Whereas dentists provide an estimated \$1,700,000,000 annually in non-reimbursed dental care;

Whereas nearly 11,000 dentists provided approximately \$33,000,000 of free care to almost 500,000 children in the 3rd annual “Give Kids a Smile” program held on February 4, 2005;

Whereas the participation of dentists in the 4th annual “Give Kids a Smile” program, established and sponsored by the American Dental Association and held on February 3, 2006, serves to remind people in the United States about the need to end untreated childhood dental disease; and

Whereas the generous support of numerous corporations, such as Crest Healthy Smiles, Sullivan-Schein Dental, and DEXIS Digital X-ray Systems, helps make the “Give Kids a Smile” program a success: Now, therefore, be it
