

106TH CONGRESS
1ST SESSION

S. 148

To require the Secretary of the Interior to establish a program to provide assistance in the conservation of neotropical migratory birds.

IN THE SENATE OF THE UNITED STATES

JANUARY 19, 1999

Mr. ABRAHAM (for himself, Mr. DASCHLE, Mr. CHAFEE, Mr. HATCH, and Mr. DURBIN) introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

A BILL

To require the Secretary of the Interior to establish a program to provide assistance in the conservation of neotropical migratory birds.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Neotropical Migratory
5 Bird Conservation Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

8 (1) of the nearly 800 bird species known to
9 occur in the United States, approximately 500 mi-

1 grate among countries, and the large majority of
2 those species, the neotropical migrants, winter in
3 Latin America and the Caribbean;

4 (2) neotropical migratory bird species provide
5 invaluable environmental, economic, recreational,
6 and aesthetic benefits to the United States, as well
7 as to the Western Hemisphere;

8 (3)(A) many neotropical migratory bird popu-
9 lations, once considered common, are in decline, and
10 some have declined to the point that their long-term
11 survival in the wild is in jeopardy; and

12 (B) the primary reason for the decline in the
13 populations of those species is habitat loss and deg-
14 radation (including pollution and contamination)
15 across the species' range; and

16 (4)(A) because neotropical migratory birds
17 range across numerous international borders each
18 year, their conservation requires the commitment
19 and effort of all countries along their migration
20 routes; and

21 (B) although numerous initiatives exist to con-
22 serve migratory birds and their habitat, those initia-
23 tives can be significantly strengthened and enhanced
24 by increased coordination.

1 **SEC. 3. PURPOSES.**

2 The purposes of this Act are—

3 (1) to perpetuate healthy populations of
4 neotropical migratory birds;

5 (2) to assist in the conservation of neotropical
6 migratory birds by supporting conservation initia-
7 tives in the United States, Latin America, and the
8 Caribbean; and

9 (3) to provide financial resources and to foster
10 international cooperation for those initiatives.
