“(b) SALES PRACTICES.—The regulations prescribed pursuant to subsection (a) shall include anticoercion rules applicable to the sale of insurance products which prohibit an insured depository institution from engaging in any practice that would lead a consumer to believe an extension of credit, in violation of section 106(b) of the Bank Holding Company Act Amendments of 1970, is conditional upon—

“(1) the purchase of an insurance product from the institution or any of its affiliates or subsidiaries; or

“(2) an agreement by the consumer not to obtain, or a prohibition on the consumer from obtaining, an insurance product from an unaffiliated entity.

- “(B) REFERRALS.—Standards which permit any person accepting deposits from, or making loans to, the public in an area where such transactions are routinely conducted in an insured depository institution to refer a customer who seeks to purchase any insurance product to a qualified person who sells such product, only if the person making the referral receives no more than a one-time nominal fee of a fixed dollar amount for each referral that does not depend on whether the referral results in a transaction.
- “(C) QUALIFICATION AND LICENSING REQUIREMENTS.—Standards prohibiting any insured depository institution from permitting any person to sell or offer for sale any insurance product in any part of any office of the institution, or on behalf of the institution, unless such person is appropriately qualified and licensed.

- “(2) SCOPE OF APPLICATION.—The prohibition contained in paragraph (1) shall apply to any insurance product which is sold or offered for sale, as principal, agent, or broker, by any insured depository institution or any person who is engaged in such activities at an office of the institution or on behalf of the institution.

No State may, by law, regulation, order, interpretation, or otherwise—

(1) prevent or restrict any insurer, or any affiliate of an insurer (whether such affiliate is organized as a stock company, mutual holding company, or otherwise), from becoming a financial holding company or acquiring control of an insured depository institution;

(2) limit the amount of an insurer's assets that may be invested in the voting securities of an insured depository institution (or any company which controls such institution), except that the laws of an insurer's State of domicile may limit the amount of such investment to an amount that is not less than 5 percent of the insurer's admitted assets; or

(3) prevent, restrict, or have the authority to review, approve, or disapprove a plan of reorganization by which an insurer proposes to reorganize from mutual form to become a stock insurer (whether as a direct or indirect subsidiary of a mutual holding company or otherwise) unless such State is the State of domicile of the insurer.

Subtitle B—Redomestication of Mutual Insurers

SEC. 311. GENERAL APPLICATION.

This subtitle shall only apply to a mutual insurance company in a State which has not enacted a law which expressly establishes reasonable terms and conditions for a mutual insurance company domiciled in such State to reorganize into a mutual holding company.

SEC. 312. REDOMESTICATION OF MUTUAL INSURERS.

(a) REDOMESTICATION.—A mutual insurer organized under the laws of any State may transfer its domicile to a transferee domicile as a step in a reorganization in which, pursuant to the laws of the transferee domicile and consistent with the standards in subsection (f), the mutual insurer becomes a stock insurer that is a direct or indirect subsidiary of a mutual holding company.

(b) RESULTING DOMICILE.—Upon complying with the applicable law of the transferee domicile governing transfers of domicile and completion of a transfer pursuant to this section, the mutual insurer shall cease to be a domestic insurer in the transferor domicile and, as a continuation of its corporate existence, shall be a domestic insurer of the transferee domicile.

(c) LICENSES PRESERVED.—The certificate of authority, agents' appointments and licenses, rates, approvals and other items that a licensed State allows and that are in existence immediately prior to the date that a redomesticating insurer transfers its domicile pursuant to this subtitle shall continue in full force and effect upon transfer, if the insurer remains duly qualified to transact the business of insurance in such licensed State.

(d) EFFECTIVENESS OF OUTSTANDING POLICIES AND CONTRACTS.—

(1) IN GENERAL.—All outstanding insurance policies and annuities contracts of a redomesticating insurer shall remain in full force and effect and need not be endorsed as to the new domicile of the insurer, unless so ordered by the State insurance regulator of a licensed State, and then only in the case

of outstanding policies and contracts whose owners reside in such licensed State.

(2) FORMS.—

(A) Applicable State law may require a redomesticating insurer to file new policy forms with the State insurance regulator of a licensed State on or before the effective date of the transfer.

(B) Notwithstanding subparagraph (A), a redomesticating insurer may use existing policy forms with appropriate endorsements to reflect the new domicile of the redomesticating insurer until the new policy forms are approved for use by the State insurance regulator of such licensed State.

