**CONCURRENT RESOLUTION**

Recognizing all hunters across the United States for their continued commitment to safety.

Whereas in 2006 there were over 16,000,000 hunters in the United States of which only .0013 percent incurred an injury during the past hunting season;

Whereas in 2006 this injury rate was lower than many other forms of recreation;

Whereas there are 70,000 hunter education instructors teaching hunter safety, ethics, and conservation to approximately 750,000 students successfully each year;

Whereas State fish and game agencies began offering hunter safety programs in 1949, and since then, more than 35,000,000 people have been certified;
