

PROVIDING FOR CONSIDERATION OF H.R. 3925, DIGITAL  
TECH CORPS ACT OF 2002

---

APRIL 9, 2002.—Referred to the House Calendar and ordered to be printed

---

Mrs. MYRICK, from the Committee on Rules,  
submitted the following

R E P O R T

[To accompany H. Res. 380]

The Committee on Rules, having had under consideration House Resolution 380, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 3925, to establish an exchange program between the Federal Government and the private sector in order to promote the development of expertise in information technology management, and for other purposes, under an open rule. The rule waives all points of order against consideration of the bill.

The rule provides one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Government Reform. The rule provides that it shall be in order to consider as an original bill for the purpose of amendment the amendment in the nature of a substitute recommended by the Committee on Government Reform now printed in the bill, modified by the amendments recommended by the Committee on the Judiciary also printed in the bill.

The rule allows the Chairman of the Committee of the Whole to accord priority in recognition to those Members who have preprinted their amendments in the Congressional Record. Finally, the rule provides one motion to recommit with or without instructions.

The waiver of all points of order includes a waiver of clause 3(c) of rule XIII (requiring the inclusion in the report of any oversight findings and recommendations) because H. Rept. 107-379, Part 1, filed by the Committee on Government Reform, does not include a statement of general performance goals and objectives. The waiver

of all points of order also includes a waiver of clause 4(a) of rule XIII (requiring a three-day layover of the committee report), which is needed because H. Rept. 107-379, Part 2 was not filed by the Judiciary Committee until Tuesday, April 9 and the bill may be considered by the House as early as Wednesday, April 10.
