revolution*  
7        *in their historic setting at Valley Forge. The Valley*  
8        *Forge Historical Society has amassed valuable hold-*  
9        *ings of artifacts, art, books, and other documents re-*  
10       *lating to the 1777–1778 encampment of Washington’s*  
11       *Continental Army at Valley Forge, the American*  
12       *Revolution, and the American colonial era. The Soci-*  
13       *ety continues to pursue additional important collec-*  
14       *tions through bequests, exchanges, and acquisitions.*

15               *(6) The Society’s collection is currently housed*  
16       *in a facility inadequate to properly maintain, pre-*  
17       *serve, and display their ever-growing collection. The*  
18       *Society is interested in developing an up-to-date mu-*  
19       *seum and education facility.*

20               *(7) The Society and the National Park Service*  
21       *have discussed the idea of a joint museum and edu-*  
22       *cation and visitor facility. Such a collaborative*  
23       *project would directly support the historical, edu-*  
24       *cational, and interpretive activities and needs of Val-*  
25       *ley Forge National Historical Park and those of the*

1       **(b) CONTENTS AND IMPLEMENTATION OF AGREE-**

14 *ical Park;*

15          *(3) authorize the Secretary to undertake at the*  
16 *museum activities related to the management of Val-*  
17 *ley Forge National Historical Park, including, but*  
18 *not limited to, provision of appropriate visitor infor-*  
19 *mation and interpretive facilities and programs re-*  
20 *lated to Valley Forge National Historical Park;*

21          *(4) authorize the Society, acting as a private*  
22 *nonprofit organization, to engage in activities appro-*  
23 *priate for operation of a museum that may include,*

11        *United States of America of all right, title, and*  
12        *interest in the structure(s) to be constructed at*  
13        *Valley Forge National Historical Park.*

14                *(B) The Society's right to occupy and use*  
15        *the structure(s) shall be for the exhibition, preser-*  
16        *vation, and interpretation of artifacts associated*  
17        *with the Valley Forge story and the American*  
18        *Revolution, to enhance the visitor experience of*  
19        *Valley Forge National Historical Park, and to*  
20        *conduct appropriately related activities of the*  
21        *Society consistent with its mission and with the*  
22        *purposes for which the Valley Forge National*  
23        *Historical Park was established. Such right shall*  
24        *not be transferred or conveyed without the ex-*  
25        *press consent of the Secretary.*

1                   (C) Any other terms and conditions as may  
2                   be determined by the Secretary.

3 **SEC. 204. PRESERVATION AND PROTECTION.**

4       Nothing in this Act shall authorize the Secretary or  
5 the Society to take any actions in derogation of the preser-  
6 vation and protection of the values and resources of Valley  
7 Forge National Historical Park. An agreement entered into  
8 under section 203 shall be construed and implemented in  
9 light of the high public value and integrity of the Valley  
10 Forge National Historical Park and the National Park Sys-  
11 tem.
