3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Discovery
5 Trails Act of 2001”.

1 **SEC. 2. NATIONAL TRAILS SYSTEM ACT AMENDMENTS.**

2 (a)(1) Section 3(a) of the National Trails System Act
3 (16 U.S.C. 1242(a)) is amended by inserting after para-
4 graph (4) the following:

5 “(5) National discovery trails, established as
6 provided in section 5, which will be extended, contin-
7 uous, interstate trails so located as to provide for
8 outstanding outdoor recreation and travel and to
9 connect representative examples of America’s trails
10 and communities. National discovery trails should
11 provide for the conservation and enjoyment of sig-
12 nificant natural, cultural, and historic resources as-
13 sociated with each trail and should be so located as
14 to represent metropolitan, urban, rural, and back
15 country regions of the Nation. Any such trail may
16 be designated on federal lands and, with the consent
17 of the owner thereof, on any non federal lands.”.

18 (2) **FEASIBILITY REQUIREMENTS; COOPERATIVE**
19 **MANAGEMENT REQUIREMENT.**—Section 5(b) of such Act
20 (16 U.S.C. 1244) is amended by adding at the end the
21 following new paragraph:

22 “(12) For purposes of subsection (b), a trail
23 shall not be considered feasible and desirable for
24 designation as a national discovery trail unless it
25 meets all of the following criteria:

1 “(A) The trail must link one or more areas
2 within the boundaries of a metropolitan area
3 (as those boundaries are determined under sec-
4 tion 134(c) of title 23, United States Code). It
5 should also join with other trails, connecting
6 the National Trails System to significant recre-
7 ation and resources areas.

8 “(B) The trail must be supported by at
9 least one competent trailwide volunteer-based
10 organization. Each trail should have extensive
11 local and trailwide support by the public, by
12 user groups, and by affected State and local
13 governments.

14 “(C) The trail must be extended and pass
15 through more than one State. At a minimum,
16 it should be a continuous, walkable route.

17 “(13) The appropriate Secretary for each na-
18 tional discovery trail shall administer the trail in co-
19 operation with at least one competent trailwide vol-
20 unteer-based organization. Where the designation of
21 discovery trail is aligned with other units of the Na-
22 tional Trails System, or State or local trails, the des-
23 ignation of a discovery trail shall not affect the pro-
24 tections or authorities provided for the other trail or
25 trails, nor shall the designation of a discovery trail

1 diminish the values and significance for which those
2 trails were established.”.

3 (b) DESIGNATION OF THE AMERICAN DISCOVERY

5 of such Act (16 U.S.C. 1244(a)) is amended—

6 the trail. Components of the comprehensive plan include—
