104-47

### ROBERT J. LAGOMARSINO VISITOR CENTER

APRIL 7 (legislative day, APRIL 5), 1995.—Ordered to be printed

Mr. MURKOWSKI, from the Committee on Energy and Natural Resources, submitted the following

### REPORT

[To accompany H.J. Res. 50]

The Committee on Energy and Natural Resources, to which was referred the joint resolution (H.J. Res. 50) to designate the visitor center at the Channel Islands National Park, California, as the “Robert J. Lagomarsino Visitor Center,” having considered the same, reports favorably thereon without amendment and recommends that the joint resolution do pass.

#### PURPOSE OF THE MEASURE

The purpose of H.J. Res. 50 is to designate the visitor center at Channel Islands National Park as the “Robert J. Lagomarsino Visitor Center”.

#### BACKGROUND AND NEED

Robert J. Lagomarsino served as Congressman for the 19th District of California from 1974 until 1992. As a long-standing Member of the Resources Committee, he authorized a number of measures which provided for enhanced environmental protection in the south central coastal district which he represented. One of his major pieces of legislation provided for the establishment of the Channel Islands National Park in 1980. After the park was established, he continued to work to secure the necessary funding and support to make his vision for this area a reality. Due in large part to Congressman Lagomarsino’s effort, the terrestrial and aquatic habitats of one of the most unique national areas in this country will be preserved for future generations of Americans to enjoy.

## LEGISLATIVE HISTORY

H.J. Res. 50, introduced by Congressman Hansen, passed the House of Representatives on February 1, 1995. Senator Feinstein introduced a companion measure, S.J. Res. 10, on January 4, 1995.

In the 103rd Congress, Senator Feinstein introduced an identical resolution, S.J. Res. 152, on November 17, 1993. A similar provision was included in H.R. 3252, a comprehensive bill on parks, rivers, trails and historic sites introduced in the House of Representatives on October 7, 1993, and passed by the House on November 22, 1993. The Subcommittee on Public lands, National Parks and Forests held a hearing on H.R. 3252 on May 19, 1994. At the business meeting on September 21, 1994, the Committee on Energy and Natural Resources ordered H.R. 3252 to be favorably reported.

At the business meeting on March 29, 1995, the Committee on Energy and Natural Resources ordered H.J. Res. 50 favorably reported, without amendment.

## COMMITTEE RECOMMENDATIONS AND TABULATION OF VOTES

The Committee on Energy and Natural Resources, in open business session on March 29, 1995, by a unanimous vote of a quorum present, recommends that the Senate pass H.J. Res. 50 without amendment.

The roll call vote on reporting the measure was 20 yeas, 0 nays, as follows:

YEAS	NAYS
Mr. Murkowski

## SECTION-BY-SECTION ANALYSIS

Section 1 provides for the designation of the National Park Service visitor center for Channel Islands National Park, which is located at Ventura Harbor, to be named the Robert J. Lagomarsino Visitor Center.

Section 2 specifies that any legal or other reference to the main visitor center at Channel Islands National Park shall be a reference to the Robert J. Lagomarsino Visitor Center.

COST AND BUDGETARY CONSIDERATIONS

The following estimate of costs of this measure has been provided by the Congressional Budget Office:

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, April 3, 1995.*

Hon. FRANK H. MURKOWSKI,  
*Chairman Committee on Energy and Natural Resources, U.S. Senate, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed H.J. Res. 50, a joint resolution to designate the visitors center at the Channel Islands National Park, California, as the "Robert J. Lagomarsino Visitors Center," as ordered reported by the Senate Committee on Energy and Natural Resources on March 29, 1995. We estimate that enactment of this legislation would have no impact on the federal budget. H.J. Res. 50 would not affect direct spending or receipts; therefore, pay-as-you-go procedures would not apply.

Enactment of this legislation would have no impact on the budgets of state or local governments.

On January 24, 1995, CBO prepared a cost estimate for H.R. Res. 50, as ordered reported by the House Committee on Resources on January 18, 1995. The two cost estimates are identical.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Deborah Reis.

Sincerely,

JAMES L. BLUM  
(For June E. O'Neill, *Director*).

REGULATORY IMPACT EVALUATION

In compliance with paragraph 11(b) of rule XXVI of the Standing Rules of the Senate, the Committee makes the following evaluation of the regulatory impact which would be incurred in carrying out H.J. Res. 50. The bill is not a regulatory measure in the sense of imposing Government-established standards or significant economic responsibilities on private individuals and businesses.

No personal information would be collected in administering the program. Therefore, there would be no impact on personal privacy.

Little, if any, additional paperwork would result from the enactment of H.J. Res. 50, as ordered reported.

EXECUTIVE COMMUNICATIONS

On March 25, 1995, the Committee on Energy and Natural Resources requested legislative reports from the Department of the Interior and the Office of Management and Budget setting forth Executive agency recommendations on H.J. Res. 50. These reports had not been received at the time the report on H.J. Res. 50 was filed. When these reports become available, the Chairman will re-

quest that they be printed in the Congressional Record for the advice of the Senate.

CHANGES IN EXISTING LAW

In compliance with paragraph 12 of rule XXVI of the Standing Rules of the Senate, the Committee notes that no changes in existing law are made by H.J. Res. 50, as ordered reported.
