

107<sup>TH</sup> CONGRESS  
1<sup>ST</sup> SESSION

# H. R. 1372

To prohibit the expenditure of Federal funds to conduct or support research on the cloning of humans, and to express the sense of the Congress that other countries should establish substantially equivalent restrictions.

---

## IN THE HOUSE OF REPRESENTATIVES

APRIL 3, 2001

Mr. STEARNS introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committee on Science, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

---

## A BILL

To prohibit the expenditure of Federal funds to conduct or support research on the cloning of humans, and to express the sense of the Congress that other countries should establish substantially equivalent restrictions.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Human Cloning Re-  
5 search Prohibition Act”.

1 **SEC. 2. PROHIBITION AGAINST EXPENDITURE OF FEDERAL**  
2 **FUNDS FOR RESEARCH ON CLONING HU-**  
3 **MANS.**

4 (a) PROHIBITION.—None of the funds made available  
5 in any Federal law may be obligated or expended to con-  
6 duct or support any project of research that includes the  
7 use of human somatic cell nuclear transfer technology to  
8 produce an oocyte that is undergoing cell division toward  
9 development of a fetus.

10 (b) DEFINITIONS.—For purposes of this section—

11 (1) the term “human somatic cell nuclear trans-  
12 fer” means transferring the nucleus of a human so-  
13 matic cell into an oocyte from which the nucleus has  
14 been removed or rendered inert; and

15 (2) the term “somatic cell” means a cell of an  
16 embryo, fetus, child, or adult which is not and will  
17 not become a sperm or egg cell.

18 **SEC. 3. REVIEW.**

19 The Director of the National Science Foundation  
20 shall enter into an agreement with the National Research  
21 Council for a review of the implementation of this Act.  
22 Not later than 5 years after the date of the enactment  
23 of this Act, the Director shall transmit to the Congress  
24 a report containing the results of that review, including  
25 the conclusions of the National Research Council on—
