

On another front, I'm pleased, obviously, with the new job growth. I have been saying that this economy looks pretty strong, and today 112,000 new jobs were created last month—a report that 112,000 new jobs were created last month. And that's good. Things are getting better. There is more to do, but this economy is growing in strength, and I'm obviously pleased with that.

Thank you all for coming.

Statement on the Terrorist Attack on the Moscow Subway

February 6, 2004

I condemn in the strongest terms the terrorist attack on the Moscow subway. I join the American people in grieving for the victims and for their families. No cause ever justifies the killing of innocent life. The United States stands with Russia in opposing terrorist acts and in our determination to bring the perpetrators to justice.
