## A BILL

To amend the reclamation laws to clarify that certain man-made facilities that receive water from a Bureau of Reclamation Project are not navigable waters.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. MAN-MADE FACILITIES THAT RECEIVE WATER**  
4 **FROM A BUREAU OF RECLAMATION PROJECT**  
5 **ARE NOT NAVIGABLE WATERS.**

6 The first section of the Act of July 4, 1955 (chapter  
7 271; 43 U.S.C. 421a), is amended—

8 (1) by striking “That distribution and drainage  
9 systems” and inserting the following:

1 “SEC. 1. (a) Distribution and drainage systems”; and

2 (2) by adding at the end the following:

3 “(b) Except for reservoirs in navigable streams or riv-

4 ers, man-made facilities that receive water from a Bureau

5 of Reclamation Project and store or convey water for irri-

6 gation or drainage purposes, shall not be considered to be

7 navigable waters of the United States.”.
