REPORT

[To accompany H. Res. 273]

The Committee on Rules, having had under consideration House Resolution 273, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration in the House, without intervening point of order, of H.R. 2606, a prohibition on funds for Bosnia deployment. The rule orders the previous question on the bill to final passage without intervening motion except: (1) one hour of general debate divided equally between the chairman and ranking minority member of the Committee on National Security; (2) an amendment in the nature of a substitute if offered by the Minority Leader or his designee, debatable for one hour; and (3) one motion to recommit which, if containing instructions may only be offered by the Minority Leader or his designee. Finally, the rule provides that if the minority's substitute is not offered, there shall be an additional hour of debate time equally divided between the chairman and ranking minority member of the National Security Committee.
