

H. Res. 674

In the House of Representatives, U.S.,

June 16, 2004.

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4568) making appropriations for the Department of Interior and related agencies for the fiscal year ending September 30, 2005, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 of rule XXI are waived except as follows: in title I, the sixth proviso under the heading “Wildland Fire Management,” the final proviso under the heading “United States Geological Survey, Admin-

istrative Provisions,” and section 113; in title II, the fourteenth proviso under the heading “Wildland Fire Management” and the final sentence of the sixth paragraph under the heading “Administrative Provisions, Forest Service”; in title III, section 317, the proviso in section 319, and sections 324, 328, 331, and 333. Where points of order are waived against part of a paragraph or section, points of order against a provision in another part of such paragraph or section may be made only against such provision and not against the entire paragraph or section. During consideration of the bill for amendment, the Chairman of the Committee on the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amend-

ments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

Clerk.