(e) NOTICE.—A redomesticating insurer shall give notice of the proposed transfer to the State insurance regulator of each licensed State and shall file promptly any resulting amendments to corporate documents required to be filed by a foreign licensed mutual insurer with the insurance regulator of each such licensed State.

(f) PROCEDURAL REQUIREMENTS.—No mutual insurer may redomesticate to another State and reorganize into a mutual holding company pursuant to this section unless the State insurance regulator of the transferee domicile determines that the plan of reorganization of the insurer includes the following requirements:

(1) APPROVAL BY BOARD OF DIRECTORS AND POLICYHOLDERS.—

The reorganization is approved by at least a majority of the board of directors of the mutual insurer and at least a majority of the policyholders who vote after notice, disclosure of the reorganization and the effects of the transaction on policyholder contractual rights, and reasonable opportunity to vote, in accordance with such notice, disclosure, and voting procedures as are approved by the State insurance regulator of the transferee domicile.

(2) CONTINUED VOTING CONTROL BY POLICYHOLDERS; REVIEW OF PUBLIC STOCK OFFERING.—After the consummation of a reorganization, the policyholders of the reorganized insurer shall have the same voting rights with respect to the mutual holding company as they had before the reorganization with respect to the mutual insurer. SEC. 313. EFFECT ON STATE LAWS RESTRICTING REDOMESTICATION.

(a) **IN GENERAL.**—Unless otherwise permitted by this subtitle, State laws of any transferor domicile that conflict with the purposes and intent of this subtitle are preempted, including but not limited to—

(1) any law that has the purpose or effect of impeding the activities of, taking any action against, or applying any provision of law or regulation to, any insurer or an affiliate of such insurer because that insurer or any affiliate plans to redomesticate, or has redomesticated, pursuant to this subtitle;

(2) any law that has the purpose or effect of impeding the activities of, taking action against, or applying any provision of law or regulation to, any insured or any insurance licensee or other intermediary because such person or entity has procured insurance from or placed insurance with any insurer or affiliate of such insurer that plans to redomesticate, or has redomesticated, pursuant to this subtitle, but only to the extent that such law would treat such insured licensee or other intermediary differently than if the person or entity procured insurance from, or placed insurance with, an insured licensee or other intermediary which had not redomesticated;

(3) any law that has the purpose or effect of terminating, because of the redomestication of a mutual insurer pursuant to this subtitle, any certificate of authority, agent appointment or license, rate approval, or other approval, of any State insurance regulator or other State authority in existence immediately prior to the redomestication in any State other than the transferee domicile.

(b) **DIFFERENTIAL TREATMENT PROHIBITED.**—No State law, regulation, interpretation, or functional equivalent thereof, of a State other than a transferee domicile may treat a redomesticating or redomesticated insurer or any affiliate thereof any differently than an insurer operating in that State that is not a redomesticating or redomesticated insurer.

(c) **LAWS PROHIBITING OPERATIONS.**—If any licensed State fails to issue, delays the issuance of, or seeks to revoke an original or renewal certificate of authority of a redomesticated insurer immediately following redomestication, except on grounds and in a manner consistent with its past practices regarding the issuance of certificates of authority to foreign insurers that are not redomesticating, then the redomesticating insurer shall be exempt from any State law of the licensed State to the extent that such State law or the operation of such State law would make unlawful, or regulate, directly or indirectly, the operation of the redomesticated insurer, except that such licensed State may require the redomesticated insurer to—

(1) comply with the unfair claim settlement practices law of the licensed State;

(2) pay, on a nondiscriminatory basis, applicable premium and other taxes which are levied on licensed insurers or policyholders under the laws of the licensed State;

(3) register with and designate the State insurance regulator as its agent solely for the purpose of receiving service of legal documents or process;

(4) submit to an examination by the State insurance regulator in any licensed state in which the redomesticated insurer is doing business to determine the insurer's financial condition, if—

(A) the State insurance regulator of the transferee domicile has not begun an examination of the redomesticated insurer and has not scheduled such an examination to begin before the end of the 1-year period beginning on the date of the redomestication; and

(B) any such examination is coordinated to avoid unjustified duplication and repetition;

(5) comply with a lawful order issued in—

(A) a delinquency proceeding commenced by the State insurance regulator of any licensed State if there has been a judicial finding of financial impairment under paragraph (7); or

(B) a voluntary dissolution proceeding;

(6) comply with any State law regarding deceptive, false, or fraudulent acts or practices, except that if the licensed State seeks an injunction regarding the conduct described in this paragraph, such injunction must be obtained from a court of competent jurisdiction as provided in section 314(a);

(7) comply with an injunction issued by a court of competent jurisdiction, upon a petition by the State insurance regulator alleging that the redomesticating insurer is in hazardous financial condition or is financially impaired;

(8) participate in any insurance insolvency guaranty association on the same basis as any other insurer licensed in the licensed State; and

(9) require a person acting, or offering to act, as an insurance licensee for a redomesticated insurer in the licensed State to obtain a license from that State, except that such State may not impose any qualification or requirement that discriminates against a nonresident insurance licensee.

