## A BILL

To adjust the boundary of Martin Van Buren National  
Historic Site, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Martin Van Buren Na-  
5 tional Historic Site Boundary Adjustment Act of 2005”.

6 **SEC. 2. DEFINITIONS.**

7 As used in this Act:

8 (1) HISTORIC SITE.—The term “historic site”  
9 means the Martin Van Buren National Historic Site

1 in the State of New York, as authorized by Public  
2 Law 93–486 on October 26, 1974.

3 (2) MAP.—The term “map” means the map en-  
4 titled “Boundary Map, Martin Van Buren National  
5 Historic Site,” numbered “460/80801” and dated  
6 “January 2005”.

7 (3) SECRETARY.—The term “Secretary” means  
8 the Secretary of the Interior.

9 **SEC. 3. FINDINGS AND PURPOSES.**

10 (a) FINDINGS.—Congress finds that—

11 (1) the historic site was established to preserve  
12 and interpret the landscape, structures, and collec-  
13 tions of “Lindenwald,” in Kinderhook, New York,  
14 owned by Martin Van Buren, the eighth President  
15 of the United States (1837–1841) from 1839 to his  
16 death in 1862;

17 (2) the current boundary, encompassing about  
18 39 acres of land, does not adequately protect natural  
19 and cultural resources that contribute to the signifi-  
20 cance of the historic site;

21 (3) the conservation easements acquired to pre-  
22 serve the historic site’s key agricultural views no  
23 longer offer adequate protection for those views;

24 (4) administrative buildings and facilities re-  
25 quired for future operations of the historic site may

1 not be suitable to be developed within its boundaries  
2 due to impacts on historic or scenic resources; and

3 (5) a boundary study prepared by the National  
4 Park Service in 2003 identifies about 331 acres of  
5 lands that, if acquired, would help protect the agri-  
6 cultural character and the quality of the historic set-  
7 ting of the historic site and increase opportunities  
8 for interpretation and education there.

9 (b) PURPOSES.—The purposes of this Act are—

10 (1) to protect the remaining contributing re-  
11 sources significant to the historic site;

12 (2) to preserve a more accurate portrayal of  
13 Van Buren’s Lindenwald by reuniting remaining ag-  
14 ricultural lands associated with the house through  
15 their acquisition from willing sellers;

16 (3) to enhance the interpretation of Van  
17 Buren’s broader political and agrarian beliefs by en-  
18 abling public access to key historic agricultural re-  
19 sources and to protect scenic values associated with  
20 the historic site; and

21 (4) to enable the National Park Service to es-  
22 tablish administrative facilities to serve the historic  
23 site that do not intrude upon the historic site’s re-  
24 sources or scenic values.

1 **SEC. 4. BOUNDARY ADJUSTMENTS TO THE HISTORIC SITE.**

2 (a) BOUNDARY ADJUSTMENT.—Effective on the date  
3 of enactment of this Act, the boundary of the historic site  
4 is adjusted to include approximately 261 acres of land  
5 identified as the “Proposed Park Additions,” as generally  
6 depicted on the map.

7 (b) FUTURE ACQUISITIONS.—The Secretary may ac-  
8 quire approximately 70 acres of land and interests in land  
9 outside the boundary of the historic site identified as “53–  
10 1–17.2” and “53–1–19.111,” which are the Columbia  
11 County, New York, tax map numbers for those lands, as  
12 generally depicted on the map.

13 (c) LANDS FOR ADMINISTRATIVE PURPOSES.—In  
14 order to preserve the historic site’s resources and scenic  
15 values, the Secretary may acquire land or interests in land  
16 outside the boundary of the historic site necessary for ad-  
17 ministrative, maintenance, curatorial, or other park pur-  
18 poses.

19 (d) ACQUISITION AUTHORITY.—The Secretary may  
20 acquire the lands and interests in lands referred to this  
21 section from a willing seller by donation, purchase with  
22 donated or appropriated funds, or exchange.

23 (e) REVISION OF BOUNDARY.—Upon acquisition of  
24 any land referred to in subsections (b) and (c), the bound-  
25 ary of the historic site shall be revised to include the ac-  
26 quired land.

1       (f) AVAILABILITY OF MAP.—The map shall be on file  
2 and available for public inspection in the appropriate of-  
3 fices of the National Park Service.

4       (g) ADMINISTRATION.—Land acquired for the his-  
5 toric site by this section shall be administered as part of  
6 the historic site in accordance with applicable laws and  
7 regulations.

8 **SEC. 5. AUTHORIZATION OF APPROPRIATION.**

9       There are authorized to be appropriated such sums  
10 as may be necessary to carry out this Act.
