## RESOLUTION

Condemning in the strongest terms the terrorist attacks that  
occurred on November 9, 2005, in Amman, Jordan.

Whereas on November 9, 2005, a series of terrorist bombs  
exploded at the Radisson, Hyatt, and Days Inn hotels in  
Amman, Jordan, resulting in the deaths of scores of civil-  
ians and the injuries of hundreds of others;

Whereas the people and Government of the Hashemite Kingdom of Jordan have been targeted in several terrorist attacks over the past few years;

Whereas Jordan has arrested suspected terrorists with possible ties to Osama bin Laden's Al Qaeda organization, including suspected killers of a United States diplomat, Lawrence Foley, who headed the United States Agency for International Development (USAID) mission in Jordan but was shot on October 28, 2002, while leaving for work, marking the first lethal attack on a United States official in Jordan in more than 30 years; and

Whereas Jordan is a stalwart ally of the United States in the global war on terrorism: Now, therefore, be it

1       *Resolved*, That the House of Representatives—

2               (1) condemns in the strongest terms the terrorist attacks that occurred on November 9, 2005,  
3               in Amman, Jordan;

4               (2) expresses its condolences to the families and  
5               friends of those individuals who were killed in the  
6               attacks and expresses its sympathies to those individuals who have been injured;

7               (3) expresses solidarity and support of the people and Government of the United States with the  
8               people and Government of the Hashemite Kingdom  
9               of Jordan as they recover from these cowardly and  
10              inhuman attacks; and

11              (4) expresses its readiness to support and assist  
12              the Jordanian authorities in their efforts to bring to  
13

1 justice those individuals responsible for the recent  
2 attacks in Jordan and to pursue, disrupt, under-  
3 mine, and dismantle the networks which plan and  
4 carry out such attacks.
