—————

Mr. HASTINGS of Washington, from the Committee on Rules,
submitted the following

REPORT

[To accompany H. Res. 230]

The Committee on Rules, having had under consideration House Resolution 230, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 66, the “Route 66 Corridor Act,” under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Resources.

The rule makes in order the Committee on Resources amendment in the nature of a substitute as an original bill for the purpose of amendment, which shall be open to amendment by section.

Members who have preprinted their amendments in the Record prior to their consideration may be given priority in recognition to offer their amendments if otherwise consistent with House rules. The Chairman of the Committee of the Whole may postpone votes during consideration of the bill, and reduce voting time to five minutes on a postponed question if the vote follows a fifteen minute vote. Finally, the rule provides for one motion to recommit, with or without instructions.
