SEPTEMBER 29, 1995.—Referred to the House Calendar and ordered to be printed

Mr. QUILLEN, from the Committee on Rules,
submitted the following

REPORT

[To accompany H. Res. 234]

The Committee on Rules, having had under consideration House Resolution 234, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 2405, the “Omnibus Civilian Science Authorization Act of 1995” under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Science.

The rule provides that the bill be considered by title rather than by section and that the first section and each title be considered as read.

The rule provides for the automatic adoption of an amendment striking section 304(b)(3), relating to rulemaking activities by the Department of Energy. The rule accords priority in recognition to Members who have preprinted their amendments in the Congressional Record.

Finally, the rule provides for one motion to recommit, with or without instructions.
