Ms. PRYCE of Ohio, from the Committee on Rules,  
submitted the following

REPORT

[To accompany H. Res. 384]

The Committee on Rules, having had under consideration House Resolution 384, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 2883, the “Government Performance and Results Act Technical Amendments of 1998” under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Government Reform and Oversight.

The rule waives points of order against consideration of the bill for failure to comply with clause 2(1)(6) of rule XI (requiring a three-day layover of the committee report). The rule makes in order as an original bill for the purpose of amendment the Government Reform and Oversight Committee amendment in the nature of a substitute, which will be considered as read.

Members who have pre-printed their amendments in the Congressional Record prior to their consideration will be given priority in recognition to offer their amendments if otherwise consistent with House rules. The rule allows the chairman of the Committee of the Whole to postpone votes during consideration of the bill, and to reduce the voting time to five minutes on a postponed question if the vote follows a fifteen minute vote. Finally, the rule provides one motion to recommit with or without instructions.
