

H. Res. 581

In the House of Representatives, U.S.,

September 20, 2000.

Resolved, That upon the adoption of this resolution it shall be in order without intervention of any point of order to consider in the House the bill (H.R. 3986) to provide for a study of the engineering feasibility of a water exchange in lieu of electrification of the Chandler Pumping Plant at Prosser Diversion Dam, Washington. The bill shall be considered as read for amendment. The amendment recommended by the Committee on Resources now printed in the bill shall be considered as adopted. The previous question shall be considered as ordered on the bill, as amended, to final passage without intervening motion except one hour of debate equally divided and controlled by the chairman and ranking minority member of the Committee on Resources and one motion to recommit with or without instructions.

Attest:

Clerk.
