The Committee on Rules, having had under consideration House Resolution 261, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration in the House, without intervening point of order of a motion if offered by the Majority Leader or his designee to dispose of the Senate amendments to H.J. Res. 115, making further continuing appropriations for the fiscal year 1996.

The rule provides for one hour of debate equally divided and controlled by the Majority and Minority Leaders or their designees. The rule provides that the previous question is considered as ordered to adoption without intervening motion or a demand for a division of the question unless the demand is made by the Majority Leader or his designee.
