Letter to Congressional Leaders Reporting on the Decision To Send Certain United States Forces to Macedonia

March 25, 1999

Dear Mr. Speaker: (Dear Mr. President:)

This is a report under section 8115 of the Department of Defense Appropriations Act, 1999 (Public Law 105-262), to inform you of my decision to send certain U.S. forces to Macedonia to enhance force protection for U.S. and other NATO forces in that nation, to support U.S. and NATO military activities in the region, to deter attacks on U.S. and NATO forces already in Macedonia, and to assist in preparing for a possible NATO peace implementation force in Kosovo. Over the past several weeks, non-U.S. NATO countries began a consensual deployment of national forces to Macedonia to prepare to implement a peace agreement in Kosovo, should one be signed. Approximately 10,000 non-U.S. NATO forces are now deployed to Macedonia and have been placed under NATO's operational control.

As you know, the mandate for the U.N. Preventive Deployment (UNPREDEP) expired on February 28, 1999. We expect that some elements of these forces will redeploy out of the area and that others, together with certain of the enabling forces described below, will continue to maintain the current TFAS infrastructure and will begin to prepare Camp Able Sentry as a potential staging area in Macedonia for a U.S. contribution to a NATO-led implementation force in Kosovo, if it is decided to provide one. Operational control of these forces for force protection purposes only has been transferred to NATO, as has been the case for the forces of certain other nations whose forces are participating in UNPREDEP.

NATO, during the past month, decided to deploy elements of the Allied Rapid Reaction Corps Headquarters (ARRC HQ) Rear Command Post to provide a command element in Macedonia and to ensure that there will be unity of command and a single NATO commander on the ground who will be in
