

**Statement on Proposed Child Care Legislation**

*February 26, 1998*

Last month I unveiled my child care initiative to make child care better, safer, and more affordable. Today I am pleased that Congresswoman Kennelly has introduced comprehensive child care legislation that is also designed to meet the needs of America's children and families. Congresswoman Kennelly's bill is a strong package that, like mine, significantly increases child care subsidies for poor children, provides greater tax relief to help low- and middle-income families pay for child care, creates a tax credit for businesses that provide child care for their employees, increases after-school opportunities for children, promotes early learning, and improves child care quality.

This proposal is a testament to Congresswoman Kennelly's leadership on this issue and her commitment to the future of our Nation's children. I look forward to working with her and other Members of Congress to enact bipartisan child care legislation that helps Americans fulfill their responsibilities as workers, and even more important, as parents.

Narcotic Drugs and Psychotropic Substances:

Aruba, The Bahamas, Belize, Bolivia, Brazil, China, Dominican Republic, Ecuador, Guatemala, Haiti, Hong Kong, India, Jamaica, Laos, Malaysia, Mexico, Panama, Peru, Taiwan, Thailand, Venezuela, and Vietnam.

By virtue of the authority vested in me by section 490(b)(1)(B) of the Act, I hereby determine that it is in the vital national interests of the United States to certify the following major illicit drug producing and/or major illicit drug transit countries:

Cambodia, Colombia, Pakistan, and Paraguay.

Analysis of the relevant U.S. vital national interests, as required under section 490(b)(3) of the Act, is attached.
