IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 26, 2006

Mr. PASCARELL (for himself, Mr. ANDREWS, Mr. LOBIONDO, Mr. SAXTON, Mr. GARRETT of New Jersey, Mr. PALLONE, Mr. FERGUSON, Mr. ROTHMAN, Mr. PAYNE, Mr. FRELINGHUYSEN, Mr. HOLT, and Mr. SMITH of New Jersey) introduced the following bill; which was referred to the Committee on Resources

A BILL

To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Paterson Great Falls
5 National Park Act of 2006”.

6 **SEC. 2. FINDINGS AND PURPOSES.**

7 (a) FINDINGS.—Congress finds the following:

8 (1) The Great Falls Historic District in
9 Paterson, New Jersey is the site Alexander Ham-

1 ilton selected to implement his vision of American
2 economic independence and transform a rural agrar-
3 ian society based on slavery into a global economy
4 based on freedom.

5 (2) President Ford announced the designation
6 of the Historic District as a National Historic Land-
7 mark in 1976 and declared it “a symbol of the in-
8 dustrial might which helps to make America the
9 most powerful nation in the world”.

10 (3) The Historic District was established as a
11 National Historic District in 1996.

12 (4) Exceptional natural and cultural resources
13 make the Historic District America’s only National
14 Historic District that contains both a National His-
15 toric Landmark and a National Natural Resource.

16 (5) The Historic District embodies Hamilton’s
17 vision of an American economy based on—

18 (A) diverse industries to avoid excessive re-
19 liance on any single manufactured product;

20 (B) innovative engineering and technology,
21 including the successful use of water, a renew-
22 able energy source, to power industry and man-
23 ufacturing;

1 (C) industrial production of goods not only
2 for domestic consumption but also for inter-
3 national trade; and

4 (D) meritocracy and opportunities for all.

5 (6) Pierre L'Enfant's water power system at
6 Great Falls and the buildings erected around it over
7 two centuries constitute the finest and most exten-
8 sive remaining example of engineering, planning,
9 and architectural works that span the entire period
10 of America's growth into an industrial power.

11 (7) A National Park Service unit in Paterson is
12 necessary to give the American people an oppor-
13 tunity to appreciate the physical beauty and histor-
14 ical importance of the Historic District.

15 (8) Congress and the National Park Service
16 recognized the national significance of the Historic
17 District through listing on the National Register of
18 Historic Places and designation as a National His-
19 toric Landmark and a National Historic District.

20 (9) The Historic District is suitable for addition
21 to the National Park System because—

22 (A) the national park will promote themes
23 not adequately represented in National Park
24 System, including aspects of African-American

1 history and the inspiration Great Falls has been
2 for renowned American writers and artists;

3 (B) the national park will promote civic en-
4 gagement by attracting and engaging people
5 who currently feel little or no connection to Na-
6 tional Parks or the founding fathers;

7 (C) the national park will interpret Amer-
8 ica’s developing history in the historical and
9 global context; and

10 (D) the national park will foster partner-
11 ships among federal, state and local govern-
12 ments and private donors and non-profit orga-
13 nizations.

14 (10) The Historic District is a physically and
15 fiscally feasible site for a national park because—

16 (A) all of the required natural and cultural
17 resources are on property largely owned by local
18 government entities;

19 (B) it is of a manageable size; and

20 (C) much of the funding will come from
21 private donors and the State of New Jersey,
22 which has committed substantial sums of money
23 to fund a state park that will assist in the fund-
24 ing of the national park.

1 (11) The national park provides enormous po-
2 tential for public use because its location and urban
3 setting make it easily accessible for millions of
4 Americans.

5 (12) The historic Hinchliffe stadium, adjacent
6 to the Historic District, was home to the New York
7 Black Yankees for many years, including 1933 when
8 it hosted the Colored Championship of the Nation,
9 and it was added to the National Register of His-
10 toric Places by the National Park Service in 2004.

11 (13) Larry Doby played in Hinchliffe Stadium
12 both as a star high school athlete and again as
13 Negro League player, shortly before becoming the
14 first African-American to play in the American
15 League.

16 (14) A National Park Service unit, in partner-
17 ship with private donors and state and local govern-
18 ments, represents the most effective and efficient
19 method of preserving the Historic District for the
20 public.

21 (15) A National Park Service unit in Paterson
22 is necessary to give the Historic District the con-
23 tinuity and professionalism required to attract pri-
24 vate donors from across the country.

1 (16) Though the State of New Jersey will be a
2 strong partner with a significant financial commit-
3 ment, the State alone cannot preserve the Historic
4 District and present it to the public without a Na-
5 tional Park System unit in Paterson.

6 (b) PURPOSES.—The purposes of this Act are—

7 (1) to establish a unit of the National Park
8 System in Paterson, New Jersey, consisting of the
9 Historic District and historic Hinchliffe Stadium;
10 and

11 (2) to create partnerships among Federal,
12 State, and local governments, non-profit organiza-
13 tions, and private donors to preserve, enhance, inter-
14 pret, and promote the cultural sites, historic struc-
15 tures, and natural beauty of the Historic District
16 and the historic Hinchliffe Stadium for the benefit
17 of present and future generations.
