

109TH CONGRESS
2^D SESSION

H. RES. 833

Expressing the sense of the House of Representatives with regard to the importance of National Women’s Health Week, which promotes awareness of diseases that affect women and which encourages women to take preventive measures to ensure good health.

IN THE HOUSE OF REPRESENTATIVES

MAY 23, 2006

Mr. HINCHEY (for himself, Mrs. BONO, Mrs. CAPPS, and Mr. HAYWORTH) submitted the following resolution; which was referred to the Committee on Energy and Commerce

RESOLUTION

Expressing the sense of the House of Representatives with regard to the importance of National Women’s Health Week, which promotes awareness of diseases that affect women and which encourages women to take preventive measures to ensure good health.

Whereas women of all backgrounds have the power to greatly reduce their risk of common diseases through preventive measures such as a healthy lifestyle and frequent medical screenings;

Whereas significant disparities exist in the prevalence of disease among women of different backgrounds, including women with disabilities, African American women, Asian/

Pacific Islander women, Latinas, and American Indian/
Alaska Native women;

Whereas since healthy habits should begin at a young age,
and preventive care saves Federal dollars designated to
health care, it is important to raise awareness among
women and girls of key female health issues;

Whereas National Women’s Health Week begins on Mother’s
Day annually and celebrates the efforts of national and
community organizations working with partners and vol-
unteers to improve awareness of key women’s health
issues; and

Whereas in 2006, the week of May 14 through May 20, is
dedicated as the National Women’s Health Week: Now
therefore, be it

1 *Resolved*, That the House of Representatives—

2 (1) recognizes the importance of preventing dis-
3 eases that commonly affect women;

4 (2) calls on the people of the United States to
5 use National Women’s Health Week as an oppor-
6 tunity to learn about health issues that face women;

7 (3) calls on the women of the United States to
8 observe National Women’s Check-Up Day by receiv-
9 ing preventive screenings from their health care pro-
10 viders; and

11 (4) recognizes the importance of federally fund-
12 ed programs that provide research and collect data

- 1 on common diseases in women and highlight racial
- 2 disparities in the rates of these diseases.
