*Abstract:* The Rural Economic Development Act of 1990, Title XXIII of the Farm Bill, Public Law 101-624, authorized qualified USDA Rural Development borrowers to make investments in rural development projects without the prior approval of the Agency's Administrator provided, however, that such investments do not cause the borrower to exceed its allowable qualified investment level as determined in accordance with the procedures set forth in 7 CFR part 1744, subpart E. When a borrower exceeds these limits, the security for the Government's loans could be in jeopardy. However, in the interest of encouraging rural development, USDA Rural Development will consider approving such investments that exceed a borrower's qualified investment level. This information collection covers those items that a borrower would need to submit to USDA Rural Development for consideration of the borrower's request to make such an investment.

*Estimate of Burden:* Public reporting burden for this collection of information is estimated to average 9.5 hours per response.

*Respondents:* Not for profit institutions; business or other for-profit entities.

Form ITA-361P must be completed each time a certificate holder wishes to obtain a portion, or all, of the duty-refund authorized by the certificate. The duty-refund benefit is issued biannually and the forms are used for the distribution of the duty-refund benefit.

**ACTION:** Notice.

**SUPPLEMENTARY INFORMATION:****I. Abstract**

The Commercial Service (CS) requests a revision to the currently approved collection for User Satisfaction Surveys associated with the following export assistance programs and services:

- Export counseling,
- Pay-for-use export services such as matchmaking and due diligence,
- Trade promotion and educational events such as trade fairs, seminars and Webinars,
- Trade Information Call Center,
- Advocacy services.

The CS is mandated to provide export assistance to U.S. firms and the feedback obtained from the User Satisfaction Surveys is crucial to ensuring that clients are provided with effective and appropriate export services. This feedback enables CS to improve services to better meet the needs of their clients.

Clients that work with the CS have the opportunity to provide feedback via an electronic link to a comment card at the completion of each pay-for-use service, trade promotion event and advocacy case.

CS would also like to provide clients with the opportunity to give feedback at any time during the course of their working relationship with a CS trade specialist. CS proposes to revise their information collection by providing a feedback opportunity to their clients via a comment card link in a tagline at the bottom of CS staff's e-mail messages.

**II. Method of Collection**

Comment cards (sent to a client after the completion of a pay-for-use export service, trade promotion event or educational seminar/Webinar, and advocacy case) in an e-mail message delivering a hot link to a Web enabled survey. If the client does not respond to the survey within two weeks, another e-mail reminder is sent to the client.

The e-mail tagline comment card will also be a link to a Web enabled survey.

An automated telephone survey will be used for the Trade Information Call Center survey, so that callers can immediately respond without having to provide their e-mail address.