(a) JUDICIAL REVIEW.—The appropriate United States district court shall have exclusive jurisdiction over litigation arising under this section involving any redomesticating or redomesticated insurer.

TITLE V—CREDIT UNIONS

SEC 501. SHORT TITLE.

This title may be cited as the “Credit Union Membership Access Act”.

SEC. 502. FINDINGS.

The Congress finds the following:

(1) The American credit union movement began as a cooperative effort to serve the productive and provident credit needs of individuals of modest means.

(2) Credit unions continue to fulfill this public purpose, and current members and membership groups should not face divestiture from the financial services institution of their choice as a result of recent court action.

(3) To promote thrift and credit extension, a meaningful affinity and bond among members, manifested by a commonality of routine interaction, shared and related work experiences, interests, or activities, or the maintenance of an otherwise well-understood sense of cohesion or identity is essential to the fulfillment of credit unions’ public mission.

(4) Credit unions, unlike many other participants in the financial services market, are exempt from Federal and most State taxes because they are member-owned, democratically operated, not-for-profit organizations generally managed by volunteer boards of directors and because they have the specified mission of meeting the credit and savings needs of consumers, especially persons of modest means.

(5) Improved credit union safety and soundness provisions will enhance the public benefit that citizens receive from these cooperative financial services institutions.

Subtitle A—Credit Union Membership

SEC. 511. FIELDS OF MEMBERSHIP.

Section 109 of the Federal Credit Union Act (12 U.S.C. 1759) is amended—

(1) in the 1st sentence—

(A) by striking “Federal credit union membership shall consist of” and inserting “(a) IN GENERAL.—Subject to subsection (b), Federal credit union membership shall consist of”; and

(B) by striking “, except that” and all that follows through the period at the end of such sentence and inserting a period; and

(2) by adding at the end the following new subsections:

“(b) MEMBERSHIP FIELD.—Subject to the other provisions of this section, the membership of any Federal credit union shall be limited to the membership described in 1 of the following categories:

“(1) SINGLE COMMON-BOND CREDIT UNION.—1 group which has a common bond of occupation or association.

“(2) MULTIPLE COMMON-BOND CREDIT UNION.—More than 1 group—

“(A) each of which has (within such group) a common bond of occupation or association; and

“(B) the number of members of each of which (at the time the group is first included within the field of membership of a credit union described in this paragraph) does not exceed any numerical limitation applicable under subsection (d).

“(3) COMMUNITY CREDIT UNION.—Persons or organizations within a well-defined local community, neighborhood, or rural district.

“(c) GRANDFATHERED MEMBERS AND GROUPS.—

“(1) IN GENERAL.—Notwithstanding subsection (b)—

“(B) a member of any group whose members constituted a portion of the membership of any Federal credit union as of such date of enactment shall continue to be eligible to become a member of such credit union, by virtue of membership in such group, after such date.

“(2) SUCCESSORS.—If the common bond of any group referred to in paragraph (1) is defined by any particular organization or business entity, paragraph (1) shall continue to apply with respect to any successor to such organization or entity.

“(d) MULTIPLE COMMON-BOND CREDIT UNION GROUP REQUIREMENTS.—

“(1) NUMERICAL LIMITATION.—Except as provided in paragraph (2), only a group with fewer than 3,000 members shall be eligible to be included in the field of membership of a credit union described in subsection (b)(2).

“(2) EXCEPTIONS.—In the case of any Federal credit union whose field of membership is determined under subsection (b)(2), the numerical limitation described in paragraph (1) shall not apply with respect to the following:

“(A) CERTAIN LARGER GROUPS INCAPABLE OF SUPPORTING AND OPERATING A SINGLE-GROUP CREDIT UNION.—Any group which the Board determines, in writing and in accordance with the guidelines and regulations described in paragraph (4), could not feasibly or reasonably establish a new single common-bond credit union described in subsection (b)(1) because—

“(i) the group lacks sufficient volunteer and other resources to support the efficient and effective operation of a credit union;

“(ii) the group does not meet the criteria which the Board has determined to be important for the likelihood of success in establishing and managing a new credit union, including demographic characteristics, such as geographical location of members, diversity of ages and income levels, and other factors which may affect the financial viability and stability of a credit union; or

“(iii) the group would be unlikely to operate a safe and sound credit union.

