## **JOINT RESOLUTION**

Whereas, during the terms of President Dwight David Eisenhower and the era of Secretary of Agriculture Ezra Taft Benson, it became apparent that the development of

external markets was needed to ensure the financial viability of the agricultural sector of the United States;

Whereas the number of organizations engaged in the public and private partnership established by the Foreign Agricultural Service to promote United States agricultural exports has grown significantly, with market development and expansion occurring in nearly every global marketplace; and

Whereas March 10, 2003, was the 50th anniversary of the establishment of the Foreign Agricultural Service: Now, therefore, be it
