To protect the Nation's law enforcement officers by banning the Five-seveN Pistol and 5.7 x 28mm SS190 and SS192 cartridges, testing handguns and ammunition for capability to penetrate body armor, and prohibiting the manufacture, importation, sale, or purchase of such handguns or ammunition by civilians.

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Protect Law Enforce-
3 ment Armor Act” or the “PLEA Act”.

4 **SEC. 2. FINDINGS AND PURPOSE.**

5 (a) FINDINGS.—Congress finds the following:

6 (1) Law enforcement is facing a new threat
7 from handguns and accompanying ammunition,
8 which are designed to penetrate police body armor,
9 being marketed and sold to civilians.

10 (2) A Five-seveN Pistol and accompanying am-
11 munition, manufactured by FN Herstal of Belgium
12 as the “5.7 x 28 mm System”, has recently been re-
13 covered by law enforcement on the streets. The Five-
14 seveN Pistol and 5.7 x 28mm SS192 cartridges are
15 legally available for purchase by civilians under cur-
16 rent law.

17 (3) The Five-seveN Pistol and 5.7 x 28mm
18 SS192 cartridges are capable of penetrating level
19 IIA armor. The manufacturer advertises that ammu-
20 nition fired from the Five-seveN will perforate 48
21 layers of Kevlar up to 200 meters and that the am-
22 munition travels at 2100 feet per second.

23 (4) The Five-seveN Pistol, and similar hand-
24 guns designed to use ammunition capable of pene-
25 trating body armor, pose a devastating threat to law
26 enforcement.

1 (b) PURPOSE.—The purpose of this Act is to protect
2 the Nation’s law enforcement officers by—

3 (1) testing handguns and ammunition for capa-
4 bility to penetrate body armor; and

5 (2) prohibiting the manufacture, importation,
6 sale, or purchase by civilians of the Five-seveN Pis-
7 tol, ammunition for such pistol, or any other hand-
8 gun that uses ammunition found to be capable of
9 penetrating body armor.
