5        shed Protection and Recreation Act”.

6        **SEC. 2. FINDINGS AND PURPOSE.**

7        (a) FINDINGS.—Congress finds the following:

1           (1) The U.S. Forest Service currently owns the  
2           area surrounding Connell Lake, located within the

6           (2) The Borough has a great interest in the  
7           management of the Connell Lake area and desires to  
8           participate directly in the planning and management  
9           of the area.

10          (3) The Borough would be eligible to obtain  
11          this land from the Federal Government under the  
12          Recreation and Public Purposes Act if the land was  
13          not located within a national forest.

14          (4) Congress has passed legislation in similar  
15          circumstances to permit local governments to obtain  
16          land from a national forest under the Recreation  
17          and Public Purposes Act.

18          (5) The management plan for Connell Lake  
19          under the Borough's comprehensive plan is con-  
20          sistent with the newly issued forest management  
21          plan for the area and with the terms and conditions  
22          of the Recreation and Public Purposes Act.

23          (b) PURPOSE.—The purpose of this Act is to provide  
24          for the application of the Recreation and Public Purposes

1 Act to the Connell Lake area so the Borough may obtain  
2 that land under the Act's basic terms and conditions.

3 **SEC. 3. DEFINITIONS.**
