# H. RES. 892

Recognizing the dedication of the employees at the National Aeronautics and Space Administration's Michoud Assembly Facility, the "Michoud Hurricane Ride-Out Team", who risked their lives during Hurricane Katrina's assault on southeast Louisiana, and kept the generators and pumps running to protect the facilities and flight hardware, and whose dedication kept the Michoud Assembly Facility an island of dry land, which made it possible to resume External Tank production less than 5 weeks after the storm passed.

## RESOLUTION

Recognizing the dedication of the employees at the National Aeronautics and Space Administration's Michoud Assembly Facility, the "Michoud Hurricane Ride-Out Team", who risked their lives during Hurricane Katrina's assault on southeast Louisiana, and kept the generators and pumps running to protect the facilities and flight hardware, and whose dedication kept the Michoud Assembly Facility an island of dry land, which made it possible to resume External Tank production less than 5 weeks after the storm passed.

Whereas the Michoud Assembly Facility plays a vital role in the United States manned space flight program, including production of the Shuttle External Tank, a vital component of the Shuttle program;

Whereas the 37 members of the “Michoud Hurricane Ride-Out Team” who stayed behind during Hurricane Katrina risked their lives in dedication to the space program and faced down one of the greatest natural disasters in this Nation’s history, at great personal risk; and

Whereas, if not for the dedication of this team, the Michoud facility would have suffered a great loss of National Aeronautics and Space Administration assets and technology, which would have severely limited the National Aeronautics and Space Administration’s mission: Now, therefore, be it

1       *Resolved*, That the House of Representatives com-  
 2 mends the dedication of the 37 members of the “Michoud  
 3 Hurricane Ride-Out Team” who stayed behind at the Na-
