Reported under authority of the order of the Senate of October 17, 2002, by Mr. INOUE, without amendment

A BILL

To establish a demonstration project to authorize the integration and coordination of Federal funding dedicated to the community, business, and economic development of Native American communities.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. TITLE.**

2 The Act may be cited as the “Indian Tribal Develop-
3 ment Consolidated Funding Act of 2001”.

4 **SEC. 2. FINDINGS; PURPOSES.**

5 (a) FINDINGS.—Congress makes the following find-
6 ings:

7 (1) A unique legal and political relationship ex-
8 ists between the United States and Indian tribes
9 that is reflected in article I, section 8, clause 3 of
10 the Constitution, various treaties, Federal statutes,
11 Supreme Court decisions, executive agreements, and
12 course of dealing.

13 (2) Despite the infusion of substantial Federal
14 dollars into Native American communities over sev-
15 eral decades, the majority of Native Americans re-
16 main mired in poverty, unemployment, and despair.

17 (3) The efforts of the United States to foster
18 community, economic, and business development in
19 Native American communities have been hampered
20 by fragmentation of authority, responsibility, and
21 performance, and by lack of timeliness and coordina-
22 tion in resources and decision-making.

23 (4) The effectiveness of Federal and tribal ef-
24 forts to generate employment opportunities and
25 bring value-added activities and economic growth to
26 Native American communities depends on coopera-

1 tive arrangements among the various Federal agen-
2 cies and Indian tribes.

3 (b) PURPOSES.—The purpose of this Act are to—

4 (1) enable Indian tribes and tribal organiza-
5 tions to use available Federal assistance more effec-
6 tively and efficiently;

7 (2) adapt and target such assistance more read-
8 ily to particular needs through wider use of projects
9 that are supported by more than 1 executive agency,
10 assistance program, or appropriation of the Federal
11 Government;

12 (3) encourage Federal-tribal arrangements
13 under which Indian tribes and tribal organizations
14 may more effectively and efficiently combine Federal
15 and tribal resources to support economic develop-
16 ment projects;

17 (4) promote the coordination of Native Amer-
18 ican economic programs to maximize the benefits of
19 these programs to encourage a more consolidated,
20 national policy for economic development; and

21 (5) establish a demonstration project to aid In-
22 dian tribes in obtaining Federal resources and in
23 more efficiently administering those resources for
24 the furtherance of tribal self-governance and self-de-
25 termination.
