Whereas we can never fully repay our debt of gratitude to the veterans, but will thank and support them with our words and deeds;

Whereas Mike Vogel, motion picture actor and star of the newly-released “Cloverfield”, will lead the VA’s annual patient recognition program as the national spokesperson, inviting the public to visit and honor hospitalized veterans during National Salute to Hospitalized Veterans Week; and

Whereas Mike Vogel will be the youngest celebrity to lead the National Salute, bringing youthful energy to the program at a time when the number of young combat veterans under the care of the VA is growing, and as the VA is looking to younger generations of Americans to replenish an aging volunteer force: Now, therefore, be it