“(B) TRANSACTIONS FOR SUPERVISORY REASONS.—Any group transferred from another credit union—

“(i) in connection with a merger or consolidation which has been recommended by the Board or any appropriate State credit union supervisor for safety and soundness concerns with respect to such other credit union; or

“(ii) by the Board in the Board’s capacity as conservator or liquidating agent with respect to such other credit union.

“(3) EXCEPTION FOR UNDERSERVED AREAS.—Notwithstanding subsection (b), in the case of a Federal credit union described in paragraph (2) of such subsection, the Board may allow the membership of the credit union to include any person or organization within a local community, neighborhood, or rural district if—

“(A) the Board determines that such local community, neighborhood, or rural district—

“(i) meets the requirements of paragraph (3) and subparagraphs (A) and (B) of paragraph (4) of section 233(b) of the Bank Enterprise Act of 1991, and such additional requirements as the Board may impose; and

“(ii) is underserved, based on data of the Board and the Federal banking agencies (as defined in section 3 of the Federal Deposit Insurance Act), by other deposi-

tory institutions (as defined in section 19(b)(1)(A) of the Federal Reserve Act); and

“(B) the credit union establishes and maintains an office or facility in such local community, neighborhood, or rural district at which credit union services are available.

“(4) REGULATIONS AND GUIDELINES.—The Board shall issue guidelines or regulations, after notice and opportunity for comment, setting forth the criteria the Board will apply in determining whether or not an additional group may be included within the field of membership of an existing credit union pursuant to paragraph (2).

“(e) ADDITIONAL MEMBERSHIP ELIGIBILITY PROVISIONS.—

“(1) MEMBERSHIP ELIGIBILITY LIMITED TO IMMEDIATE FAMILY OR HOUSEHOLD MEMBERS.—No individual shall be eligible for membership in a credit union on the basis of the relationship of such individual to another person who is eligible for membership in such credit union unless the individual is a member of the immediate family or household (as such terms are defined by the Board by regulation) of such other person.

“(2) RETENTION OF MEMBERSHIP.—Except as provided in section 118, once a person becomes a member of a credit union in accordance with this title, such person or organization may remain a member of such credit union until the person or organization chooses to withdraw from the membership of the credit union.”.

Section 109 of the Federal Credit Union Act (12 U.S.C. 1759) is amended by inserting after subsection (e) (as added by section 511 of this subtitle) the following new subsection:

“(f) CRITERIA FOR APPROVAL OF EXPANSION OF MULTIPLE COMMON-BOND CREDIT UNIONS.—

“(1) IN GENERAL.—The Board shall—

“(A) encourage the formation of separately chartered credit unions instead of approving an application to include an additional group within the field of membership of an existing credit union whenever practicable and consistent with reasonable standards for the safe and sound operation of the credit union; and

“(B) if the formation of a separate credit union by such group is not practicable or consistent with such standards, require the inclusion of such group in the field of membership of a credit union which is within reasonable proximity to the location of the group whenever practicable and consistent with reasonable standards for the safe and sound operation of the credit union.

“(2) APPROVAL CRITERIA.—The Board may not approve any application by a Federal credit union described in subsection (b)(2) to include any additional group within the field of membership of such credit union (or an application by a Federal credit union described in paragraph (1) to include an additional group and become a credit union described in paragraph (2)) unless the Board determines, in writing, that—

“(A) such credit union has not engaged in any unsafe or unsound practice (as defined in section 206(b)) which is material during the 1-year period preceding the filing of the application;

“(B) the credit union is adequately capitalized;

“(C) the credit union has the administrative capability to serve the proposed membership group and the financial resources to meet the need for additional staff and assets to serve the new membership group;

“(D) pursuant to the most recent evaluation of such credit union under section 215, the credit union is satisfactorily providing affordable credit union services to all individuals of modest means within the field of membership of such credit union;

“(E) any potential harm the expansion of the field of membership of the credit union may have on any other insured credit union and its members is clearly outweighed in the public interest by the probable beneficial effect of the expansion in meeting the convenience and needs of the members of the group proposed to be included in the field of membership; and

“(F) the credit union has met such additional requirements as the Board may prescribe in regulations.”.
